

Vacation Care - December 2021 / January 2022

I hereby request that my child(ren) be booked into the excursions and programed activities nominated below. I understand that the children will be walking or travelling by the Pacific Lutheran College bus (seatbelts and a first aid kit on board). Staff carry a mobile if they need to contact you or if you need to contact educators for any reason. **The telephone number is 0438 115 879.** The educator/child ratio is 1 adult to 15 school aged children whilst on the College campus and 1 adult to 8 school aged children on excursions. I also understand that while on College campus, the children may go for walks in the College grounds including the Forest Boardwalk and Living Garden and other areas which are included in the OSHC licensed area. The OSHC Service is regulated by the Office of Early Childhood Education and Care. I understand that fees are payable upon receiving my statement and that all cancellations of less than 5 working days from the booking date remain payable at the full daily rate. I have read all of the program information details fully. **COMPLETED BOOKING FORMS DUE BACK BY FRIDAY 26 NOVEMBER.**
Confirmation of my child's booked days will be emailed within a week of receiving my completed forms.
