

PACIFIC SOCCER UPDATE

What a fantastic day for all teams on Saturday. We had a couple of wins, but most importantly lots of laughs and fun. We also had our Photo Day which was a great success, so please make sure you have your orders placed.

We have home games this weekend, so please make sure you volunteer for field setup, packup or canteen.

World Cup Opener

The Socceroos play their first game in the World Cup on Saturday 16th June at 8pm. We are planning a social night at the PLC Gym to have some fun and watch the game. Wear your Socceroos gear (or French if that's what inspires you). It will be BYO and we'll have some games.

Stockland Awards

Please be aware that the Stockland Caloundra Awards must be redeemed by the end of June. If your child has received one of these awards please get to Stockland Caloundra ASAP, and if you are a Team Manager, please ensure that the awards are handed out this week.

U9 Vipers

The vibrant Vipers performed well against the Stella Twisters on Saturday despite going down 7-1.

The team may have only produced 1 goal, but what a beauty it was by the sharp shooting Leah.

Benjamin and Isabella once again working well together in defence and supporting the great work of goalies Blaize in the first half and Nathan in the second half. Jared, Flynn and Annie were instrumental in the middle.

U10 Barracudas

We had about 50 shots on goal; the opposition had none and we won 1-0. Hmmm! Boys the idea is to put the ball in the back of the net and save your coach getting more grey hair!

The positives is that after half the season and incessant and constant passing drills, we are starting to make our passes. Talya started passing for the 1st time yesterday. Bailey is starting to hit passes. Will is playing at very well at right back and hitting passes whenever he can. Charlie is always looking to pass and so is Bruce and finally when Mr Nick Currey decides to pass he looks about the best player in the comp!

Lads this is a passing game not a running game. If it's good enough for Barcelona FC to build their entire footballing philosophy around passing then it is good enough for Pacific FC Under 10 Barracudas as well.

Stand outs were Charlie, Taj (his best game of the season and he scored), Will and Bruce.

U12 Eels

The Pacific Eels team enjoyed a win 3-2 during their game against Immanuel Sharks this weekend. At the end of the 1st half the Eels were down 2-0. With the pressure on to secure their 1st WIN their unbelievable "Never Give UP!" characters shone bright. The Eels team rolled their sleeves up, drew a line in the sand and came out shinning scoring 3 times in the last 15 minutes to win 3-2. A truly stirring performance. Every one of the 13 players did something positive to influence the game. A few notable performances came from Bailey Teed in goals in the 1st half when he made a fabulous save from the penalty spot. Cooper Whatham in goals 2nd half was assured with good hands and he quickly transitioned us into attack with his booming right foot. It is almost as if he has an AFL background in the family the way he drop punts the ball (Cheer, cheer the Red and the White). Macey gave away 40 cm's and 20 kgs to her opponent in the 2nd half and she stuck to him like glue and every challenge involved. Jordan was very elegant in the middle of the park and his two release balls through to Max for the 1st 2 goals which were delightful; and he iced the cake by scoring our 3rd goal. Max Symes terrorized the opposition all day with his pace. He burnt the fullbacks for speed and then slowed, picked his spot and buried the ball for goals. Jordan and Max were able to get into the game based on the "gut running" of Luke Harrys in midfield. The kid ran his heart out from the 1st whistle to the last. James was assured in centre defence and held us together really well particularly in the 1st half when we were running up hill. Finally, Caleb was outstanding. He had 20 decisions to make in defense and he got them right every time. An immense performance. Go the MIGHTY EELS!!!

School Holiday Camps

K3 Coaching are offering a School Holiday Coaching Clinic from Monday 9th to Wednesday 11th July (9am to 12noon). Their ae options for 1, 2 or 3 day sessions. We will send ut flyers on facebook, newsletter and with Team Managers.
