## Match Reports

The U6 Starfish played against a strong Buderim team who had some great dribblers and strikers. However, the Starfish's defence was superb. There was some amazing sliding tackles and commitment to get the ball. The players are all developing a real awareness of space and movement, with some already developing into natural strikers and defenders. Most of all they have a huge amount of fun. Unfortunately the game didn't go our way, but bring on next week!

The U7 Mantarays played against the Buddina Starfish. It was a very evenly matched game with our team leading one nil at half time. The Buddina goalie booted two massive kicks to see them take the lead quickly in the second half. We fought back, however ended up behind at the full time mark. Our player of the match went to Luca Francesconi-Silveira.

The U8 Vipers fought hard against the Buderim Frost and Talys (player of the match) put a couple of goals in the back of the net. Jemma was fantastic in goals and as defender and Hayden was also strong at the back and midfield. Good job team!

The U8 Seadragons played the Buderim Blizzards. We played a good match but Buderim was too strong for us. We started the match well, charging the ball and getting close to the goals with several attempts that just didn't quite make it. Well done to all. Player of the match was awarded to Jared, with our Fair Play Award going to Flynn. Seth and Blaize also took out player awards.

The U9 Barracudas played the Buddina Dolphins, who are currently the best team in the division. You find out more about your side when you lose than when you win; and we battled away bravely all game, eventually loosing 5-2. The opposition coach described us as the best team they had played this season. A special mention to Cam Costa who played terrific in centre back, Bruce McGregor who was really good in midfield, Carter Boland who battled away at left back all game and Joey Woods who scored our two goals and was dynamic all game. Well played, boys!

The U10 Seals were a little off their game early in the first half when they faced Buderim last week. In the second half the Seals had a few close opportunities to score but were kept out by Buderim's last line of defence. The stand out players were Nick, Connor, Remy and Amity who took out player of the match. Thank you also to Blake, Harry and Mason from U9 and U11 for playing the extra game for us.

The U11 Eels had a victory over a competitive Caloundra Gold team. During the first half the team had a number of great goals, all featuring strong teamwork to reach the back of the net. In the second half, Caloundra focused on marking our players, but our team didn't let this distraction take away from another solid performance. The highlights from the game were good positional play, great passing, finding players in open spaces and good defence. Well done to all players and coach Andrew.

The U12 Pacific Cobras were back in form with a fantastic performance against the high-quality Buddina Bluefins. With five players missing from the team, we were lucky to have two amazing players come up from the U11 Eels, Macey Winter-Oliver and Caleb Stennett! The whole team attacked and defended hard against Buddinna and managed a 1-1 draw, which is a good result. The team is coming together and learning from each other so well. Keep up the great work, Cobras!

The U14 Snappers faced the Immanuel Jets who are currently third in the division. The Snappers won the toss and elected to go uphill first half. Harry scored a goal in the first 15 minutes of the game and Immanuel answered with a goal a few minutes before half time. In the second half both teams battled it out and Immanuel was unable to capitalise on their scoring opportunities due to great goal keeping from Ricky. Part way into the second half, Lily chipped the ball over the goalie's head and the Snappers scored. Five minutes before full time, Immanuel scored a second goal. Due to a mighty effort from the Snapper's defence and a tenacious effort from our offence the game ended in a two all draw. Well done, Snappers!
