Match Reports

The U7 Razors were down 0-3 after just five minutes of play against Caloundra Maroon, but the Razors showed massive resolve. Using their skills, bravery and positioning, they pulled back two goals by halftime. In the second half, the Razors accelerated, finishing with an impressive 6-3 win. The player awards went to Quinn, Blake, Chloe and Jackson. Blake and Chloe put the ball in the net for the first time this season, Jackson played through illness to score twice and Quinn controlled midfield admirably.

The U7 Mantarays played at Russell Barker Park again this week against Caloundra Blue and had a great game. The team is really starting to play together, thinking about their passing and using it to advantage. Our defenders were the standout performers, saving many goals. Although the score was not in our favour at 0-3, it was a close game. Player of the match went to Sam this week. Well done team!

The U8 Vipers played against Caloundra Orange, a formidable opponent. Caloundra Orange had some keen young strikers who provided plenty of opportunities for Annie (player of the match) and Hayden to demonstrate their keeping skills. Caidan was particularly persistent in his efforts to take the ball from the opposition and move it forward. Well played again Vipers in some unseasonably hot and arduous conditions.

The U9 Barracudas versed Caloundra Blue. The Barracudas played a very good and physical side and took out a 5-1 victory, which was a terrific result. Monty got another hat trick, while Kai and Joey each scored a goal. Our passing game again was a highlight. A few notable performances from our side: Carter – player of the match and his improvement from the start of the year has been fantastic; Cam – we have been working hard with Cam to get him to release the ball from midfield and on the weekend he was fantastic and was unlucky not to score; Nic – he is looking like a very accomplished midfield player and his passing and game awareness are first class; Kai – scored a goal and his running game in the first half was terrific and his passing game in the second half was even better.

The U12 Pacific Cobras were back in fine form against the Palmwoods Musketeers, winning 6-1. The Cobras are communicating better with each other and using their formation and positions to great effect. Goals were recorded from Jack, Cooper and Marley. Well done Cobras!
