

Come along, bring friends and see our new facilities!
12.30pm to 3.30pm

More Than a Day of Commemoration

As we join with others to commemorate the centenary of the Australian and New Zealand soldiers landing at Gallipoli this Saturday, we are challenged to remember and respond. We remember with gratitude all those who have made sacrifices through their service in our defence forces to protect our way of life. We remember those families affected by the impact of war and pray for peace.

We show our greatest gratitude by living our lives well. We are challenged to embrace the qualities of endurance, courage, ingenuity, good humour and mateship in our daily lives. We are encouraged to carry forward the baton passed onto us by previous generations. We use our gifts to add to what has been given to us.

Principal's Log

Welcome to the start of Term 2. We welcome back continuing members of our community and extend a very warm welcome to new families and their students. A particular welcome to Mrs Leigh Drogemuller who has returned from maternity leave in a part time capacity.

Staff and students greatly enjoyed the white water expedition in Northern New South Wales over the holidays. This is a unique experience that provides young people with the opportunity to experience different leisure pursuits whilst growing in their relationships and as individuals. We are very

appreciative of the expertise and leadership of Dr Peter McMahon and thank him and Ms Carolyn Sainty for their support of the students throughout this experience.

Our young rugby players also very much enjoyed the opportunity to participate in the Armidale School Rugby Carnival which included 42 other teams from New South Wales and Queensland. The high quality competition provided a great opportunity for our boys to grow in their rugby skills while enjoying the experience of travelling away together. We appreciate the coaching support of parent Mr Andrew Whitely and student Matt O'Keefe and the organisation and leadership of Mr Darren Hooper.

The Addams Family cast were also busy rehearsing over the holiday period and it is promising to be a very entertaining event for the whole family. We would encourage all of our families to take advantage of this opportunity to see a high quality musical. Tickets are now on sale.

The INTASE World Educational Leadership Summit entitled 'Lead and Redefine Future Schools', provided the opportunity to learn from six leading educational thinkers from Finland, United Kingdom, United States of America, Australia and Canada. As well as learning from leading international speakers there was also the opportunity to network with leaders from a variety of countries. It was very affirming to hear that the direction recently set in our strategic plan and Pacific's current initiatives and programs, have us very well placed to equip young people for living and learning well. I look forward to sharing details with you in the coming months and more importantly to seeing our staff and young people benefitting from these learnings.

We look forward to a term of rich learning. May God's richest blessings flow through us all, so that we might be a blessing to many.

Dr Bronwyn Dolling, Principal

Daily Bread

They loved!

There is a deeply-saddening scene at the end of the 1981 Australian movie, 'Gallipoli'. We see the final group of soldiers climbing out of their trenches, ready to go 'over the top' to charge the enemy. Each of the soldiers were fully aware that the enemy had the higher ground and solid gun emplacements. They knew that they would all be killed, but still they charged.

Why did those soldiers climb out of the safety of their trenches to attack, when they knew that they faced certain death? This question is before Year 12 Christian Studies students as they reflect on the way that we develop our meaning and purpose in life. Students are narrowing down the Gallipoli soldiers' motivation to 'love'.

The soldiers loved their families and wanted to make sure that everyone back home would be safe. They loved their country and wanted to protect their homeland from the threat of invasion. They loved each other and hoped that together they might survive what the enemy was throwing at them.

Jesus once said, "no one has greater love than this, to lay down one's life for one's friends" (John 15). This reading is used repeatedly at our Anzac Memorials to show how the self-sacrifice of our service men and women helps us to better understand the sacrificial death of Jesus for the forgiveness of sin.

This reading is also used to highlight the great love shown by those who gave themselves on the hills and shores of Gallipoli in 1915.

Lest we forget.

Pastor Paul Smith, College Pastor

Open Day

Sunday, 3rd May 12.30pm – 3.30pm

The upcoming Open Day provides a great opportunity for existing parents to learn more about their child's next phase of learning and for prospective families to experience the Pacific community. Please encourage new families who may be interested in a Pacific education to attend.

Attendees will be able to stroll the college grounds and experience a variety of displays and activities that highlight the many and varied aspects of education at the college.

Venue: Pacific Lutheran College, Woodlands Boulevard, Meridan Plains

Date: Sunday, 3rd May 2015

Time: 12.30pm to 3.30pm

From the Head of Staff and Students P-5

Welcome to Term 2, I hope you found the vacation an enjoyable and refreshing time for shared family activities. This term is particularly busy and includes a number of important events.

On Wednesday, the whole school gathered to celebrate and remember the 100th anniversary of the Anzac landing in Gallipoli. The service recognised the sacrifice, courage and comradeship of not only the first Anzac's but also all those who have followed their example in conflicts since 1915. As a nation, we owe a huge debt of gratitude to these service men and women and their families. At the service the students were reminded that as the numbers of veterans dwindle, it is important to not only remember the sacrifices of the past 100 years but to accept the responsibility for continuing this legacy of remembrance into the future.

On Saturday morning, a contingent of students from the college will represent our community at the Caloundra dawn service (Kings Beach). If you would like to be part of this historic service you need to be there by 4.45am.

Open Day Sunday, 3rd May

On Open Day the college will be open for students and their families and the families of prospective students from 12.15pm. A great variety of displays and activities have been planned to highlight the many and varied aspects of education at the college.

Years 3,5,7 and 9 NAPLAN

This year's National Assessment Program in Literacy and Numeracy for students in Years 3,5,7 and 9 will be held on the 12th, 13th and 14th of May. Further information will be forwarded over the coming weeks.

You Can Do It

This term, children will investigate 'organisation'. As parents we all recognise the necessity of being organised in surviving the 'busyness' associated with having school aged children.

Students also need to be organised if they are to be successful. Being organised is about setting goals and effectively planning the use of time. Parents can assist children in learning to be organised by creating routines. Simple routines such as packing bags the night before school, avoids the stress and chaos of last minute bag packing each morning.

Planners or organisers placed on walls in the kitchen or in a child's bedroom listing the days on which children need to wear their sports uniform and dates when work is due also helps children to develop positive habits in regard to being organised.

Uniforms

Students in Years 1-5 may only wear their sports uniform to school on the days they have HPE. Year 4 and 5 students are also permitted to wear their HPE uniforms on Thursdays. There may be rare occasions during the year when students may be requested to wear their sports uniform to school for carnivals or excursions. On all other occasions students should attend school in their formal uniform.

If your child is unable to wear the correct uniform to school please send a note to your child's class teacher. A uniform reminder letter will be forwarded to parents whose children are in the wrong uniform and do not have a note.

Mr David Druery, Head of Staff and Students P-5

From the Director of Students

Living Well, Being Well

On Monday, student leaders joined with the staff for the presentation, 'Living Well, Being Well'. The focus of this day was applying Dr Martin Seligman's PERMA formula for wellbeing. Therese Joyce, an international trainer and speaker from the University of Melbourne, led the workshop.

The day began with a reflection on wellbeing. The wellbeing continuum from Languishing to Surviving to Thriving and Flourishing was discussed. The concept of PERMA was then discussed and reflected on in some detail.

P- Positive Emotions

E- Engagement

R- Relationships

M- Meaning

A- Accomplishment

The aim of PERMA is to raise the bar for the human condition. It enables communities and individuals to cultivate their talents, build deep lasting relationships and to contribute meaningfully to the world and, in Seligman's key word, to flourish.

A Wellbeing Toolkit was also explored with practical suggestions to improve individual thinking such as using a gratitude journal, mindfulness techniques, positivity portfolios, flow checks and random acts of kindness.

The next step will be to complete an audit of all the things that the Pacific community is doing that fit under the PERMA umbrella. When that is completed we will discuss the way forward.

At the time of writing, we have over 150 students going to the Anzac Day dawn service at Caloundra. As it is the 100th anniversary of the Gallipoli landing, it is an important time for students to reflect on the sacrifice of all Australians who have served our country and the importance of working internationally towards peace in the world.

Mr Brendan Delaney, Director of Students

Food for Thought

How Do We Get Out of Negative Thought Patterns?

Mentally reframing how you think about parent-child time can lessen stress and help you better appreciate the time you spend with your child.

2015 Golf Day – Sunday, 17th May

Coastline BMW 

Pacific Lutheran College and Coastline BMW would like to thank the following sponsors who have come on board to support the 2015 Golf Day:

- Supaview Security Screens
- SecureView
- Focus Family Law
- Regson Fabrications

SECUREVIEW

HIGHLY EVOLVED SECURITY

If you would like to promote your business and sponsor the event, please contact the organisers Mrs Mandy Hentschel and Mrs Allyson Sarvari at fop@paccluth.qld.edu.au.

A reminder that registrations are now open for the event; please see the flyer at the back of the newsletter.

Mothers Day Stall

The Mothers Day stall will be held on Wednesday, 6th May. More details will follow in the coming weeks.

Mrs Tracey Hindmarsh, Chairperson - Friends of Pacific

Pink Bra Walkathon

At 6.15am on Sunday, 19th April a small but well-bedazzled group of Pacific staff members and parents gathered to take part in a local fundraiser for breast cancer – 'Pretty in Pink Bra Walkathon'. The task was a blissful 10km walk along our local coastline, from the Caloundra Powerboat Club to Kings Beach and back. The reward was the banter along the way, the effortless exercise when walking to a destination and a delicious and healthy breakfast back at the finish line.

Highlights were the be-dazzlement of bras on the previous Thursday and adornment on the morning of the walk. Mrs Andrea Burnett blinded us with her sequins and Mrs Pia Foxlow was beyond creative with her butterflies and colour. Thank you to Mrs Donna Dancer for her headpieces and all those who participated for their enthusiastic support. It was a fantastic day and wonderful to know that we were helping a local family find some solace during a challenging time.

"Be in It."

The Wellness Team

School Photos

Years 6-12: Tuesday, 19th May

Prep - Year 5: Tuesday, 26th May

Every child has received an envelope to place their order for individual and class photos and a flyer explaining the new online payment procedures. If you would like a family photo to be taken (families with two or more children), a family envelope can be collected from Miss Sainty in the office.

All Orders and Payments to be Made Online

Online payment is the preferred method by the photographers. Envelopes are not to be returned to school. Please keep them at home for your reference.

The photographers have an automated system for payments by credit card. You can go online to www.advancedlife.com.au for easy to understand payment instructions. You will receive a receipt number, which **MUST** be written on the order envelope in the space provided.

If paying by cash or cheque, your envelope and payment is to be returned to the admin office. It is imperative they are returned by **Wednesday, 13th May**. Each child must have a completed envelope, even if you are paying for more than one student in one envelope. Envelopes are not to be placed inside other envelopes. Student order/family envelopes placed inside other order envelopes will often result in that

student missing their portraits, as they will not be discovered until after the day of photography.

Filling Out Your Envelope

'Roll Class' is your year level and class (e.g. Year 8A - not Mumba 1).

'Year Group' is e.g. 8 or 3.

Students are required to wear FULL DRESS UNIFORM on either Tuesday 20th or 26th May.

Miss Carolyn Sainty, Administration Secretary

Maths Tutoring

There will be no maths tutorials on Monday next week due to Senior Parent Teacher Conferences. Tutorials will recommence on Monday afternoons in Week 3 from 3.20pm to 4.20pm in rooms L14 and L13.

Mrs Jasmin Steven, Head of Mathematics

Careers Department

Options Career Information Bulletin Edition 6

The latest edition of the Options Career Information Bulletin is now available on the college website. The news items this fortnight cover information on:

- Apprenticeships and Employment.
- Career Exploration.
- Competitions.
- Course and Institution Updates.
- Financial Assistance and Scholarships.
- GAP Year Programs.
- Occupation Information.
- Open Days, Career Expos and Career Market Dates.
- QTAC and Tertiary Entry.
- Study Skills.
- Year 12 Questions.

Australian Defence Force Information Sessions

An information session on officer entry for the Australian Defence Force will be held at the Maroochydore Recruitment Office (37 Primary School Court, Maroochydore) on 23rd April at 6.00pm. There will be three pilots and technicians as guest speakers at the event.

Please register by phoning 5459 8700 or emailing defencejobsmaroochydore@dfr.com.au.

Year 10 Career Education

For the next three weeks, all Year 10 students will be participating in Career Education lessons in their Personal Development class. The students have a variety of activities to complete in a workbook, which can be found on Schoology. This information will also be saved onto a USB. The students will be required to complete some of the activities at home, so I encourage parents and carers to have some conversations with them.

This activity prepares the students for selecting their Year 11/12 subjects and completing their Student Career Plan later this year.

Ms Ainslie Reid, Career Counsellor

Armidale Rugby Trip

Early last Friday morning, a group of Year 6 and 7 Pacific boys departed the college and made the eight hour bus ride to New South Wales for The Armidale School Rugby Carnival.

This was the seventh year Pacific had attended the carnival, which included 42 other teams from New South Wales and Queensland. The weekend provided a great opportunity for students to

travel away as a team and to experience high quality competition in a well-run carnival environment.

Grouped into pools of five, Pacific had a tough draw against some very high quality rugby schools. In the pool were Shore College (Sydney), Cranbrook School (Sydney), St Pius X (Sydney) and Lismore City Rugby Club. Following the pool draw, Pacific played against Redfield College for the final game.

First up on the Saturday morning Pacific played Cranbrook School. The game was always going to be a tough one against a quality opposition and sadly Pacific went down 22 – 0.

Pacific only had a short break before our second game of the carnival against St Pius X. The team was keen to turn things around from our first game loss and started the game well, scoring in the

first few minutes. From there St Pius X were able to strike back scoring two quick tries to take the lead 12-5. Unfortunately, due to injury, the game was called off early and the score remained the same resulting in Pacific losing.

After the first two games, Pacific was looking for their first win to restore some confidence in the team. Between games, Pacific was able to spend some time working on defensive strategies. The third game was against Lismore City and Pacific played as if they were a completely different team! Defensively, Pacific was able to dominate the Lismore team and had a number of scoring opportunities but unfortunately could not capitalise on these. The game was very tight and both teams were unable to cross the oppositions line results in a 0-0 draw. Though Pacific had to share the points, the team's confidence had improved as they had displayed a much-improved defensive strategy.

The final game for Saturday was always going to be the toughest with Pacific playing Shore College from Sydney, a notably strong Sydney rugby school. Pacific played outstandingly and

dominated play with tough defence and some smart attacking options. Pacific was first to score and held a 5-0 lead throughout the game. With only a minute remaining, Shore was able to score in the corner and their kicker had a sideline conversion to win the game. The kicker's conversion went wide which meant that the scores remained 5-5, which handed Pacific the win as we had scored the first try of the game. This was a fantastic result to be able to beat such a strong school and all players, coaches and parents were very happy with the victory.

The final game for the carnival was against Redfield College and by this stage the Pacific team was really starting to grow in confidence. Pacific scored four quick tries in the first half to

open up a commanding lead. The players continued the great game in the second half and ran away with a strong win 31-0.

By the end of the weekend Pacific had recorded two wins, a draw and two losses. It was fantastic to see that the team improve with each game played. All boys thoroughly enjoyed travelling away as a team and staying in boarding house accommodation whilst at The Armidale School. Trips like this could not go ahead without parent and staff support and I would like to thank all parents who made the long journey down to support the team during the weekend. I would also like to thank Mr Andrew Whiteley and Mr Matt O'Keefe who gave their time as coaching staff. I know there are a number of boys who are already looking forward to the Armidale trip next year!

Mr Darren Hooper, Head of Junior Sport

.....

Junior Sport

Welcome back to another great period of sport in Term 2!

Cross Country

This Friday is the rescheduled running of the Year 3-7 Cross Country Carnival. Students will move over to Meridan sports fields at 10.45am for races to begin at 11.00am. Under 8's will run first with the U12's the last age group to compete. All Year 7 students who are turning 13 this year will need to run after lunch in the Year 8-12 carnival. Students who finish in the first six places will qualify to represent Pacific at the upcoming District Cross Country Carnival on Tuesday, 5th May.

SCISSA Sport

The first semester of SCISSA continues with Round 4 of competition taking place next Thursday, 30th April. After-school training resumes next week for all students in Years 4-6. Students participating in kayaking will once again need to catch the college bus to Lake Kawana at 3.00pm sharp for their training. A reminder for parents to collect their children from Lake Kawana at 4.15pm. All other teams are training here at the college from 3.15pm to 4.15pm.

Mr Darren Hooper, Head of Junior Sport

.....

Secondary Sport

SCISSA Football Finals

season for 2015.

This week, the open boys football team played in the grand final of the SCISSA competition at Matthew Flinders Anglican College, marking the end of the SCISSA football

The Pacific boys had a great season leading up to the finals, only losing one match in the regular rounds. The final was a very even affair, with both teams looking equally poised throughout the match. Unfortunately, it was Sunshine Coast Grammar School who struck the first goal and Pacific had to chase for the rest of the game. Even though we had some good chances at goals, Pacific ended up losing a very good match 3-0 at the final whistle.

Congratulations to all the boys who played throughout the season and especially to Mr Brendan Delaney for his efforts with the team. The boys were a pleasure to watch and their sportsmanship, attitude and skills were exemplary. The whole team conducted themselves in a very professional and respectful manner that really was of a very high standard. Well done to all.

National Swimming Championships

Over the holidays, two students from Pacific (Kaylee McKeown and Skye Norris) represented Queensland at the Age National Swimming Championships in Sydney. This is truly a remarkable achievement for both girls, as to make it to any Australian Championships in any sport is an achievement in itself. The girls both produced some outstanding results!

Skye swam in the 800m freestyle, 400m freestyle, 200m butterfly, 200IM plus three relay events. She gained a silver medal in the 800m freestyle as well as a 4th place in the 400m freestyle.

Kaylee also experienced some great success winning gold in the 100m and 200m backstroke, gold in the 200m IM, silver in the 200m freestyle and 4th place in the 100m freestyle. She also managed to break her own Australian record in the 100m backstroke (1:02:23). In the lead up to the Nationals, Kaylee broke four Queensland swim records and one Australian record in the pool. On top of these remarkable achievements, Kaylee was also named in the Queensland Schools Team to

compete in the Pacific School Games in Adelaide, later in the year.

Well done to both girls on their fantastic results. We wish them all the very best for the rest of the swimming year!

PLC Equestrian

Congratulations to Madison Layfield and her horse who competed at the Cooloola Official Dressage and Queensland Dressage Series – Medium to Grand Prix Special over the school holidays. Madison and her

horse, 'Remi Legenderry', won the first dressage event and went on to come 2nd overall in the Grand Prix Special against some very strong riders in her field. Madison and her sister Imogen now go on to compete at the zone dressage championships over this weekend. We wish them all the very best and congratulate them on their achievements so far!

Junior Basketball Program (Years 2 – 7)

The Junior Basketball Program will be running again this term.

WHO: The program is open to anyone at Pacific from Years 2-7 who would like to participate in basketball in a fun and friendly environment. All abilities and age levels are welcome to join!

WHEN: The program runs every Thursday after school (3.30pm – 5.00pm) beginning in Week 2 of Term 2 (30th April) and finishing on Thursday, 18th June.

WHERE: The program will be run on the school courts (both the gymnasium courts and the new tennis courts).

COST: Cost is \$55 (registration for eight weeks, plus own basketball, plus basketball shirt) or \$30 (for registration only).

HOW TO BE INVOLVED: To sign up, please complete the registration form and together with payment, hand it in to the school office. Please note that registrations close on Friday, 24th April. No more registrations will be taken after this date.

See Mr Hauser if you have any further questions.

PLC Club Soccer

The PLC Soccer Club are after any students who would like to play in their U13 Hammerheads team, who are currently playing in A grade competition this year. These spots are available for boys born 2002, or girls born 2001/2002. If you are interested in playing, please contact the PLC Soccer registrar, Jenny Lee, directly at jengregg@optusnet.com.au.

Mr Mark Hauser, Head of Sport

Pacific Soccer

Welcome back everyone to the start of Term 2. We hope you have all enjoyed some relaxing time with family and friends during the holiday break.

Round 5 Update – 18th April

Round 5 games were played last Saturday at venues across the coast, although being the last weekend of the holidays, several teams were missing players for the game. Despite the missing players, it was wonderful to see our teams on the field once again, enjoying their games and putting new skills to the test.

We only have a few photos to share this week, but if you have some extra shots, please share them on our Facebook page to allow the enjoyment of our players and teams to be appreciated by all our families.

In the competitive teams, our U11 Pacific Sharks had an early start with an 8.30am game at Fishermans Road against the Buderim Bears. The Sharks gave a determined defensive and attacking performance, scoring five goals and letting in only a single goal, to take a well-earned victory on the day.

Our U12 Pacific Snappers played at Currumbundi against the Chancellor Challengers. It was certainly an exciting game, with scoring chances on both sides. After 60 minutes, the teams could

not be separated and therefore shared the points with a 1:1 draw.

Our U13 Pacific Hammerheads played Nambour Bengal Tigers at Mudjimba, but were missing several players leaving only eight on the field. Despite this setback, the team deserves enormous credit for managing to score twice against Nambour. The superior numbers eventually overwhelmed them on the day.

Our U15 Torpedos were also missing a few players for their game against the table-leading Siena Fire. Although they were beaten on the day, the Torpedos showed that their teamwork and skills are continuing to develop throughout the

season, with several good attacking opportunities and another outstanding effort from Macca in the goals.

Places Available With Pacific Soccer

We are seeking one or two extra players to join our U13 Hammerhead this season. These spots are available for boys born 2002, or girls born 2001/2002.

Round 6 – 2nd May

With Anzac commemorations this weekend, no games will be played. Round 6 will continue on 2nd May, with home games at Pacific. This will also coincide with another round of fixtures for the Caloundra District Netball Association. These joint events provide a wonderful opportunity for cross-promotion between our sporting codes and also provide a promotional opportunity for the college, as they demonstrate some of the sporting facilities which are available.

Parking on Pacific Grounds

During our home games we do have some vehicles that are parking on the grassed area behind the tuckshop. These vehicles belong to committee members, who generally arrive prior to 7.00am and are only parked in this area to allow equipment and supplies to be easily transported into the canteen.

At the last couple of home games and some training afternoons, a few private vehicles have also been parking in this area. This unfortunately presents a serious risk for our players and students. During our home games, it also removes a valuable warm-up area from our competitive teams.

In the interests of player safety, could we please ask all our parents to assist us by using only the main car parks at Pacific, or by parking on Red Cedar Drive, or at the Meridan fields when Netball joint fixtures are being played.
