

Thank You for OCEANFest

Adults and young people alike had fun and were entertained by the various activities held as part of our OCEANFest last Friday night. It was a highly successful community event with parents, staff and students all playing their part in the three phases of preparing, conducting and cleaning up. Thank you to everyone for your contribution towards staging such an outstanding event.

Particular thanks go to the organising committee very capably led by the OCEANFest Coordinator Mrs Melissa Pollack. Staff, parents, students, College Council members and St Marks congregation members all played a significant role and we appreciate the contributions of these groups. Thank you to all of our sponsors and particularly our Platinum Sponsor New Wave Orthodontics and Gold Sponsors Zenko Yoga and Sea FM 91.9. We thank God for the giftedness and generosity of our community and for a fun-filled relatively rain free evening.

Principal's Log

Staff are currently working through data provided as a result of the NAPLAN testing conducted in May of this year. We have received the Year 9 parent reports and expect to receive the Year 3, 5 and 7 reports shortly. Once all reports have come into the college, we will post them home and make commentary.

The Year 8-12 students competed in the Independent District Athletics on Monday and Tuesday of this week. We congratulate and thank all students for their representation of the college and wish those students proceeding to District representation all the best at the regional carnival. Thank you to Mr Mark Hauser and his PE staff for their leadership through the athletics season.

This weekend, Club PLC Soccer will have their end of season break up and we thank all players, coaches and managers for helping to run such a successful sporting experience for our young people again this season. A particular thank you to the Soccer Executive Committee of Mr Ian Barnes, Mrs Jenny Lee, Mrs Louise Currey, Mrs Lala Burnes and Mrs Kelly Abraham for their excellent leadership of the club.

Partnerships are at the heart of the college and we thank everyone for the part people play on a daily basis to support young people to thrive. May God continue to give us joy and a strong sense of purpose in our service.

Dr Bronwyn Dolling, Principal

Daily Bread

You Need a Friend!

Young people need adult friends who are trustworthy. These are the adults who cherish young people and want to see them succeed. These are the adults who pray God's blessing on young people and enjoy seeing girls and boys exiting school as flourishing young women and young men.

Jesus gathered children around Him and blessed them. The disciples became annoyed by this and wanted to 'block the babies'. "Surely Jesus has better things to do than to be bothered by childish things!" they thought.

But Jesus makes a strong point of the importance of providing good lasting relationships with children. In our modern world, we are relearning the importance of positive adult role models

for children. In our modern world, we have also seen the pain caused by untrustworthy adults who have hurt children.

Jesus' strong message is for adults to bless children and to make space for children to flourish. This teaching is one of the key pillars of Lutheran schooling.

Luke 18: People were bringing even infants to Him that He might touch them; and when the disciples saw it, they sternly ordered them not to do it. But Jesus called for them and said, 'Let the little children come to me, and do not stop them; for it is such as these that the kingdom of God belongs. Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it.'

Pastor Paul Smith, College Pastor

From the Head of Senior School Students

Assessment

At this point in time, Senior College students should be well underway in working through academic assessment. At the beginning of the term, we spoke with students about the importance of time management. Over the coming weeks, it is imperative that senior students prioritise their time to complete ongoing academic assessment and revising for examinations. This might mean that students inform their employers about their academic commitments and, if possible, avoid taking on extra part-time work. I wish the senior students all the best as they continue to work through assignments and prepare for any in-class examinations.

Connecting

Over the past fortnight, there has been positive connections observed throughout the college, where students in Years 3 to 5 worked together with Year 12 student leaders to create a dragon for the 2014 Ocean Festival. Thank you to Mrs Jenny Lee and Mrs Melissa Pollock for their organisation and overall contributions for this activity.

Limelight

Thank you to Mrs Janine Delaney, Kirra Johnson and Doug Cassells for organising the Foundation Council Cup 'Limelight' event. Also, thank you to the judges on the evening (Mrs Angela Juretic, Mrs Janine Stone, Mr Adrian King and Mrs Jacqui Layfield) and students who were involved in the audition process. These finalists performed on the Ocean Festival evening. Congratulations to the winner Grace Milligan, Year 11.

Miss Kim Stone, Head of Senior School Students

From the Head of Staff and Students P-5

As this week is 'Keep Australia Beautiful', it is an ideal time of the year to focus on how, as a community, we can reduce our environmental footprint. We are continually reminded about the volume of litter (particularly plastic) polluting our beaches and waterways. According to Coast Care, about 70% of all rubbish in the ocean is originally discarded on land and includes litter washed into the ocean from storm water drains, creeks, rivers and landfill.

The environmental footprint of a school can be quite large. When a large group of individuals gather daily in the one spot, the environmental implications for water usage, electricity and rubbish generation and disposal can be large. At the college, in an attempt to minimise our environmental impact, initiatives such as collection of rainwater, the generation of electricity through the use of solar panels, a strong emphasis on recycling and supporting sustainable, environmentally friendly forms of travel are important.

Next week throughout the Junior College, a new system for recycling waste will be introduced, both in the playground and in the classroom. In each eating area, bins will be available for organic waste, recyclable waste and non-recyclable waste. In classrooms, two bins will be

provided for recyclable waste and non-recyclable waste. Initially an audit of how much organic waste is generated weekly will be carried out. This will be done to investigate the viability of installing an OCSA (On Site Composting Apparatus) which turns organic waste into clean, usable compost.

The amount of non-recyclable rubbish generated at the college is large. Much of this rubbish is generated from food wrapping associated with student's lunches. Much of this rubbish is plastic which does not readily break down and, at this stage, is non-recyclable. Unfortunately, these items can end up being washed into the ocean or being sent to landfill.

I would encourage parents to consider this when preparing food for lunches and morning teas. As a parent, I appreciate the convenience of snap lock plastic bags, plastic food wraps and fruit juice packed in tetra packs with attached straws wrapped in plastic and food presented in plastic bags.

Even though the students generally do a great job in keeping the grounds clean by placing litter in bins, unfortunately not all litter is placed or remains in bins.

There are alternatives for replacing much of the plastic used in lunches. Although the use of paper bags is not ideal, paper is certainly preferable to plastic. Re-usable stainless steel water bottles to carry juice in and stainless steel cutlery can be used instead of plastic ones. Re-washable Tupperware like containers are great for storing fruit, yoghurt, spaghetti and my favorite baked beans in. There is some most informative information on the internet regarding making eco-friendly lunches. Sites such as <http://www.youtube.com/watch?v=CJ9FXCbyUBM> provide practical ideas on making school lunches more environmentally friendly.

If every child's lunch (in Prep - Year 5) contained one less piece of plastic per day, this would equate to over 50,000 pieces of rubbish being removed from the environment annually. Remember, every little bit helps.

Prep - Year 2 Athletics

All Prep - Year 2 students are busily preparing for their athletics carnival which will be held on Tuesday, 2nd September. The carnival will start at 9.00am and will be completed by 10.30am. Parents are most welcome at this exciting event.

SCISSA Training

Parents of students in Years 4 - 6 are reminded that SCISSA training will be held every Monday afternoon for the remainder of the term and concludes at 4.15pm. Students can be

collected after training from the Prep - Year 2 car park. If you are going to be late picking up your child, please advise the college at the earliest opportunity so supervision of students can be organised.

Mr David Druery, Head of Staff and Students P-5

RAFFLEFest

The list of lucky winners can all be seen at the end of this newsletter. Thank you again to all our generous prize donors and sponsors. First prize winner is pictured here with her fabulous prize!

Congratulations to Olivia Cooke who sold the most number of RAFFLEFest tickets. The family will receive a \$120 gift voucher from the uniform shop, courtesy of Wearco Clothing; plus 2 x Zarraffa's Coffee Cards with 11 drinks on each, valued at \$100!

Mrs Tracey Hindmarsh, Chairperson Friends of Pacific

Science Fair and Expo

Tuesday, 12th August was the first Prep - Year 6 Science Fair and Expo for Pacific Lutheran College. In alignment with National Science Week, and to support our grant application, we followed the theme of 'Food for Our Future'.

It was an ambitious endeavour that involved individual entries from Year 2 to Year 6, classroom projects from Prep to Year 6 and YACHTS groups from Year 3, 4 and 5 who worked under the guidance of Mrs Julie Darr.

The hall looked amazing and many visitors commented on the 'WOW!' factor as they entered. We were fortunate to have Michelle from *Bugs Ed* who educated the students on the sustainable and delicious solution to feeding the world, which is eating bugs! Most of the students found them delicious and, by the days end, she had gone through over 600 chocolate coated meal worms.

The lovely ladies from *4 Ingredients*, *Celebrate Just Because* and *Zip Tight Lunches*, had wonderful delicious stalls and samples for all. While our own Mrs Colleen Devitt created fabulously pure ice-cream from frozen fruits.

We had many hands-on activities, with the most popular proving to be the Senior Scientists Teams who challenged the students thinking with displays on Forces, Natural Disasters, the creation of slime and a variety of balloon investigations. It was wonderful to view the interaction between the senior students and the awe on the faces of the junior students participating.

Another community member who generously gave up his time and donated gifts to our Science Fair, was Jeff from *Amazen Games and Toys*. The water rockets sent our gaze skyward in wonder and the winners of the fair were thrilled with the science games they won.

Thank you to the Year 7 and Year 11 Technology students who impressed us with their solar-powered boats and cars, under the guidance of Mr Ian Learoyd. To the wonderful parents and teachers who manned stalls, helped set up and pull down, to Coles Caloundra who donated our food and dairy supplies and to the indomitable Mrs Sue Zweck who ran our Smoothie Bike with precision and efficiency, all the while in heels.

It was a wonderful celebration of science and the capabilities of young minds challenged.

Below are the award winners of our Prep - Year 6 Science Fair and Expo 2014:

Overall Winner of 2014 Science Fair and Expo

- Jayda Lowe and Ellie Dixon (Year 5)

People's Choice 2014

- Sara Allen with Ferocious Foods (Year 5)

General Entry

1st place (tie) Lily Croke, Sophie Empson and Ariana Costa (Year 6), Evie Jaques (Year 3)

YACHTS Year 3

1st place Jewel Jamieson
Runner-Up Mya Boyall and Caitlyn Moffit

YACHTS Year 4

1st Place Ella Hansen and Ruby Anderson

Runner-Up Cameron Lane

YACHTS Year 5

1st Place Alex Papallo

Mrs Lu Pollard

Term 3 Closing Chapel

At our closing chapel for Term 3, Pacific will collect an offering of donations to support the refugees who are fleeing from the north-west Iraq war.

When: Last Chapel Friday Week Ten (September 19th)

What: Offering for Refugees in Iraq

Who: PCG and Junior Class groups are invited to gather an offering before the chapel and bring it on the day. Offerings will be brought forward during the chapel service.

Back Ground Information from Australian Lutheran World Service

Australian Lutheran World Service is responding quickly to the crisis in Iraq. Christians, minority Islamic groups and the Yazidi people are fleeing northern Iraq (where their communities have lived for almost 2,000 years) under the threat of death by ISIS. As they, and other displaced people, reach the relative safety of the Kurdish-controlled Nineveh plain, our Australian Lutheran World Service team will meet them with:

- clean water (\$38 per family) - 12,500 families
- two-month food baskets (\$53 per family) - 2500 families
- trauma counselling (\$6 per person) - 5000 people.

Our team is working with other churches around the world through ACT Alliance. Our total Australian Lutheran World Service plan is costed at \$711,000.

To find out more or to apply for tax deductible donations, please go directly to ALWS: <https://www.alws.org.au/iraq-crisis-.html>

Pastor Paul Smith

The National Self Detection Program for Adolescent Scoliosis

How Do You Detect Scoliosis?

Simply look for it! It only takes 30 seconds.

Scoliosis is a lateral or sideways curve of the spine.

It usually develops during early adolescence (age 10-13) when growth is most rapid.

The brochure, which is available at www.scoliosis-australia.org, is designed to make parents of school girls aware of the outward signs of scoliosis. This is a health promotion program recommended by the Royal Australian College of General Practitioners and the Spine Society of Australia.

Ms Sharon Dean and Mrs Maree Hooper, College Nurses

Pacific Lutheran Outside School Hours Care

School Holidays –

Monday, 22nd to Friday, 26th September

September / October holidays are fast approaching and the program is almost complete. It will be mailed out to all families already on our enrolment list on Tuesday, 2nd September and will also be available on the college website and the Pacific Lutheran College App. When you receive the program, I encourage you to read all the information carefully. If you would like your child to attend our Vacation Care program,

please come and collect an enrolment package from an OSHC staff member and fill out the relevant details.

As we are a community based centre, all school aged children from Prep may attend. This also includes children of other schools in the community.

Numbers fill quickly, so please advise days of attendance as soon as possible on or before the closing date.

Some of the fun days planned are:

Excursions to: *Big 4 Park* at Forest Glen, Caloundra Cinemas, 3D Canvas Art and Big Pineapple Zoo. We are also having a visit from the Sunshine Coast Council. They are coming to show us how to set up our worm farm and to talk to us about the importance of recycling.

As part of our quality improvement plan, we are in the process of writing a new healthy habits day program which will be in full swing next term. The program will operate once a week with a different physical activity each time and an international afternoon tea.

Pacific Lutheran Outside School Hours Care is an approved service allowing families to receive Child Care Benefit and Rebate if eligible.

Please advise if you have other siblings attending other services to apply higher percentage rates. Further questions in regards to accounts, CCB/CCR or the program, please contact Tanya on 5436 7328 or email oshc@paciluth.qld.edu.au.

Ms Tanya Seldrick

Careers Department News

1. GRIFFITH UNIVERSITY ENGINEERING ALTERNATIVE ENTRY PATHWAY 2015

The Griffith School of Engineering offers another pathway into engineering via the Aptitude for Engineering Assessment (AEA) exam. This year it will be held on Saturday, 20th September at various locations. The exam is open to current Year 12 students and mature applications.

Successful students receive a guaranteed admission into a Bachelor of Engineering with Honours program at either the Nathan or Gold Coast campuses. Applicants will be informed of their result within six weeks of undertaking the exam.

More information on the exam can be found on the Griffith website at Griffith Aptitude for Engineering. Registrations have opened and close on Tuesday, 9th September.

Applicants can register online directly to ACER at <http://www.acer.edu.au/aea>.

2. SUPPORTING WOMEN'S SCHOLARSHIPS 2015

The Queensland Government has initiated the Supporting Women Scholarships program to provide young women, who are considering future study in agriculture and environmental studies, architecture and building, engineering, earth sciences or information technology, the opportunity to receive financial support while completing tertiary study.

Scholarships of up to \$20,000 are available for study from Certificate IV level through to post-graduate level.

Applications for 2015 are now open and close at 2.00pm on Friday, 10th October. Further information about the Supporting Women Scholarship program is available online at www.supportingwomen.qld.gov.au.

Any current Year 12 female student interested in study in these areas is encouraged to apply. One of Pacific's 2013 cohort was among the 120 successful applicants for the 2013 - 2014 program.

3. AUSTRALIAN VETERANS' CHILDREN ASSISTANCE TRUST (AVCAT) SCHOLARSHIPS 2015

The Australian Veterans' Children Assistance trust is a national independent charity which administers tertiary scholarships for children and grandchildren of ex-service men and women.

Scholarship selection is based on need and merit. Applicants can be high-school leavers starting tertiary study at university, TAFE or at a private college or current university students and eligible for Youth Allowance, hence studying full time.

Scholarships are generally paid for three years and are worth between \$3,000 and \$4,000 per year.

Applications are now open and close on Friday, 31st October. The application form and further information is available at www.avcat.org.au.

4. UNIVERSITY of SOUTHERN QUEENSLAND OPEN DAY

The Springfield campus of USQ will host an Open Day on Sunday, 24th August.

5. QTAC APPLICATIONS

Although the QTAC applications are now open, the Year 12 students are advised to consult with the Career Counsellor about their preferences before completing the online application.

Time will be made available for these discussions in the weeks following the QCS test.

Applications close on Friday, 26th September which falls in the middle of the school holidays. It is advisable that the applications are completed before the commencement of the holidays.

As well as the actual QTAC applications, some tertiary institutions have extra selection criteria which is also due by Tuesday, 30th September. Students should familiarise themselves with the key dates and special entry requirements which are listed in the front of the QTAC Guide.

Mrs Ainslie Reid, Careers Counsellor

District Athletics Carnival

On Monday and Tuesday of Week 6, we had representatives from Years 7-12 represent Pacific at the District Athletics Carnival held at the Sunshine Coast University. Pacific finished 6th overall and there were some fantastic individual performances.

Notable mentions are:

Isla Gear	3 rd 13 girls long jump
Georgia Woods	1 st 14 girls 3000m, 400m, 1500m, high jump
Ethan Hall	2 nd 14 boys long jump, triple jump
Kurtis Modlin	2 nd 14 boys overall in 200m
Lachlan Barnard	1 st 16 boys triple jump
Josh Taylor	2 nd 16 boys 100m, 200m
Jono Hall	2 nd 16 boys discus
Matt O'Keefe	1 st 16 boys javelin
Jack White	2 nd open boys javelin
Steven Jung	3 rd open boys triple jump
Shamini Bradfield	3 rd open girls shot put

Depending on further results, these students will continue to Regional Trials, which is a stepping stone to State selection.

Congratulations to the athletes and staff who put in a fantastic effort in windy conditions. All students performed well and the school was represented well.

Mr Damien Johns, HPE Teacher

Why Do We Play Netball?

You may be asking yourselves . . . “Why is Mrs Fisher asking this question, when our season is nearly over?” Well, quite simply, it is one of the most highly played female sports on Saturday mornings in Australia and, at some stage, many of the women involved within our school community have dived into a bib and hit the courts on a cold, frosty morning with the poise and elegance of a dancer and the mindset of a World Cup netballer in a battle against those from across the ditch!

Not only does the sport of netball have its obvious health benefits, as stated by NSW Swifts physiotherapist Sean Mungovan, “it highlights that girls who are physically active, including those who play team sports have a reduced risk of obesity, diabetes, depression and low self-esteem . . .”

Here are some of the reasons why I, and others, play or played netball and encourage many others to do so:

1. Sharon Strzelecki proved that netball welcomes all. It is all dependent upon your ‘mindset’. She is short and round in stature, however, she plays goal-shooter and is very, very like good and stuff!
2. As stated by Kate Hunter of Mamamia, “Women organise netball. I’m sorry if this offends, but it makes a difference. My daughter’s games are the same time, same place, every single week.”
3. One set of rules fits all.
4. Netball is about respect and confidence. People keep playing netball for the joy of it, not for the drinks afterwards.
5. Netball is the only sport where players get a manicure before the game and welcome the last minute nail inspection as you run on court!
6. No netball player is in the media for any type of abuse or unethical behaviour.
7. Labels can be a good thing. Knowing who the GK is and who the WA is, means there is little room for argument. We all know in which third we stand. If only life was that simple.
8. Our uniforms are in no way viewed as sexualising in any way, shape or form.
9. Major league teams have lovely names - Diamonds, Firebirds and Kestrels. This makes a refreshing change from the angry animals of our national football league - Bulldogs, Sharks, Bears and Eagles. At Pacific, we have

equine names on Saturdays such as Pintos, Colts, Horses, Mustangs and many more.

10. Boys are welcome. Mixed netball is thriving!

So, as your children are growing up in front of your eyes and you are looking for a winter sport that will enable them to grow in a competitive, yet friendly environment, netball is one to consider. At Pacific, our netball has grown in both numbers and strength with our first foray into squads at the end of this year for the 2015 Monday Night Competition. Next year will also see us continuing our training by developing the skills and drills we picked up on our last New Zealand experience, whereby we had three very successful, competitive teams for 2014.

Yours in a pleated skirt.

Mrs Toni Fisher

Pacific Soccer Update

Round 18 - 16th August

The much needed rain waited until after OCEANFest 2014 on Friday

night, but finally arrived on Saturday morning which meant that many teams were not able to play their final Round 18 game of the regular fixtures.

In the competitive teams, our U11A Pacific Sharks were in fifth place after Round 17, just one point behind Siena Hot Shots. Their final Round 18 game was against Siena and therefore the winner would take fourth place and progress into the finals.

This game could not be played last weekend and was, instead, played on Tuesday night. Based on previous encounters, these teams were evenly matched but, unfortunately, despite a sustained effort from the Sharks, Siena was too good on Tuesday night and took the game to secure fourth place on the table.

Although the fifth place finish for the Sharks will bring an end to their 2014 season, the players deserve enormous credit for the wonderful team effort they have shown throughout the season and for the steady improvement they have achieved. Although the Sharks have been playing in the U11A competition, the team is entirely made up of U10 players and playing on the full-sized field has been a big challenge for everyone. However, the Sharks will be able to play U11 again in 2015 and their hard work this season will certainly benefit the team. Everyone is now looking forward to seeing them on the field again next year.

Thank you also to coach Mr David Becker for the way he has encouraged and guided the Sharks throughout the 2014 season which has created such a united team who clearly have enjoyed playing for each other on the field.

We have not seen many photos from the U14A Pacific Marlins in 2014 and, although they could not play their final Round 18 game, thank you Rae and Shelagh for sharing photos on our Facebook page from games earlier in the season.

Our U11B Pacific Snappers finished the regular season in clear second place and will be progressing into the finals series. Although they also missed their Round 18 game last weekend, the result did not affect the table and therefore the game was not replayed.

After 17 rounds, our U12B Pacific Hammerheads could not be overtaken at the top of the points table and, although they missed their Round 18 game, they have finished the season as the Premiership team. Not only will the Hammerheads be progressing into the finals series, they will also be presented with medallions at the Adermann Awards nights in recognition of their impressive achievement.

Our U14B Pacific Seahorses also missed their Round 18 game last weekend and have finished the 2014 season in fifth place. Although the Seahorses will not be playing in the finals this

year, we would like to express our gratitude to all the girls in the team and for the enjoyment you have provided for our spectators this season.

This has been the Seahorses' third season in the SCCSA competition. The spectators have always appreciated the way the girls have played the game, the speed and energy they have shown and, most importantly, the positive spirit in which their games have been played. The latest Fair Point Rankings have the Pacific Seahorses in third place out of 133 teams, and in sixth place overall, which demonstrates the enormous respect which everyone from Pacific Soccer, as well as the spectators and officials from our visiting teams, have always expressed.

A big thank you must also go to the manager Mrs Nicky McAleer and coach Mr Craig Abraham, who have guided the team throughout this season. Craig is also coaching the U12 Hammerheads which has presented challenges. Thank you both for your contribution to the team and the club.

The U14 Pacific Marlins were upgraded to A grade this season which has been a challenge with 11 x U13 players in the side. However, the players deserve enormous credit for the determined effort they have all shown on the field and for their continuous improvement as a team throughout the season.

The Marlins have had many close games against the top-ranked teams in this age group, with many scores within a single goal of the opposing team. Although the Marlins will not be playing in the finals this year, we would like to thank the players for your efforts on the field and the supporters for your encouragement and contribution throughout the 2014 season.

Representative Trials for 2015 Season

SCCSA have announced the representative trials for 2015 will be held on Saturday 11th, 18th and 25th October commencing at 2.30pm for U10 Sth to U13 Sth (born 2002-2005), and at 4.00pm for the older age groups (born 2001 and earlier).

Representative players from 2014 are not automatically selected for the 2015 season and therefore all interested players are encouraged to come along to the trials if you would like to have the opportunity to represent Sunshine Coast South in 2015. A copy of the program will be sent directly to each of our Pacific Soccer families.

SCCRA Referee Course

Sunshine Coast Churches Referees Association will be holding an Introduction to Refereeing Course on 13th and 14th September. The course is open to anyone aged 14 or older in 2015 (born 2001 or before). The \$35 course fee will also be subsidised by Pacific Soccer for any players who would like to take part in the course and extend their involvement with football.

A copy of the registration form has been sent directly to each of our Pacific Soccer families but, with only 25 places available, if you are interested, please complete the form and forward it to Lynne Reeves (SCCRA secretary) without delay. Please let us know if you have any queries.

Rooball Carnival - 23rd August

A final Rooball Carnival will be held on 23rd August and provides a perfect way to end the 2014 season for our U6-U10 teams.

Pacific Soccer will be hosting U6 teams at Pacific for the carnival. Our other Rooball teams will be playing away at other fields across the Coast. The venues and times will be confirmed this week.

- U7 Seals, U7 Stingrays at Chancellor
- U7 Swordfish at Stella Maris
- U8 Orcas at Sienna
- U9 Taipans at Bli Bli
- U10 Pythons at Palmwoods

Each manager will have game times, or visit www.SCCSA.org.au or call us for more info.

Pacific Soccer Canteen

With only five teams playing at home this weekend, the volunteers in the canteen will be stretched more than usual.

PLEASE PLEASE if you are able to help out, we would really appreciate any assistance which other families can provide, either in the morning or the afternoon, to help to ease the burden on our existing volunteers. Please send Kelly a quick email to let her know you can assist and help her relax a little in the lead up to the carnival this weekend.

Semi-Final Games - 23rd August

Pacific Soccer will also be hosting Semi-Final games at Pacific on 23rd August. Our U11B Pacific Snappers and U12B Pacific Hammerheads will both be playing at home and we will also have three additional games between visiting teams. The first game kicks off at 8.30am and the Pacific Snappers will play the final game which starts at 2.55pm.

End of Season Breakup - Sunday, 24th August

Our breakup for this season will be held on Sunday, 24th August at Pacific, starting around 12.00 noon and ending by 4.00pm. At the

breakup, we will have a free BBQ with fun activities to keep the kids entertained. So bring along a picnic blanket and enjoy a relaxing afternoon in the sun. We will also

be presenting trophies and team photos to each team, as well as awards to recognise the special contributions which players, team officials, and other supporters have made for their team, and for the club throughout the season.

Pacific Soccer AGM - Sunday, 24th August

This year Pacific Soccer's AGM will be held on Sunday afternoon 24th August while our players are enjoying the breakup fun. As usual, all committee positions are declared vacant at the AGM. We will accept nominations and elect specific positions for the 2015 season, including President, Vice President, Secretary, Treasurer, Canteen Convenor, Equipment Officer and Coaching Director.

Pacific Soccer would also appreciate the assistance of anyone who would like to be on the committee and perhaps take on a single task for the season. Specific tasks such as co-ordinating the Bunnings BBQ, Pie Drive or Break-Up Day, do not take a great deal of time and, if one of these smaller tasks could be co-ordinated by a general committee member, the workload on our existing committee members (we currently only have five members) will be eased significantly.

Thank you for the offers we have already received to assist with various tasks during the 2015 season. Please remember that with more committee members, the decisions which the club makes and the roles which it undertakes, will be easier to organise which will assist the running of the club and the services which it is able to provide for our players.

Please let us know if you require any additional information regarding specific tasks or roles within the Pacific Soccer committee.

Equipment Return

With the completion of the final games for the 2014 season, could we please ask the coach and manager of each team to return your team bag, jerseys, balls, pop-up goals and other equipment to the Pacific Soccer shed.

Since most teams will be finishing this Saturday, could you please bring along all team equipment to the break-up day on Sunday, 24th August. Each team bag has a check list attached

to ensure all items are returned on the day. If you have any queries, please contact us as soon as possible.

Preliminary and Grand Finals

Preliminary Final games will be played on 30th August and the Grand Finals on 6th September.

Adermann Awards - 13th September

The annual Adermann Awards will be held at the Caloundra Events Centre on the evening of Saturday, 13th September to celebrate the outstanding performances throughout the 2014 season. In addition to awards for the Premiership teams, the Grand Final winners and the runners-up in each age group, the Adermann Award and the Terry Reynolds Award will be presented on the night.

Several players from Pacific Soccer are generally nominated each year for these awards and SCCSA will be advising players in writing this week if they have been nominated for an award.

Tickets for Adermann Awards

Tickets for the Adermann Awards are always hard to obtain. This year, Pacific Soccer has tickets for only a few award nominees and players from two teams. Tickets will be issued in the order in which bookings are received, but will also be based on the following order of priority:

- Award nominees
- Players
- Coaches and Managers
- Parents

A booking form will be sent to Award Nominees, U11B Snappers and U12B Hammerheads, but it is important that tickets be ordered and paid for without delay. Sadly, not all parents will be able to attend but previously we have received sufficient tickets to allow a few team officials and parents to attend and their role was then to help to supervise the players for the night.

Thank you for your involvement and support of Pacific Soccer. We hope that the 2014 season will be an enjoyable and fulfilling one for you and your family.

Thank you also for all the assistance which our families have provided for the club throughout the year and we hope you enjoy the next few weeks as we celebrate our season break-up and we support our teams through the finals series.

Mr Ian Barnes, President

Did You Know?

... The dot over the letter 'i' is called the tittle.

Uniform Shop

The Uniform Shop is open every:

Wednesday	8.00am	to	9.30am
Thursday	8.00am	to	9.30am
Friday	8.00am	to	9.30am

Warm, knitted scarves are available at a cost of \$25.50 for those feeling the cold weather.

Orders can be placed on-line through flexischools.com.au and will be delivered to your child the following day.

Mrs Donna Hollindale, Uniform Shop Coordinator
