

Appreciating Our Mums

It is easy to take for granted all of the small things our mums have done and continue to do for us. Often our mums are the people who do the unseen things to keep families ticking along. Certainly within our college community we are blessed to have many mums who are very generous with their time. Not only through what they do but also through the support they provide. Actions that come from a deep love for others flow gently through families and communities to help smooth off the rough edges of life. This allows the richness of life to shine.

Jesus' mum Mary was a special person in His life. He modelled for us the importance of caring for our mums even as they care for us. In His final moments on the cross He instructed John and His mother Mary to take mutual care of each other as mother and son. It is this mutuality of care that enriches our lives. As we remember our mums this mother's day we give thanks to God for all they give us and pray for the grace to give gently back.

Principal's Log

It is energising to be part of a community where parents, students and staff come together to support our community in so many ways. The Open Day on Sunday was another example of people giving of their time for the good of the community. The quality of display which provided opportunity for the development of a deep understanding of the nature of learning at the college was indicative of the thinking, creativity and commitment of our teachers. The warmth of welcome and hospitality provided by our students, parents and staff was greatly appreciated by our visitors. Students showed great pride and capacity whether through performance, supporting KLA learning areas or leading tours. Thank you to everyone for making the day a great success.

Tuesday week at our Friends of Pacific meeting Mrs Sue Zweck, Mrs Rae Hall and Ms Sue Arahill will present the first of our presentations on our new strategic plan. The presentation entitled *Enriching a Culture of Learning and Thinking* will highlight the college's plans for continuing to evolve the academic learning experiences of our young

people. Education is being challenged to optimise the learning, thinking and creative capacities of our young people to enable them to thrive in a rapidly changing world. The evening of Tuesday, 19th May will provide the opportunity to learn of the distinctive ways in which the college is moving forward in this area.

I would encourage families to invite friends to join us for this year's golf day which is promising to be a lot of fun. We are very appreciative of the support given by our major sponsor Coastline BMW and local businesses Supaview Security and Sunscreen, SecureView, Focus Family Law and Regson Fabrications for their support. Thank you to our organising committee very capably led by Mrs Mandy Hentschell and Mrs Allyson Sarvari.

We give thanks for our mums and the richness they bring into our lives. We pray for all mothers that God's love and care might flow through them to energise, repair, comfort and enrich. We also remember families who are grieving at this

time. In particular we pray for the family of staff member Mrs Lynda Lane and husband Colin whose son Adam died this week.

Dr Bronwyn Dolling, Principal

Winter Uniform

Winter uniform commences Monday, 11th May.

Senior students are to wear blazers and senior boys long pants and a belt.

All middle and senior boys are to wear ties.

Daily Bread

I Am Not God

Our devotional thread this week is 'humility'. Humility happens when we say, "I am humus". Humus is that organic mulchy stuff we find around trees and bushes in a forest. Humility is being 'earthy'. Humility is saying that I am made of the same stuff as everyone else. As Adam came from the earth, so too do I in that long line of 'human beings'. I am not God.

In Psalm 8, we find a song about this earthiness. The psalmist looks into the sky in awe. The one almighty God created all the heavenly bodies, yet God is mindful of us mere humble humans.

Even more, the good news of Jesus declares that God so loved the world that He gave His only son, so that whoever believes in Him would not perish, but have eternal life. God regards each of us with love and mercy.

I am not God – but I am dearly loved by God.

In humility, I serve God and thank God for all that He does for me.

"When I look at your heavens, the work of your fingers, the moon and the stars that you have established; what are human beings that you are mindful of them, mortals that you care for them? Yet you have made them a little lower than God and crowned them with glory and honour. You have given them dominion over the works of your hands; you have put all things under their feet, all sheep and oxen and also the beasts of the field, the birds of the air, and the fish of the sea, whatever passes along the paths of the seas. O Lord, our Sovereign, how majestic is your name in all the earth!"

Psalm 8

Pastor Paul Smith, College Pastor

From the Head of Staff and Students P-5

Congratulations to those students from Years 4-5 who represented the college at the SCIPHA Chess Tournament, held at Immanuel Lutheran College last

week. Students from SCISSA schools competed in both the open and novice divisions over six rounds. In the novice division, Pacific's team (Jacob Salvesson, Chaise Miles, Ethan Benson and Ryan Salvesson) came second out of 12 teams. Individually, the highest placed Pacific student was Jacob Salvesson who came 8th out of over 50 competitors. The popularity of chess continues to grow in the Junior College and we look forward to students participating in other tournaments throughout the year.

Allergy Awareness Week

Allergy Awareness Week will be held from 17th – 23rd May. We have a number of students in Prep – Year 5 who suffer from life threatening allergic reactions when exposed to peanuts or nut products. A number of students also suffer severe allergic reactions caused by other allergens including insect bites and other food products. In the case of peanuts and nut products, avoidance is the only way to prevent a reaction. With the increased emergence of serious allergic reactions amongst children, this issue impacts on the entire college community. It is requested that children do not bring nut or peanut products of any kind to school. Examples of products that contain peanuts are Peanut Butter, Nutella, peanut bars and some muesli bars and health bars. Please read labels to ensure that foods sent to school do not contain peanuts.

Year 4 Bike Skills

As part of the TravelSmart program, next Friday all students in Year 4 will have the opportunity to undertake a Cycle Skills Program. The Sunshine Coast Council funds the program, which is run free of charge and taught by accredited coaches. The program aims to teach all students a variety of skills so they can ride safely on off-road pathways and footpaths.

Parents are reminded that permission slips for the program need to be completed and returned to class teachers by Monday, 11th May.

Walk Safely to School Day

On Friday 22nd May, the Sunshine Coast Council is urging students to join thousands of people across Australia to walk, scoot or skate to school for Walk Safely to School Day (WSTSD).

WSTSD is a national event where all primary school children are encouraged to walk and commute safely to school. The walk is a community event that promotes road safety, health, public transport and the environment. By walking to school, you'll get some great exercise and quality time with friends and family, as well as reducing traffic congestion and pollution around the college.

Participants in the Sunshine Coast Council region are eligible to enter a prize draw. Parents should register their children online at www.sunshinecoast.qld.gov.au before 22nd May to be in the running to win one of ten kid's scooters, skateboards and other minor prizes.

If possible, parents are invited to join with their children in walking (or riding if you live too far away to walk). If you feel you live too far away to walk from home, then please feel free to meet at Oakdale Park, in Oakdale Circuit, Currimundi and join us for a short 850m walk from there. Mr Druery will be there to meet students and families at 8.00am, for an 8.05am departure. To ensure the safety of our students, we ask that children are accompanied by a parent / carer where possible.

Mr David Druery, Head of Staff and Students P-5

From the Director of Students

Centaur ANZAC Day Ceremony

The Year 6 teachers and students have developed a strong link with the Centaur Community in Caloundra. On ANZAC Day, Mrs Illott, Mr Doran and 20 students helped with the Centaur's ceremony. The speeches made by four Year 6 students at the service were very powerful:

"At 4.28am on the 25th April 1915, the ANZACS went to fight a fight of bravery on Turkish grounds, far away from Australia. Most of them were very young, only 17 or 18 years old.

The ANZACS did what many of us would never do in a million years - sacrificed their lives for their country. These men were the most brave, courageous people and had the most unbreakable bond of teamwork and mateship we have ever seen. If it weren't for those brave soldiers, Australia would not be what it is today.

The ANZAC spirit shown that day was truly astonishing, so that is why we still remember them 100 years later. Their spirit and cooperation can be a very big lesson for all of us - that we need to be strong to help each other and to work towards peace. They will always be remembered. Lest we forget."

- By Campbell Gigney

"They will never be forgotten. The ANZAC spirit and bravery is still there, lying on the shores of ANZAC Cove and in the roots of the Lone Pine. Every bullet that was shot, every bomb that flew, they kept on going, sacrificing their lives for us and for the freedom of our country.

For the lucky few that did return, the memories that they kept are beyond anything we could imagine or believe. They were unbelievably brave and courageous men and women.

We need to learn from the Diggers, that life is precious and we need to appreciate it. War is an horrific thing that we should always try to avoid. 100 years ago these soldiers showed the world what bravery really is. Now is the time to remember them and to create peace, not war.

At the going down of the sun and in the morning we will remember them. Lest we forget."

- By Cosette Winter Oliver

"To me, ANZAC spirit means bravery, teamwork and sacrifice because these young men were following their commanders and leaders without stopping or questioning them, even if it was for a huge sacrifice.

These brave men did all this for their country, mates and family. Without the ANZACS we would not be living such a comfortable life today.

This is why I acknowledge and respect the ANZACS, because I know that they sacrificed their lives for us to have good lives.

We need to remember the ANZACS now so that we do not forget what they did for us and do not have any more wars again. Lest we forget."

- By Dafydd Thomas

"On 25th April 1915 the Anzac's arrived at Gallipoli. The soldiers were brave and showed a lot of courage. They were persistent and never gave up. The Anzac's would risk their lives by fighting for our freedom. Their day would start with fighting and end with fighting. Their friends who were with them never gave up the fight and this is what kept them going. This was a time that family at home were praying for their safe return.

This year means a lot to me because it is the 100th year anniversary of the ANZACS arriving at ANZAC Cove. The mateship between the men was amazing and it was very emotional for the soldiers to see their friends get hurt, or

worse. The bravery of these men has inspired me to help others. We need to learn never to have war again. Lest we forget.”

- By Emily McKenzie

Red Shield Appeal

This week at our assembly, Captain Stuart Glover from the Salvation Army spoke to students about the Red Shield appeal. On Sunday, 31st May we will be looking for parent drivers and student collectors to support this very important community service. If you can help, please respond to the college email to let Mrs Bevis in the Middle/Senior office know.

2015 Golf Day – Sunday, 17th May

Coastline BMW 

Pacific Lutheran College and Coastline BMW would like to thank the following sponsors who have come on board to support the 2015 Golf Day:

- Supaview Security Screens
- SecureView
- Focus Family Law
- Regson Fabrications

SECUREVIEW

HIGHLY EVOLVED SECURITY

If you would like to promote your business and sponsor the event, please contact the organisers Mrs Mandy Hentschel and Mrs Allyson Sarvari at fop@pacpluth.qld.edu.au.

A reminder that registrations are now open for the event; please see the flyer at the back of the newsletter.

Mrs Tracey Hindmarsh, Chairperson - Friends of Pacific

Winner Announced!

The winner of the \$50 uniform shop voucher is Deb Turner.

Deb was one of the parents who replied to the email from the college nurses to confirm/update their child's medical details.

Thanks so much to all the parents who have taken the time to keep us informed of this important information.

Congratulations Deb!

Ms Maree Hooper, College Nurse

School Photos

Years 6-12: Tuesday, 19th May

Prep - Year 5: Tuesday, 26th May

Every child has received an envelope to place their order for individual and class photos and a flyer explaining the new online payment procedures. If you would like a family photo to be taken (families with two or more children), a family envelope can be collected from Miss Sainty in the office.

All Orders and Payments to be Made Online

Online payment is the preferred method by the photographers. When paying online, envelopes are NOT to be returned to school. Please keep them at home for your reference. **If ordering and paying for sibling photos online, envelopes MUST be returned to the college.**

The photographers have an automated system for payments by credit card. You can go online to www.advancedlife.com.au for easy to understand payment instructions. You will receive a receipt number, which MUST be written on the order envelope in the space provided.

If paying by cash or cheque, your envelope and payment is to be returned to the admin office. It is imperative they are returned by **Wednesday, 13th May**. Each child must have a completed envelope, even if you are paying for more than one student in one envelope. Envelopes are not to be placed inside other envelopes. Student order/family envelopes placed inside other order envelopes will often result in that

student missing their portraits, as they will not be discovered until after the day of photography.

Filling Out Your Envelope

'Roll Class' is your year level and class (e.g. Year 8A - not Mumba 1).

'Year Group' is eg. 8 or 3.

Students are required to wear FULL DRESS UNIFORM on either Tuesday 19th or 26th May.

Miss Carolyn Sainty, Administration Secretary

Outside School Hours Care

June / July vacation care program is available from 3rd June.

School holidays are from 26th June (student free day) to 13th June (student free day).

Pacific's Outside School Hours Care (OSHC) has just taken part in their first assessment and rating process and we are very proud of the outcome. The OSHC staff do a wonderful job and this was reflected

greatly in our rating, well done team OSHC. Thank you for your great efforts ensuring that our program and practices are embedded appropriately and positively and that our families and children are happy.

As the June / July school holidays are fast approaching, OSHC is busy putting together yet another fabulous Vacation Care program filled with lots of fun activities and excursions. We have been networking with other services in the area to source some new ideas, which has been a great experience for all involved. Many of the ideas come from the children themselves at 'Kids Klub' which we run once a fortnight. At 'Kids Klub' the children get to meet with a member of staff and a group of their peers and talk about issues and share ideas for activities and craft.

Due to the high attendance at Vacation Care it is very important that all families who wish to utilise our centre have their enrolment forms completed and returned as soon as possible. For an enrolment package please see a staff member in our OSHC room.

As it is a community-based centre, all school aged children, including Prep, may attend. This includes children of other schools in the community.

Due to increased numbers for before and after school care it is very important that you give staff as much notice of your child's attendance as possible. We understand that this is not always possible but there are a few ways that you can contact us to ensure that this information is passed on quickly. Our OSHC office phone number is 5436 7328, this has a message service which we check regularly.

Our family communication book is always available on the sign-in table and families can write bookings and cancellation information here. Please remember to avoid charges, you must provide five working days notice of cancellations.

Afternoon tea is no longer supplied by OSHC, so please feel free to bring in extra snacks items and we will store them in the fridge. We offer only a few choices for children who do not have any food or are late arrivals. If your child has any food allergies or dietary requirements please ensure that they have food from home as we may not be able to cater to them.

Please contact Tanya on 5436 7328 or email oshc@pacluth.qld.edu.au if you have any queries.

Ms Tanya Sheldrick, OSHC Coordinator

Assignment Help

There are LibGuides available for the following English novels, which were given out this week:

Year 10

- Deadly Unna
<http://libguides.pacluth.qld.edu.au/home/deadlyunna>

Ms Nell Keen, Teacher Librarian

After School Mathematics Tutorials

The college wants to support students academically and continue tutorials for students in Years 7-12 who would like extra assistance or clarification of concepts in Mathematics. These tutorials are held on Monday afternoons, in rooms L13/L14, from 3.20pm to 4.20pm. Mathematics teachers provide assistance. Students are welcome to

come along for a quiet place to complete Maths class work, homework or ask for assistance. The expectation is that students remain within the room until 4.20pm, unless picked up earlier by a parent.

If you have any queries about the tutoring, please contact me at the college or email jsteven@pacluth.qld.edu.au.

Mrs Jasmin Steven, Head of Mathematics

Science Fair Poster Competition

At Monday's assembly, the theme of this year's Junior School Science Fair was announced to students - LIGHT! To engage and involve students in the lead up to the fair next term, a poster competition will be held.

There are no restrictions on materials that can be used; it can be pastels, colours, paint or other. The poster can be completed at school or at home, but needs to be either A4 or A3 in size.

All entries must be submitted to your classroom teacher with your name and class written on the back. Entries close on Monday, 19th May (Week 5).

Once all entries are collected from your classrooms, they will be judged and the winner/s will be announced at assembly the following week.

Be creative, think about light in all its forms and Switch on Science.

Following is an inspirational picture and a Year 1 submission already received.

Mrs Lu Pollard, Year 3 Teacher

Drama Students At The Theatre

On 29th April, Year 10 and 12 Drama students travelled to Brisbane to see the new play by Matthew Ryan, 'Brisbane'.

The play explores a young boy's hometown of 'Brisbane' in 1942, going through the growing pains of becoming a major player on the world stage during wartime. The play is shown through the eyes of a 14-year-old boy going through growing pains of his own. The production was immaculate, with set, design and performer skill executed at a very high level.

This was a unique theatre experience for all of us and we were very proud of the conduct of our students.

Mrs Janine Delaney, Head of Drama

Careers Department

National Youth Science Forum

The National Youth Science Forum is a 12-day program for students who are about to move into Year 12 and are considering careers in science, engineering and technology.

Participants have the chance to visit a number of research and industry facilities, meet people from their field of interest, attend special dinners and fun events and mix with other top science students from around the country.

To be considered for the forums in January next year, current Year 11 students can apply to their local Rotary Club by 31st May.

More information is available from the National Youth Science Forum Head Office at:

Website - <http://www.nysf.edu.au/>

Email - nysf@nysf.edu.au

University of Queensland Pharmacy Experience Day

Senior students are invited to attend a Pharmacy Experience Day at PACE (Woolloongabba, Brisbane) on Sunday, 23rd August.

Attendees will experience a day in the life of a UQ pharmacy student, participate in a range of hands-on activities, explore the state-of-the-art facility and meet staff and students.

Please register early if you are interested in attending.

University of New South Wales 2016

Scholarships

The UNSW has a variety of prestigious scholarships available for high school leavers and first year students.

Students who are thinking about tertiary study in NSW in 2016 are urged to view the detailed information at www.scholarships.unsw.edu.au.

A particularly valuable scholarship is the UNSW Co-op program.

As well as its monetary value of \$18,200 p.a., the scholarship provides students the opportunity to have between nine and 18 months of relevant industry experience when studying in the fields of Business, Business Information Systems,

Engineering, Built Environment and Science. The scholarship also provides leadership and professional development training, mentoring and support throughout the program and helps with the creation of professional and social networks.

Tobi Adu from the 2012 cohort is continuing his Actuarial Studies with this program and highly recommends it to students who are active in school and/or community activities, show initiative and leadership, communicate well, achieve high academically and have a real and genuine interest in their chosen industry.

Applications are now open and close on Wednesday, 30th September. Interviews will be conducted on 23rd and 24th November.

Applications can be made online at www.coop.unsw.edu.au.

Students intending to apply must also provide a college contact who will need to complete a Schools Assessment Page. Please ask a relevant staff member if you may register their name and allow plenty of time for this to be completed.

QUT Science Technology Engineering Mathematics (STEM) Camp 2016

The Vice-Chancellor's STEM camp gives students the opportunity to taste STEM disciplines by engaging in a hands-on, intensive exploration of a project in their chosen discipline:

- Addressing environmental issues;
- Solving problems in energy, food and medical sectors; or
- Improving information dissemination and security.

The camp is fully funded by QUT and there is no cost for students to attend. The camp is open to all high-achieving Year 11 students.

Applications close on 25th May for the September STEM camp, run over school holidays.

Applications and information can be accessed at <http://www.wut.edu.au/study/undergraduate-study/vice-chancellors-stem-regional-camp>.

Ms Ainslie Reid, Careers Counsellor

Junior Sport

District Cross Country Carnival

On Tuesday, Pacific sent an excited team of 50 students to the Independent Primary District Cross Country Carnival at Buderim. Students from 10 independent schools on the

Sunshine Coast attended the carnival, which was a selection trial for the upcoming regional cross country carnival.

Pacific had a number of students who ran superbly on the day and finished in the top 10 for their age groups. This was a great result considering each race had up to 60 runners in the field. A highlight of the day was Alicia Woods finishing in first place in the 11 years girls and also Jason Wulff who placed second in the 11 years boys event.

Below is the full list of students who finished in the top 10:

- Zaida Williams – 6th place (9 years girls)
- Christian Schlotterbach – 6th place (9 years boys)
- Nikita Gallagher – 6th place (10 years girls)
- Alicia Woods – 1st place (11 years girls)
- Jason Wulff – 2nd place (11 years boys)

Well done to all students who competed! It was fantastic to see the great team spirit and cheering that was displayed by many of the younger team members on the day.

A special mention must also go to a number of senior students who helped out with the primary carnival. Prior to each race, Jake Hynes did a fantastic job warming up the younger students and Matt O'Keefe, Matt Holt and Brianna Quirey were fantastic in their roles as officials.

At the completion of the carnival, Pacific finished in fourth place overall, which was a great result for the college.

District Trials

There are a number of district sport trials coming up over the next month including Under 12 boys and girls touch football, 12 years tennis and 12 years rugby union. If your son or daughter is interested in trialling for any of these sports they need to see Mr Hooper for a permission form. Touch football trials are next Monday afternoon, so students need to collect these permission forms by Friday at the latest.

Student Success

Over the weekend, Haylie Powell represented Queensland in an interstate oztag carnival against New South Wales. Unfortunately Queensland went down to New South Wales in two out of the three games. Haylie was able to score two tries during the carnival. Well done to Haylie!

Mr Darren Hooper, Head of Junior Sport

Secondary Sport

District and Regional Representatives

Congratulations to the following students who were successful in making it into District teams for the following sports to compete at the Regional trials in two weeks: Dan Reidy (rugby), Liam Kable (rugby), Brooklyn Graves (basketball), Astonn Becker (football) and Reilly Becker (football). We wish them all the best at the Regional Trial Day 3 on 19th May.

District Cross Country

This week the Pacific Cross Country team competed at the Independent District Cross Country Carnival at Elizabeth Daniels Park. It was a very warm day, with perfect cross country running conditions. Overall, the secondary team finished 5th place, only 20 points behind 4th overall. There were some great races and a few fantastic results for the school with Jake Hynes winning his race by over 2 minutes! It was a spectacular finish and Jake never looked like losing (even after he was sent the wrong way at one point). Georgia Woods also finished 2nd in her race, allowing her to advance to the regional carnival in a few weeks as well. Mikey Gilliman also put in a tremendous effort and, at one stage, looked like he would finish 3rd however still managed a 6th place result. Congratulations to all who attended. It was great to have a full team and everyone competed well.

Rugby Update

This week, the U13 boys played against Immanuel Lutheran College on their home ground. The Pacific team has been steadily improving each week, and this week saw them walk away with a very convincing win over rival Lutheran school Immanuel (52 - 15). Special mention to Flynn Burns who was the game's leading try scorer, racking up four tries in the match! Well done to all the boys and all the best in your game next week again Matthew Flinders Anglican College (4.00pm at MFAC).

The First XV also played this week, taking on Mountain Creek State High School at Maroochydore. It was a fierce battle between the two teams - both undefeated leading into the game. The start of the game saw two teams very evenly matched but with Pacific dominating possession in the first five minutes. Unfortunately, a breakaway try from MCSHS put Pacific on the back foot early. The rest of the game was a good contest between the two schools however, despite a solid effort from all on the field, Mountain Creek ran away with the game 26 - 5. Next week, the First XV come up against rivals Matthew Flinders Anglican College (7.30pm at MFAC). All the best to all teams.

Mr Mark Hauser, Head of Sport

Monday Night Netball

Round 9 Results

PLC 1 played their best game yet against St Johns College. The final score was 19 goals to 17. Although our Open team lost, it was an exciting game and all players showed strength, courage and purpose. Most Valuable Player was awarded to Jasmine Turner, for her work in the defensive circle.

PLC 2 had a big win against Matthew Flinders Anglican College, recording 20 goals to 12. If the team wins next week they will be in contention for finals! Well done girls. Best and Fairest was awarded to Sophia Rule and the Coaches Award went to Katy Webb.

PLC 3 played a very hard match against Siena Catholic College and unfortunately lost 24 goals to 14. Most Valuable Player was jointly awarded to Charlotte Empson and Amie Thomas.

PLC 4 also lost their game to St Andrews 29 goals to 18. Most Valuable Player was awarded to Isabella Tenkate.

PLC 5 played their best game to date, with no substitutes. Although they lost to St Andrews, the team recorded their highest score of 11 goals to 22. Most Valuable Player was jointly awarded to Viv Casley and Charlotte Ker.

Lastly, PLC 6's winning streak finally came to an end in a nail biting game against St Andrews. The final score was 11 goals to 18. Georgia Barton was awarded Most Valuable Player. Fingers crossed the girls get another opportunity to reclaim top position in the grand final in two weeks time.

Well done to all teams.

Mrs Leigh Drogemuller, Teacher In Charge of Netball

PLC Netball Club

'Pink Day' - 9th May

This Saturday, Caloundra Netball Association have teamed up with other sporting clubs, leagues and associations across Australia to 'pink up' for Pink Sports Day. PLC Netball Club has decided to join in the fun by accessorising their

normal netball uniform with flashes of pink (pink nail polish, hair ties, socks, lip stick) as a show of support for people in our local community affected by breast cancer. Parents and supporters are also encouraged to wear pink! A gold coin donation per player will help to raise awareness and vital funds for Breast Cancer Network Australia.

Games will be posted on the PLC Netball Club Facebook page. Games will be played this week at the Caloundra Stadium. See you all there and do not forget to dress in PINK!

Mrs Leigh Drogemuller

Pacific Soccer

Following the severe rain at the end of last week, sadly all games at other grounds were cancelled of Friday and, although we had glorious weather on Saturday, the association had already decided to cancel the round and therefore Round 6 games will not be played.

The rain also forced the cancellation of the Caloundra District Netball games which were scheduled to be played at Pacific last Saturday. Another two rounds of CDNA games will be played at Pacific on 20th and 27th June to coincide with home games for Pacific Soccer, and we are certainly looking forward to the opportunity once again to promote interest in both sports and in the college.

PLC and Coastline BMW Golf Day – Sunday, 17th May

Coastline BMW

The Ultimate Driving Machine

A different 'round-ball' game but it promises to be a great day out for our many keen golfers when the annual PLC Golf Day is played on Sunday, 17th May at Pelican Water Golf Club.

Sponsored by Coastline BMW and hosted by Friends of Pacific, the day includes 18 holes of golf (run as an ambrose competition), with motorised cart, promotional bags, prizes, trophies and a light meal.

The day tees off at 11.00am and, with many great prizes and raffles on offer and challenges on selected holes, it will be a fun-filled day for the entire family. Registration details for teams and individuals are provided at the back of the newsletter, so please get a team together, register now and help to make this another successful PLC Golf Day.

International Champions Cup

One of the biggest sporting events on the football calendar in Australia for 2015 will be the International Champions Cup, which has expanded to allow fans to see some of the most famous European teams play matches in Melbourne in July.

Pacific Soccer has two bronze tickets to see Real Madrid play against AS Roma on the MCG on 18th July, and also has many other tempting prizes for a raffle with the following prizes:

First Prize includes:

- 2 x ICC bronze tickets to see Real Madrid vs AS Roma,
- \$150 flight voucher from Flight Centre,
- \$100 gift voucher from Crown Melbourne.

Second Prize:

- Lazerzone kids birthday party for 10.

Third Prize:

- Lazerzone 3 x mission passes and digital camcorder.

With the cancellation of the home games last weekend, 10 tickets will instead be issued directly to each team (via the manager) at training this week to allow them to be sold within the team over the next three weeks. Extra tickets can also be obtained by contacting Jenny Lee directly via email.

Please remember the final chance to buy a ticket in this fantastic raffle will be at the canteen at our next home game, on 30th May.

For more information, please see the flyer at the back of the newsletter.

Vanuatu Update

Finally, we would like to share the attached photos which show the amazing response to the recent appeal to help families in Vanuatu. The donations to the Impact Vanuatu appeal were divided into separate packages to allow distribution to families.

According to the latest Impact Vanuatu update, direct aid drops have been made to 87 families on Efate, 60 families on Mataso Island and 447 cartons of aid relief have been distributed to four other communities. This is in addition to many more instances of direct personal assistance for families and people in need.

Thank you again to all our families who were so generous in providing support for this appeal and donating much-needed clothes, household items and tools.

If you would like to provide extra support for the Impact Vanuatu appeal, or to see how the overwhelming recovery effort is continuing, please have a look at Impact Vanuatu on Facebook.

Round 7 – 9th May

Round 7 games will be played this weekend, with our 17 teams playing away games at venues across the Coast:

- U6 Flyers, U6 Razors, U6 Seadragons, U7 Jewelfish, U7 Vipers, U8 Seals, U8 Swordfish, U10 Cobras and U10 Taipans at Caloundra.
- U7 Barracudas and U15 Torpedos at Mudjimba.
- U7 Fireflies, U9 Eels and U13 Hammerheads at Bli Bli.
- U8 Stingrays at Stella Maris.
- U11 Sharks at Mooloolah.
- U12 Snappers at Noosaville.

Each manager will have game times, or visit www.SCCSA.org.au or call us for more info.

cbeattie@paciluth.qld.edu.au before Monday 26th May 2015.

A promotional poster for the musical 'The Addams Family'. The central image shows the main cast members in black gothic-style clothing, standing on a black and white checkered floor. From left to right: a woman in a black dress and hat, a man in a black suit and white shirt, a woman in a black dress with a white collar, a man in a black suit and white shirt, a woman in a black dress with a white collar, and a young girl in a black dress. In the foreground, a character in a brown, hooded costume with a black hat and sunglasses stands with their back to the camera. The background is a light blue wall with decorative white scrollwork and a string of lights. The title 'The Addams Family' is written in a large, ornate, gothic font at the top. Text around the poster provides details about the production, including the book authors, music and lyrics, and ticket information.
