## Round 14

Despite the threat of severe weather last weekend, our Round 14 home games went ahead at Pacific. As usual, our teams certainly enjoyed playing in the rain, which gradually increased throughout the day.

In the competitive age groups, our U11A Pacific Taipans played the Siena Panthers. Despite the points difference on the table, the game began with a close struggle for possession and position on the field. The Taipans were the first to score and with another impressive defensive effort, they managed to protect their goal throughout the game and take the points with a 3:0 result.

Our U11B Pacific Cobras played the Chancellor Commandos last weekend, a team who is currently in second place on the table. The game was another close match, which saw chances for both sides. But it was Chancellor who took the points on the day with a 3:1 win.

Our U12B Pacific Sharks played at Palmwoods, where they faced the table-leading Palmwoods Musketeers. The Sharks did well to score twice, but the Musketeers were able to score from a few extra chances, finally taking the points with a 5:2 result.

The wet weather had certainly set in by the time the final game kicked off at Pacific between our U13B Pacific Snappers and the Chancellor Challengers. The Snappers and Challengers have been closely matched in previous games, but Chancellor was on target last weekend. Despite a great team effort from the Snappers, Chancellor was the better team on the day and earned the points for this round.

## Canteen Assistance

Considering the wet and cold weather, we would like to extend a special thank you to the wonderful families from our U6 Pacific Marlins and U10 Pacific Eels, who provided volunteers to run the BBQ and the canteen last weekend. They helped to keep our players and families hydrated and nourished throughout the day! Thank you especially to Tash and Isaac, who always play such an important role in the canteen, with another impressive 7.00am – 5.00pm shift. Both students at Pacific, Tash and Isaac volunteer their time during our home games, a commitment which deserves special recognition and thanks.

## Canteen Duty – 16<sup>th</sup> July

Thank you to our U6 Pacific Marlins and U10 Pacific Eels who are rostered to provide volunteers for the canteen this weekend. Volunteers are asked to assist with shifts of up to two hours, from 7.30am to 5.00pm. A minimum of three volunteers are required in the canteen at any time, to allow the BBQ to be run, customers to be served and orders to be prepared.

The operation of the canteen is a vital role within Pacific Soccer. For this reason, we encourage all our families to provide assistance when asked by their team manager.

## Looking Ahead ...
