The training and assessment, and related educational and support services that Pacific Lutheran College will provide to the learner include:

i. The estimated duration of the course is one (1) year with 55 nominal hours per semester

ii. The expected location at which training and assessment will be provided will be at Pacific Lutheran College in a simulated learning environment

iii. The expected modes of delivery will be through practical projects, observation and written tasks

iv. There will be no third party that will provide training and/or assessment, and related educational and support services to the learner on the Pacific Lutheran College's behalf

v. Work placement arrangements will be nil

vi. All costs and student obligations relating to material for this certification are included as part as college enrolment fees

vii. Pacific Lutheran College is responsible for the training and/or assessment and for issuing a qualification or statement of attainment.

viii. A USI is a pre-requisite for entry into this course. There are no service periods required for this course.

ix. In the event that the RTO loses suitably qualified trainers and assessors and is unable to deliver this program:

   • students will be issued with a statement of attainment for any successfully completed units of competency
   • any fees paid toward the program will be refunded on a pro rata basis.

X. All students have a right to the complaints/appeal process and this can be accessed through the student handbook

What advantages are there in taking this course?

OP

- This subject is not used in the calculation of an OP (overall position). This can allow students to use this subject to develop life skills while focusing completely on their other OP subjects.

QCE

- Two (2) credit points are given towards the Queensland Certificate of Education on the successful completion of this subject
