

## Pacific as a Peace Place

Since its inception, Pacific has adopted a proactive stance against bullying through living to the motto, Pacific As A Peace Place. In the lead up to the National Day Against Bullying and Violence on Friday, 20<sup>th</sup> March, our students have engaged in a variety of activities this week aimed at bringing the community together. These have included musical performances, senior students writing junior students a letter and each class and pastoral care group decorating a piece of a giant jigsaw in the theme of 'peace' before it is combined as a picture on the wall outside the Middle College office.

One of the core values of the college is to respect the worth and dignity of all people. As we celebrate this week, we are reminded of God's grace and love for all people. This is the light that enables us to gently reach out to bring people together. Respect, connection and inclusion are contagious.

## Principal's Log

Middle and Senior College parents should have received an email about the Mindstar program that will be conducted at the college next term. This program, developed by Mr Aaron Williams in conjunction with the University of the Sunshine Coast and the University of Queensland, provides a series of online sessions that equip young people with strategies to think calmly, find places of stillness, reduce negative self-talk and identify values. It is a pilot program focused on enhancing young people's sense of wellbeing that will also provide online support with trained psychologists if needed. This is an exciting innovation for the college led by Mr Brendan Delaney. Parents of children in any year level are invited to attend an information session on Thursday, 26<sup>th</sup> March where Mr Aaron Williams will share the online materials that the Middle and Senior College students will work through. Parents will then have the opportunity to provide feedback about the program. We look forward to this exciting innovation making a difference for young people and their families in the coming weeks.

There was a great buzz around the college on Saturday morning as the Club PLC Soccer and Caloundra Netball Association held their games at the college. It was great to

see the college being able to support our local community in such a visible way. Thank you to all those parents from our soccer and netball clubs who helped the day to run extremely smoothly. A particular mention to Mr Ian Barnes and his team who were at the college at 6.00am to set up and ensure the day went well.

On Monday we welcomed our new Property Manager, Mr Bruno Cirillo. Mrs Julie McCosker has also been appointed as the new Service Leader for the Early Learning Centre. Mrs McCosker will commence in April. In the meantime Mrs Sue Zweck continues to provide valuable leadership in this area.

Staff and students have been busy completing assessment tasks over the past fortnight. It has been very good to see the number of students accessing outside of class support to improve their learning. We would encourage all junior and middle college parents to take the opportunity to engage in parent teacher interviews in the weeks commencing 23<sup>rd</sup> March and 30<sup>th</sup> March respectively. Details about booking for the Middle College interviews are now available.

It was a delight to experience the energy of the Friends of Pacific meeting on Tuesday night. Those present enjoyed the

presentation by Mr David Druery and Mrs Sue Zweck on the college's plans for recycling and community gardens. Mr Druery has led the way with some very innovative thinking about recycling within the college that will continue to unfold over the coming months. Mrs Zweck shared her passion for the learning potential provided by a long awaited vegetable garden. We look forward to seeing these innovations continuing to unfold.

May we all be people who promote peace in our places. We pray that God would equip us all with eyes, hearts, hands and feet to bring people together for good.

### St Patricks Day

People know that St Patrick is associated with Ireland. People know that St Patrick is acclaimed as the man who drove the snakes out of Ireland and he is called the 'Patron Saint' of that land. What is not commonly known about St Patrick, is his enormous influence on Christian schooling.

Patrick and his followers established places of learning right across Ireland. People today call them monasteries but they were actually more like schools in our modern sense. In Patrick's schools, young people and teenagers were instructed in basic literacy and numeracy, along with Biblical studies, leadership and citizenship.

As this "schools movement" spread across Ireland and Wales, it flourished and then spread into Europe. A map of Continental Europe from the early middle ages will show the locations of the many new places of learning that the Irish and Welsh educators established, as they carried their "mission to teach" across their known world. Many, many of the great European university towns of our modern era, were actually begun as Celtic schools. Both Martin Luther's home university town Erfurt, as well as his place of work, the university town of Wittenberg were originally Celtic Colleges established by the Irish and Welsh.

So, in a very real way, St Patrick's Day is also a celebration of us at Pacific. We are people who have received from St Patrick's tradition, a commitment to quality education in a Community under Christ ... For that was certainly what was at the very centre of the Celtic Educational Community - life under the loving lordship of Jesus Christ.

One irony about St Patrick's work is that he did not write a lot, himself. We have only a few documents that are attributed to his own hand. One of them includes a prayer that has

encouraged and uplifted many people who have prayed the words of this world famous Christian educator:

"Christ be with me, Christ within me;  
Christ before me, Christ beside me.  
Christ to win me;  
Christ to comfort and restore me;  
Christ beneath me, Christ above me.  
Christ in quiet, Christ in danger;  
Christ in mouth of friend or stranger.  
Christ in hearts of all that love me.  
Christ be with me."

## From the Head of Staff and Students P-5

Last Friday, the college (with the support of the Sunshine Coast Council) participated in National Ride to School Day. Thanks to the many parents who took the time on the day to ride to school with their children. Designed to encourage students and parents to travel to school in modes more environmentally friendly and health benefitting, the day was a great success.

### Parent Teacher Conferences

Research continues to recognise the important role that parental support plays in creating an environment in which children can achieve their academic potential. Next week, parent teacher conferences will be held for P-5 students. The conferences provide an ideal opportunity for parents, teachers and students to discuss each child's progression and development. I would encourage parents to attend these conferences as an important element in each child's academic development. Due to parent teacher conferences occurring, there will be no SCISSA training for students in Years 4-6 on Monday, 23<sup>rd</sup> March.

*Mr David Druery, Head of Staff and Students P-5*

## Food for Thought

Gratitude Is the Gift That Keeps on Giving

Life is a reflection how we perceive it. Our attitude influences our reality. Simply, by inviting the power of gratitude into your life, you will improve your whole family's sense of purpose and quality of life. Research suggests that maintaining an attitude of gratitude can improve psychological, emotional and physical well-being.

## Friends of Pacific

Meeting, Tuesday 17<sup>th</sup> March

Thank you to everyone who attended the meeting this week; it was a very full room and lovely to see some new faces!

It was great hearing about what has been happening in our college community and Mr David Druery's and Mrs Sue Zweck's presentation on the recycling program and planned garden was very informative.

We also discussed the upcoming annual Golf Day, which will be on Sunday, 17<sup>th</sup> May. Please keep a look out for further information on that event in the coming newsletters.

Due to the Easter break there will be no meeting in April. The next meeting is scheduled for Tuesday, 19<sup>th</sup> May.

We look forward to seeing you there!

*Mrs Tracey Hindmarsh, Chairperson - Friends of Pacific*

## Year 10 Industrial Tech

A small group of Year 10 Industrial Technology students have made a table for the Japanese room over the last six weeks.

It was a good example of cross-curricular learning and community projects.

Mrs Hauser is very excited to use the table as a new teaching area in the Japanese room!

*Miss Marnie Finter, Industrial Technology Teacher*

## Year 1 History

This term, the Year 1 class has been investigating the 'olden days'. At their age, they consider anything prior to 2010 as 'history'! Our little historians brainstormed the types of information they would like to obtain. They had lots of interesting questions such as 'what were cars like?', 'what games did children play?' and some really curly ones like 'what did iPads look like in the past?!'

To answer these questions, we asked parents to send in toys and photos from the 'olden days' and we were also very fortunate to have some grandparents visit to share stories about their own childhood experiences. Grandmothers Geraldine and Margaret told us stories of growing up in houses without electricity or running water, walking to school and even swimming through flood water to get home from school. They told us that the best thing about the past was all the free time to play outside.

*Geraldine*

## Library News

### Lunchtimes in the Library

Take a look at the range of activities happening in the library at lunchtime.

### Murder in the Library

Last week, two of the Year 10 classes participated in a game of "Murder in the Library". The purpose of the game was to teach research skills and familiarise students with the many resources available to them through our library web site such as LibGuides, databases such as eLibrary and Library Webs, our online encyclopaedia World Book and our ebook platform, Overdrive. Students had fun competing to see who could use their research skills to be the first to unmask the killer.

*Ms Nell Keen, Teacher Librarian*

## Congratulations

Over the weekend, two Pacific Lutheran College students were awarded medals at the Australian College of Music. The awards recognise the hard work of students who achieve good results. There are a variety of awards available to

students. Year 6 student, Indie May Temenes, won a gold medal in the Speech and Drama Prep 4 category while Year 6 student, Georgina Jones, won a silver medal in the same category. The awards are based on student's exam results from last year. Well done to Indie May Temenes and Georgie Jones on this fantastic achievement.

Congratulations to Drew Russell, an ex PLC student, who won a gold medal in the Grade 7 Performance Skills.

## Junior Sport

### SCISSA

The first round of SCISSA took place last week with games against Suncoast Christian College. From all reports, Pacific teams played well with quite a number of teams recording great wins. This week, teams are playing Sunshine Coast Grammar School. A reminder to all parents that due to P-5 conferences occurring next week, there will be no Monday afternoon training for all teams and sports.

### Cross Country

The cross country carnival is fast approaching with the Year 3-7 cross country carnival taking place on the last day of this term (Thursday, 2<sup>nd</sup> April). The carnival will be run over at the Meridan sports fields behind the college and will begin with students moving over to the venue at 10.45am. A letter with more detailed information has been sent home with students this week outlining times, distances and the course.

## Swimming

Well done to Tom Chapman, Aviva Kelly and Jayda Lowe who competed at the Regional Swim Trials recently at Caboolture Aquatics Centre. Both Tom and Jayda were selected in the Sunshine Coast team from this carnival to compete in the state championships. Tom will swim in the 10 years boys 50m breaststroke and Jayda in the 11 years girls 50m and 100m breaststroke. Well done to all three of these students on their swimming achievements.

*Mr Darren Hooper, Head of Junior Sport*

## Secondary Sport

### Volleyball News

Well done to all of our teams for their participation in the SCISSA competition so far. There is only one more round of games next week, where Pacific is versing St Andrews

Anglican College on the PLC courts.

This will be the final games for our teams and should be a great end to the season, with some high quality games to be played in the final round.

Well done to the 9/10 girls, 11/12 girls and 11/12 boys who all recorded wins against GCCC this week. All the best to all teams for your final games next week.

This week, the open boys and girls volleyball team challenged the staff to a staff v students volleyball match. The students put up a good fight in each of the three sets, however it was the staff who triumphed 3-0 in the end. Well done to all who played. Most Valuable Player of the game was our volleyball coach - Mrs Debbie Turner (from the staff team). Well done staff!

### Open Boys and Girls SCISSA Soccer

This week, the open boys played a very important match against St Andrews Anglican College in the SCISSA football competition. The winner of this match would more than likely progress through to the Grand Final against Sunshine Coast Grammar School in Week 10 of the term. The boys (which are a young team comprising mainly of Year 11 students) were up 1-0 at half time. In a fantastic match, the opposition scored

the equalising goal with minutes left. Unfortunately, neither team scored again and the game resulted in a 1-1 draw.

Next week, the open boys team play against Immanuel Lutheran College in their final regular game of the season, before finals matches are announced. The open girls have qualified for the Semi Finals, and will take on Immanuel Lutheran College or Sunshine Coast Grammar School next week. All the best to both teams.

## Rugby

The schools rugby season kicked off this week, with Pacific playing against Siena Catholic College in the first round of the competition.

Both teams played at Immanuel and recorded great wins in their opening games. The U13 boys were dominant and played some great rugby, winning 26-0 in the early game. This was a great team performance and a great start for the young boys. Then, the First XV team played a strong match and were victorious 22-0. Well done to both teams and a big thank you to their coaches, Mr Andrew Block, Mr Darren Hooper and Joel McCarron for their work and effort with the boys.

Next week, they take on Unity Catholic College at Unity. All the best!

## Year 3-12 Cross Country – 2<sup>nd</sup> April

On the last day of this term (2<sup>nd</sup> April), all Year 3-12 students will be participating in the Inter House Cross Country Carnival. Students will compete in age groups from 8 years through to open boys/girls. The 8 - 12 years events will take place from 10.45am - 1.00pm and the 13 years - open races will go from approximately 1.30pm - 3.00pm.

This year, in the 13 years - open age divisions, we will be running the carnival in a slightly different format. There will be two events on the day:

1. **The Championship Event**, which involves those who are serious runners who want to compete for Age Championship medallions, a spot in the school team and for extra House Points. There are big points up for grabs to all who compete in this race. 1<sup>st</sup> receives 30 points, 2<sup>nd</sup> 25 points etc, all the way down to 9<sup>th</sup> – 15<sup>th</sup> receiving 5 points. Each house MUST field five runners from each age group and gender. This event will be run as one single race, but scored per age group.

2. **House Participation Event**, whereby ALL other students who are not running in the Championship Event will run a 3km course. The first House that gets a certain number of runners across the line will receive 200 house points (2<sup>nd</sup> gets 150 and 3<sup>rd</sup> gets 100). Then, all other runners who cross the line within 25 minutes also receive a house point. Therefore, it is important that ALL students participate and run to the best of their ability.

It is compulsory for all students to attend and participate in the cross country event.

Mr Mark Hauser, Head of Sport

## Monday Night Netball

This week, we recorded three wins out of six games! All teams played extremely well!

PLC 6 won 25 – 12, Most Valuable Player was awarded to Georgia.

PLC 5's Most Valuable Player was awarded to Charlotte Ker.

PLC 4 had a win 24 – 20, with Coach, Taleah Shelley, awarding Most Valuable Player to Brooke Graver.

PLC 3 played another hard match and fought to the very end. Joint Most Valuable Player was awarded to Olivia McCluskey and Chloe Southern.

PLC 2 had a close win 21-19 and PLC 1 made Matthew Flinders Anglican College work till the very last centre pass,

but unfortunately couldn't get up on top. Most Valuable Player was awarded to Jazzy Turner, who played out of position the entire match but was a key player through the mid court.

Well done to our players and coaches! See you all at training this Friday.

*Mrs Leigh Drogemuller*

## PLC Club Netball

Over the weekend, Pacific Lutheran College played host to Caloundra's Saturday Netball Competition, joining with Saturday Soccer. The college was buzzing with young athletes, excited to play their first round of netball for the 2015 season.

All seven courts were utilised from 8:30am through to the last game, which commenced at 2:30pm. PLC teams proudly represented the college and the club and although Round 1, Round 2 and Round 3 are graded games, all teams played extremely well, with big wins from both our Senior and Junior divisions.

All players should be very proud of their efforts and how they represented themselves and the club.

PLC Thoroughbreds (aged 15 years) had a big upset win against Meridan Geckos, winning 21 to 5. All players were required to play a full game, with both key defense players, Sophia Rule and Charlotte Empson nursing injuries.

PLC Colts also played a very hard game, in a higher division than they have been used to. Though they didn't come out on top, Coach Chrissy Hughes, was very proud of how they handled the playing conditions.

The PLC Mustangs won 9 - 6 to Golden Beach Lava. The Stockland Spirit Award was presented to Aviva Kelly, chosen by coach, players and supporting parents. Congratulations, Aviva. A special thank you and mention to Amie Hague, who played a second game to make up seven players on court.

The PLC Fillies defeated the Currimundi Lions 8 goals to 7 goals and Ruby Akporhonor was awarded the Stockland Caloundra Spirit Award. Congratulations Fillies.

PLC Brumbies lost 8-1 but the score didn't reflect how well they played on court. The Brumbies had great ball possession and looked like a great team. Keira Hickey received the Spirit Award for Round 1, as she had a fantastic game in wing defence.

PLC Unicorns played their very first full game against the Tibro Amber. Coach, manager and parents were all proud of the little ones, as they worked so hard to learn rules and play their very best, even though the game was not scored. Tiffany O'Connor received the Stockland Caloundra Spirit Award.

*Mrs Leigh Drogemuller, PLC Club Netball Secretary*

## Pacific Soccer

Round 2 last weekend saw our 17 Pacific Soccer teams playing at home again which provided a whole day of excitement for our players, many spectators and the teams and families from other clubs across the Coast.

The day was made even more exciting because we also had Round 1 games of the Caloundra District Netball Association being played at Pacific. Have a look in the PLC Netball update in the newsletter to see some of the action on the courts.

The added spectacle of seeing so many players preparing for their games and enjoying their sport and the day in the sunshine was wonderful to see, and was a credit for the organisers from both sporting groups.

Pacific Soccer would like to thank the volunteers from all our families, and especially our PLC Netball families for running the canteens throughout the day. This allowed the day to be an outstanding success for both sports and has been a wonderful promotion for the college and for the facilities and the service we provide for our students.

Our four competitive teams (U11+) played the second of their three grading games last weekend. Our U11 Sharks continued their good start to the season with a close 3-1 victory against Buderim Bears. Our U12 Snappers and U13 Hammerheads also played Buderim sides but were both beaten by better teams on the day.

Our U15 Torpedos played the final match of the day and continued to impress their supporters with their wonderful team spirit and for the enjoyment they have with playing the game, which has earned them enormous respect from many teams.

For U11-U14, the results of Rounds 1-3 do not count for the points table but are used to place each team into a grade. The points competition will start with Round 4 games on 28<sup>th</sup> March.

## Free Coaching Clinics

SCCSA has been holding free coaching clinic for our coaches to help with extra training exercises and drills. The final coaching clinic for 2015 will be held:

U6-U16 Tuesday 24 March at Multisports, Mudjimba, from 6.00pm to 8.30pm.

Places will be limited, so please let us know immediately if you would like to attend and we will reserve a place.

## Vanuatu Appeal

In the aftermath of the devastating cyclone which destroyed so many communities across Vanuatu, we are supporting a Brisbane-based campaign which is collecting donations of the following items, which will be collected and sent to Vanuatu.

- Clothing - baby items, cloth nappies, assorted clothing for children and adults, hats, caps.
- Toiletries - soap, toothpaste, tooth brushes, combs, razors, brushes, sanitary pads, washing powder.
- Medical - Disinfectant, antiseptic (Dettol), bandaids, bandages, cotton wool, Panadol, insect repellent (non-aerosol), mosquito coils, mosquito nets.

- Food - Canned foods, non-perishable foods, cooking pots, non-breakable crockery.
- Cooking - Cooking pots, non-breakable crockery, kitchen and eating utensils.
- Linen - sheets, towels, washers, tea-towels, blankets, sleeping bags, lightweight tents or ground sheets.
- Tools - Batteries, buckets, hammers, saws, screw drivers, nails, screws, rope, twine, straps, tape, pegs.
- Storage - waterproof bags, boxes or containers, zip-lock bags.
- School - pencils, rubbers, exercise books.

If you are able to help out with any of these items, please bring along to the canteen this Saturday morning. Please ensure any clothing items are washed and folded, for ease of packing and for customs clearance.

## West Ham United Players ID Camp

During the upcoming holidays, West Ham United Oceania Academy will be running a two-day Elite Player ID Camp at Pacific on Thursday, 9<sup>th</sup> April and Friday, 10<sup>th</sup> April.

The camp is designed for players aged U8 to U18 and the attendees will all receive expert coaching and training drills, under the guidance of coaches from the West Ham United Oceania Academy. Players who excel at the camp will be invited to attend the Oceania Academy National Residential Camp in Canberra later this year and may ultimately be invited to London to experience the West Ham United Academy.

Special recognition should be given to Sam Fleming, Brock Birch and Patrick Swindles who have previously taken part in the Player ID camp at Pacific (Sam in 2013, Brock and Patrick in 2014), and were subsequently invited to attend the National Residential Camp in Canberra the same year. Sam and Brock were subsequently selected to visit the West Ham United Academy in London.

The West Ham United Oceania Academy Player ID Camp has been run at Pacific for the last three years and has always been very popular. So please check the flyer at the back of the newsletter for more information and register early to avoid any disappointment.

Pacific Lutheran College has been a partner school with West Ham United Oceania Academy for several years (one of only two schools on the Coast and the only club in the SCCSA

competition). To show our support, Pacific Soccer teams have the West Ham United badge on our match jerseys.

## New Jersey Sponsors

We would like to welcome our new jersey sponsors Lever

Valuers, who have asked to sponsor a set of Pacific Soccer jerseys this year. The printing is underway and we look forward to seeing these logos on the field shortly, and for many years to come.

We still have a few sets of new match jerseys which are available for immediate sponsorship. Only one business will be advertised on each set, so if you would like to promote your business and sponsor a team,

please contact our treasurer Mrs Lala Burnes immediately.

## Bunnings Fundraiser – 22<sup>nd</sup> March

Our annual fundraising sausage sizzle at Bunnings Caloundra has been scheduled much earlier than usual this year, and will be held this weekend on Sunday, 22<sup>nd</sup> March.

We would especially like to thank our local sponsors for the supporting this event.

- 40kg of sausages donated by Snoggys Butchery (Pelican Waters Shopping Village).
- 100 kg of ice donated by Kleer Ice Supplies (Maroochydore).
- Generous support from Pelican Waters Shopping Village.

Our families and committee members will operate the BBQ during the day. If you would be able to help out in either the morning shift or the afternoon shift, please contact me directly. Otherwise, please call in, grab a snag and a drink and show your support for the club and our sport.
