

College Fees 2024

Fee Schedule Background

Pacific Lutheran College receives recurrent grants from both State and Commonwealth Governments. In addition to this government funding, tuition fees are charged to enable the College to meet all the costs of running and developing a new well equipped and properly staffed College.

The College Council has adopted a **bundle approach** to fee setting, which means that, with the exception of the building, resource and technology levies, **all compulsory costs are included in the tuition fee**. The only extra costs will be uniform, workbooks and voluntary activities. For example, school camps, excursions, bus travel, entry fees are some of the items included in Pacific's fees that may be charged to families in other schools on an ongoing basis. Setting fees this way enables families to plan ahead.

Family Discounts: Where there are 2 or more children from the one family currently attending the College, the following discounts will apply to Tuition Fees only: Second child – 5% of Tuition Fees; Third child - 20% of Tuition Fees; Fourth child - 50% of Tuition Fees; Fifth and each additional child - 100% of Tuition Fees. The discounts are applied to the youngest children in the family and will cease to apply once the number of children currently attending the College is less than two. The family discount does not apply to any other fees and charges.
