## Online Registrations for 2017

SCCSA is currently setting up an online registration system for 2017, which is expected to simplify the registration process and reduce the workload, especially at the start of each season. We are hoping to announce more details in the next few weeks and intend to offer a discount for early online registration when the system is live.

Finally, we must also extend our sincere thanks to the partner of our coaches, managers, volunteers and committee members. Partners equally share the workload and bear the burden of other family responsibilities when we are involved with activities for the club.
