

PACIFIC FC UPDATE (September 13, 2018)

End of Season Presentation Day – Sunday September 9

We had a fantastic day at the Kawana Indoor Sports Centre on Sunday. It has been a long season so it was great to celebrate the great year we have had, and to congratulate all the players, teams and volunteers. Special thanks to all those people who helped with setup, clean-up, serving food, kids “observations” and making sure all the kids had heaps of fun.

Seals Grand Final

Our super U11 Seals made the Grand Final this year and they played with such great spirit on Saturday. After a skilful and bruising encounter, the Seals unfortunately went down 1 goal to nil. They should be extremely proud of their season and of giving their all on Saturday. They had a lot of bumps and bruises at the end of the game and they really made Bli Bli earn the victory. Well done to all the Seals, their families and to Matt, Harrison and Chris for their coaching and management of the team. Lets go one better in 2019.

Working Bee

Even though the 2018 season is over, we will need to do some cleaning and tidying. It should not be a massive task, and if we can get a few volunteers for an hour or so, it will be easy. It will just involve sorting through some team bags, and packing away the canteen etc. We will let you know dates and times soon, but please keep in touch with your team manager or the Pacific FC media pages.

2019 Season

A great 2018 season has finished but we want to start planning for season 2019. We will offer some off season coaching over the next few months, as well as some club activities like movie nights, hikes etc. It would also be great if you could start planning your teams (players, coaches and managers) for 2019. At the start of each season it does get hectic with the new school year starting as well as holidays.

All players for 2019 will receive a Nike soccer ball and new players will receive a training shirt.

School Holiday Coaching Clinic – October

The Brisbane Roar are running a school holidays clinic on 2nd and 3rd October. Please click here [click here](#) for details.

End of 2018 Season Report

Pacific Soccer is in its 17th year, and we had 16 teams in 2017 with 164 players. We would like to thank all the children for playing and having such a great year, and all the volunteers for making it happen this year. Without volunteers it is impossible to run the club. We would like to highlight some significant player awards and also some thanks to our volunteers.
