

Preferred Suppliers for our BYOD Program

To assist families with the expansion of the BYOD program next year, the College has entered into arrangements with the following suppliers for the provision of technology devices and software:

Datacom (<https://myschoolshop.qld.datacom.com.au/pacificlutheran>)

Please use the following credentials to log onto the site:

Access Key: pacificlutheran

PIN: plcbyod2017

JB HiFi (<https://jbeducation.com.au/byod>)

Please use the following school code to log onto the site:

Parent Access Code - PACIFICLUTHERAN2018

Microsoft (<https://login.microsoftonline.com/>)

Students can login to this site using their school email address – e.g. xxxxx@paccluth.qld.edu.au, and their school network password (normally their 6 digit school ID Number). They can then download a free copy of Microsoft Office software from the Office 365 Website by clicking on the Install Office Apps button in the top right corner of the page. Both PC and Mac versions are available from this page.

BYOD SCHOOLS PROGRAMME

EDUCATION

What is JB Hi-Fi BYOD Online?

JB Hi-Fi BYOD Online provides families with access to a wide range of education-specific laptops, tablets, accessories and insurance, at an affordable price.

Products differ from those available in retail stores, as they are education specific and selected for their compatibility to your school's ICT infrastructure and curriculum, as well meeting the student's needs at home.

It's our way to help students get the best deal on technology for interactive learning.

What are Education Specific Products?

Technology devices, including laptops, tablets and accessories that are designed to enhance learning experiences.

Our devices feature:

- Robust parts suitable for school environments
- Extended battery life
- Education specific discounted prices
- On-campus prompt warranty repairs
- Speedy connectivity and increased performance speed
- School-specific software and utilities

FOR EDUCATION

WHY USE JB HI-FI BYOD ONLINE?

JB Hi-Fi Education Solutions understands that every school and every student is unique. We work with your school to tailor a BYOD programme that enhances interactive learning experiences both at school and in the home.

The customised BYOD portal provides a simple step-by-step system that allows you to purchase your devices, accessories, extended warranty and insurance all from the one place.

As a parent or carer of a student in a participating school you will have access to

A customised **dedicated online portal** for managing your device purchases

Education specific **discounted pricing**

A wide range of **accessories** to support your device

Education specific product, not available in retail stores

Extended **warranties** and **insurance** Options

Pick up from **your school** or at your local **JB Hi-Fi store**

Products **specifically selected and approved** for use by your school

Finance options including interest free finance

How it works

The online portal offers a step-by-step navigation. To pre-order your child's education device simply:

1. Go to **jbeducation.com.au/byod**
2. Enter your school code or select school lookup to find out if your school is registered for JB Hi-Fi BYOD online.
3. If your school is not registered, please use the generic programme code **BYOD2018**.
4. Once logged in, select a student programme.
5. Choose your nominated JB Hi-Fi store for pick up.
6. Follow the prompts, enter your details, then choose your products, insurance and accessories.
7. Select a payment method and complete your pre-order.
8. If you have any questions, please contact us at **jbeducation.com.au/byod** or call **1300 730 548**.
