2025 BYO Device Specification

Junior College Device Specification

Option	Processor (CPU)	Memory (RAM)	Storage (DRIVE)	Display Size / Type
Minimum	Intel m3 / AMD R3 / Apple M1	4GB	128GB	11"
Recommended	Intel i3 / Intel Ultra 3 / AMD R3 / Apple M1	8GB	128GB	11" Touch with Pen support

Middle College Device Specification

Option	Processor (CPU)	Memory (RAM)	Storage (DRIVE)	Display Size / Type
Minimum	Intel i3 / Intel Ultra 3 / AMD R3 / Apple M1	8GB	128GB	11"
Recommended	Intel i5 / Intel Ultra 5 / AMD R5 / Apple M2	16GB	256GB	13" Touch with Pen support

Device Support

iPads and tablets are **not** supported as a main device but may be used as an additional device.

Laptops running Windows S are **not** supported but can easily be upgraded to full Windows for free.

Chromebooks (laptops or tablets) running Chrome OS are **not** supported.

Linux based Operating Systems (eg. Ubuntu) are **not** supported.

Security Software

Pacific Lutheran College requires that every main device has a security application / service installed. *Microsoft Defender* and a security monitoring agent will be installed on all main devices as part of the "onboarding" process. This applies to all devices, including BYO, College owned or leased devices.

Internet Filtering

Please note that Pacific Lutheran College only provides internet filtering while devices are connected directly through the College network. Filtering is not provided while devices are connected through a VPN or are on a different network (such as at home), including when hot spotting through a mobile device. This applies to all devices, including BYO, College owned or leased devices.

Senior College Device Specification – <u>Excluding Digital Solutions</u>

Option	Processor (CPU)	Memory (RAM)	Storage (DRIVE)	Display Size / Type
Minimum	Intel i3 / Intel Ultra 3 / AMD R3 / Apple M1	8GB	256GB	11"
Recommended	Intel i5 / Intel Ultra 5 / AMD R5 / Apple M2	16GB	256GB	13" Touch with Pen support

Senior College Device Specification for <u>Digital Solutions</u>

Option	Processor (CPU)	Memory (RAM)	Storage (DRIVE)	Display Size / Type
Minimum	Intel i7 / Intel Ultra 7 / AMD R7	16GB	256GB	13" with 4GB Graphics card
Recommended	Intel i7 / Intel Ultra 7 / AMD R7	16GB	512GB	15" with 8GB Graphics card

MacOS devices with "Apple Silicon" processors are **not** supported for Digital Solutions.
