

Learning Through Service

Learning through service involves our head, hands and heart. With our heads we develop an understanding of the needs of others and of the gifts that we might bring to improve their lives. There is a learning about ourselves as a connected interdependent part of humanity rather than the centre of it. We respond with our hearts as we advocate for the needs of others. We respond with love and compassion with the intent to support the growth of dignity and worth. This might involve us standing up for others or giving a voice to the voiceless. We bring our hands to share the experience, lighten the load and grow personal capacity.

Living life graciously with a servant heart is what God calls us to do. With gentle hearts, mindful minds and equipping hands, we will find opportunities everyday to make a substantial difference.

Principal's Log

The Addams Family production was outstanding. Every aspect reflected professionalism, creativity and showcased the tremendous depth of talent of the young people at the college. The timing of the humorous lines, the music, singing and dancing, the set design, makeup, costumes, character portrayal and technical components including lighting and a wonderful clip of Fester flying to the moon, created a thoroughly entertaining production. One person from outside the college emailed to say it was worthy of a QPAC production. Congratulations to Mrs Delaney, Mr King, Mrs Tuaine and Mrs Hickey for their leadership of an outstanding production. Thank you to the many staff and parents who supported the production and congratulations to our young people on their highly polished performances.

On Sunday, we enjoyed being part of the PLC and Coastline BMW Golf Day, where even the rain could not dampen the fun that was had. With over a hundred players participating, there was plenty of groans and shouts of joy reverberating across the course as bogies and birdies were scored. Through the generosity of local businesses and the hard work of the organising committee there were great prizes donated for

people to win. We thank Mrs Mandy Hentschel, Mrs Allyson Sarvari and their team for the organisation of the day. We appreciate the support of our major sponsor, Coastline BMW, and hole sponsors Focus Family Law, Regson Fabrications, Supaview Security Screens, SecureView, Escape Travel, Shine Beauty, Sunstate Jewellers, JRN Cleaning Services, and Innate Expression Chiropractic.

On Friday, there was tremendous energy around the college as we celebrated Under Eights Day with a Pirate Party across Kindergarten – Year 2. Thank you to the staff and parents for

your support of this day and congratulations to organiser Mrs Hogan.

We pray for God to equip us with the hearts, heads and hands to graciously make a difference in our community.

Dr Bronwyn Dolling, Principal

Appreciation Corner

Thank you to...

... the cast and crew of The Addams Family for your extraordinary commitment and talent.

... the Pacific community, including staff and families, who have supported the journey of The Addams Family.

... the staff and technical crew at The Events Centre Caloundra, Caloundra Chorale, BYTE, Tracy Hickey, Julie-Anne Dews and Meredith West for your assistance with The Addams Family production and event sponsors PCGA Design Studio.

... our wonderful parent helpers and past students who have been a great support from the beginning, assisting with backstage, hair, makeup, props and costumes.

... Mr Mark McCardle and his wife Judy, Councillor Rick Baberowski and his wife Karen, for their attendance at The Addams Family production.

... Mrs Mandy Hentschel, Mrs Allyson Sarvari and their team for their organisation of the Golf Day.

... our major sponsor, Coastline BMW, and hole sponsors Supaview Security Screens, SecureView, Focus Family Law, Escape Travel, Shine Beauty, Sunstate Jewellers, JRN Cleaning Services, Innate Expression Chiropractic and Regson Fabrications for their support of the Golf Day.

... 4 Ingredients for sponsoring the delicious breakfast BBQ held on the morning of the Golf Day.

... Mr Mal Brough for his attendance at the Golf Day breakfast.

Daily Bread

Awesome Service in the Name of Jesus

There is an extraordinary story about 'service' in the Bible. Jesus is at a dinner party in the home of Simon when a woman comes in with an ointment jar. She bends down to wash Jesus' feet and then uses her hair to dry them. Finally, she kisses his feet and pours perfume onto them.

The people at the dinner party were awestruck! Some became judgemental about the woman. Some were angry with Jesus for letting her touch Him. But the response of Jesus is central to the story. He loves her and receives her gift of foot washing as an act of love.

Each person serves God in ways that they can manage. Some can organise big events. Some are great at fundraising. Some can help with door knocking. Some pray for the needy and some give to the poor.

Jesus does not give us cause for 'judging' or comparing the service of others. He receives our gifts of service, as they ought to be – as works of love, done for the blessing of others, in the name of God.

At the end of the story, as Jesus intends to ensure that the work of the woman is received as an unmistakably 'holy' act of service, He turns to her and says; "Your sins are forgiven".

"She brought an alabaster jar full of perfume and stood behind Jesus, by his feet, crying and wetting his feet with her tears. Then she dried his feet with her hair, kissed them and poured the perfume on them. ... Then Jesus said to her, 'Your sins are forgiven'." (Luke 7:37,38)

Pastor Paul Smith, College Pastor

From the Head of Staff and Students P-5

The sense of community that exists at the college is a fundamental and important feature of education here at Pacific Lutheran College. Last week was another example of students, staff and parents coming together to provide great opportunities for young people.

Under Eights Day

On Friday, our Under Eights Day event was held in celebration of our youngest community members. Thanks to the many Kindergarten – Year 2 parents and family members who took time out of their busy schedules to attend and join in the fun. A special thanks to Mrs Shelley Hogan and all the Kindergarten – Year 2 staff, including aides and student teachers who put in such an enormous amount of time and

effort into making the morning so enjoyable and worthwhile. The students had a great time participating in the various activities, which were all designed to develop the skills that will encourage them to be physically active.

Cycle Skills

On Friday, all Year 4 students participated in a cycle skills course. Thanks to Year 4 parents for helping students transport bikes and helmets to the college for the activity. Thanks also to TravelSmart and the Sunshine Coast Council for enabling the students to participate in an activity that was not only fun, but also provided skills and knowledge that could save students from serious injury.

NAPLAN

Last week also saw the completion of this year's NAPLAN testing. Congratulations to all Year 3 and 5 students who completed the four strands of testing on Tuesday, Wednesday and Thursday. Thank you also to the Year 3 and 5 staff for encouraging, supporting and preparing students in the lead up to the testing and during the process.

Prep – Year 2 Cross Country

This term, all students in Years Prep – Year 2 have been busily training for the Cross Country Carnival, which will be held on Tuesday 2nd June from 9.00am. A letter providing further details of this event will be sent home this week. All parents are warmly invited to come along and support their children.

Developing Emotional Resilience in Children

Emotional resilience means knowing how to stop yourself getting extremely angry, down or worried when something 'bad' happens and being able to calm down and feel better when you get very upset. It is an important trait to develop in children.

As I have mentioned previously, it is not a negative event that causes us to feel down or worried but rather how we think about the event. Negative habits of mind greatly fuel emotional discomfort. These negative habits of mind include self-downing, the need to be perfect, the need for approval, the 'I can't do it' or 'I can't be bothered' mindset and being intolerant of others. Eliminating these negative mindsets can be challenging. Over the next few weeks I would like to share some strategies from the You Can Do It Program that may help eliminate or balance these negative mindsets.

To Eliminate 'Self-Downing'

Explain to children that they are made up of many characteristics – some good, some not so good. Have

children come up with five good things about their skills, talents, and personality and five things that could be improved on. You can help children if they get stuck. Then, you should explain that because they possess good qualities, it never makes sense to think 'I'm hopeless' or 'I'm a loser' when something bad happens. Instead, encourage them to think, 'When a bad thing happens, I do not lose my good points. I am still me – capable and likeable'.

Other suggestions for eliminating the tendency of self-downing when something bad happens include:

- Showing interest and excitement about non-curricular areas of their skills, interests and personal strengths.
- Exposing your child to a variety of extra-curricular activities where they are likely to be successful.
- Keeping a record with your child of all of their positive characteristics.
- Acknowledging your child when they remain calm after something adverse happens.
- Setting an example when something bad happens to you. Model by thinking out loud how you do not put yourself down and are self-accepting (e.g. "I wasn't elected to be on the committee. While this is disappointing, I will not put myself down. After all, I'm still me, a capable and likeable person").

Being emotionally resilient helps us to "tough it out" and stay on top of a situation emotionally, rather than letting it take control of us.

Mr David Druery, Head of Staff and Students P-5

From the Director of Students

Centaur Memorial Service

Last week, the Year 6 students attended the Centaur Memorial Service. The Centaur was a hospital ship that was sunk in protected waters off the Sunshine Coast during World War 2. Many doctors, nurses and injured service men were lost. The students participated in the service by reading accounts of what happened and prayers.

After the service, students chatted with the residents of this aged community. It was wonderful to watch and listen to the connections across the generations. The students listened to

stories from the past and shared their own interests with the residents.

We thank teachers Mr Joe Doran, Mrs Leisa Ilott and Mrs Amanda Empson for developing this important relationship with the Centaur community.

Salvation Army Appeals

At the moment, we are collecting food for the Salvation Winter Food Appeal. We ask that Prep to Year 5 students bring their food items to class while Middle/Senior College students can bring theirs to the L block Administration office. We are also looking for student volunteers and parent drivers to help with the Red Shield Door Knock Appeal on Sunday 31st May from 8.30am. The Salvation Army helps many families in our local community and this is a chance for us to help them.

Finally, well done to the many students who were involved in the wonderful production of The Addams Family last weekend!

Mr Brendan Delaney, Director of Students

Food for Thought

Do Family Meals Really Make a Difference?

Our belief in the 'magic' of family dinners is grounded in research on the physical, mental and emotional benefits of regular family meals. Some of the specific benefits of family dinners are:

- Better academic performance.
- Higher self-esteem.
- Greater sense of resilience.
- Lower risk of substance abuse.

- Lower risk of teen pregnancy.
- Lower risk of depression.
- Lower likelihood of developing eating disorders.
- Lower rates of obesity.

<http://thefamilydinnerproject.org/resources/faq/>

Mrs Annie Williams, School Counsellor

Friends of Pacific

2015 Golf Day

Coastline BMW 

On Sunday, the 2015 Golf Day was held at Pelican Waters Golf Club. The day was a huge success and a lot of fun was had, despite the rainy weather! As well as a highly successful community event, the Friends of Pacific also raised over \$8000.

Pacific Lutheran College would like to thank our major sponsor, Coastline BMW, and hole sponsors Supaview Security Screens, SecureView, Focus Family Law, Escape Travel, Shine Beauty, Sunstate Jewellers, JRN Cleaning Services, Innate Expression Chiropractic and Regson Fabrications for their support of this community event.

We'd also like to thank 4 Ingredients for sponsoring the delicious breakfast BBQ held on the morning of the event!

Mrs Tracey Hindmarsh, Chairperson - Friends of Pacific

School Photos

Prep – Year 5: Tuesday 26th May

Prep – Year 5 class photos will be taken next Tuesday. At this stage, other photos to be taken on the day include:

- Sibling photos that were not taken this week (will be taken at morning tea).
- Year 2 and 3 Choir.
- Pacific Junior Voices.
- Pacific Foundation Choir.
- Pacific Junior Strings.

Online payment is the preferred method by the photographers. There is an automated system for payments by credit card, visit www.advancedlife.com.au for easy to understand payment instructions. On payment, you will receive a receipt number, which MUST be written on the order envelope in the space provided.

Procedure for paying:

- Individual and sibling photos online - envelopes are NOT to be returned to the college. Please keep them at home for your reference. The cut off time for paying online is **Saturday 23rd May**.
- Cash or cheque - your envelope and payment is to be returned to the admin office. It is imperative they are returned by next **Monday 25th May at the very latest**.

Each child must have a completed envelope, even if you are paying for more than one student in one envelope. Envelopes

are not to be placed inside other envelopes. This will often result in that student missing their portraits, as the envelope will not be discovered until after the day of photography.

Students are required to wear FULL DRESS UNIFORM on Tuesday 26th May.

Miss Carolyn Sainty, Administration Secretary

Under Eights Day

Pirate Party

On Friday 15th May, children from Kindergarten – Year 2 took part in our Under Eights Day Pirate Party event, as part of the state-wide Under Eights Week. This year's theme was 'Voices of Children: Look, Listen, Hear, Respond'. All students participated in a variety of pirate themed activities including 'Walk the Plank', 'Shark Attack' and 'digging for buried treasure'. The morning was about celebrating our young people through fun games and activities. Thank you to all of the students and parents who participated on the day. A special thank you to all of the Kindergarten – Year 2 staff who assisted in the set up and running of the morning and thank you also to our wonderful Year 5 leaders who played an important role in this special celebration.

The winners of the 'Design your own Pirate Flag' competition were:

- Prep – Arjuna Suseno.
- Year 1 – Isabella Lee.
- Year 2 – Chloe Hughes.

Well done!

Mrs Shelley Hogan, Prep Teacher

Book Club

Please note, book club order forms are due back to the Library this coming Monday 25th May.

Ms Nell Keen, Teacher Librarian

After School Mathematics Tutorials

The college wants to support students academically and continue tutorials for students in Years 7-12 who would like extra assistance or clarification of concepts in Mathematics. These tutorials are held on Monday afternoons, in rooms L13/L14, from 3.20pm to 4.20pm. Mathematics teachers provide assistance. Students are welcome to

come along for a quiet place to complete Maths class work, homework or ask for assistance. The expectation is that students remain within the room until 4.20pm, unless picked up earlier by a parent.

If you have any queries about the tutoring, please contact me at the college or email jsteven@pacluth.qld.edu.au.

Mrs Jasmin Steven, Head of Mathematics

Japan Trip

On the first day of the upcoming June / July holidays, 19 Pacific students from Years 10-12 and four staff members will depart for Japan!

You can track our count down with us at

<http://bit.ly/1PuC7gc>.

Here is a summary of our trip:

- Tokyo - Tokyo Disneyland, city life in Shinjuku, Imperial Palace.
- Choshi - traditional Japanese Inn, eating traditional foods and sleeping on futon beds.
- Kashima - Seishin Gakkuen is our Sister School. We will experience school life, teach two English lessons and live with a Japanese family.
- Hiroshima - visit Miyajima Island, visit the war museum, see the statue of Sadako and the dome.
- Kyoto, the old capital of Japan - visit numerous temples and shrines.
- Osaka - Universal Studios Japan.

We look forward to sharing photos and updates on the college's Facebook page during our two-week adventure.

A reminder that the Japan Trip Information Night for both students and parents is on Thursday 28th of May (Week 6) from 6.00pm in D7.

Mrs Joanne Bailey (Bailey Sensei), Head of Japanese, Primary

Careers Department

Defence Work Experience Program

We are often asked if students can do work experience with the Australian Defence Force (ADF) – the answer is 'yes'!

The ADF Work Experience program gives young people an opportunity to experience the Defence Force before making decisions about joining.

To find out what is available, visit

<http://www.defence.gov.au/workexperience/default> (click on 'Placements' and 'Qld').

When you know what is available and if you are interested, please speak to Mr Learoyd, the VET Coordinator.

Job Investigations

The Year 10 students have just completed a four-week career education program in their Personal Development lessons. One of the major activities was job investigations.

Below are some tips for students and parents to follow:

- Read about jobs – check out the web pages for My Future, Job Outlook, the Bullseye Posters and the Job Guide.
- Talk to people – including family members, your parents' friends, neighbours, sports coaches, people you work with, people currently doing a job you are interested in, employers and/or course providers. Develop your own information 'network'.
- Go and see – visit career markets and expos, University and College Open Days or participate in work observation.
- Experience – try work experience or work sampling during the school holidays, apply for part-time or holiday jobs, or undertake a vocational educational course while you are at school.

Key Points for Career Development

The following information is adapted from 'The Real Game' (<http://www.realgame.esa.edu.au/>), a resource for career development.

- Change is constant – the world of work is always changing and you also change as you develop and experience life. Do not be afraid of change, accept it and use it as an opportunity.
- Know yourself and follow your heart – one of the most important skills in career management is self-awareness, knowing your interests, abilities, values, aspiration and the things or people that influence you. Start a job ideas list with jobs you would like, including your dream jobs. Exploring these jobs can get you started and lead to other jobs you may not have previously thought of.
- Focus on the journey – it is good to have goals, both short and long term. However, we should not be so focused on these goals that we miss opportunities that may emerge along the way.
- Learning is ongoing – learning does not stop just because you finish your course and get a job. Just as change is constant, so is the need to keep up to speed with new technologies, new methods of practice and emerging trends in your career field.
- Access your allies – these are the people who can help and support you during your career journey. They can include your school Career Counsellor, teachers, your family and friends, sports coaches and other people

within your social network. You can learn much from other people's experiences.

Bonded Medical Places (BMP) Scheme

The Bonded Medical Places scheme is expected to expand as part of the 2015 Budget. This scheme provides funding for additional Commonwealth-supported places at Australian medical schools.

Under the BMP scheme, recipients are required to work in medical skill shortage areas for a period equal to the length of their medical course.

The application and selection process for the scheme is the responsibility of the universities and usually takes place after an application is lodged to study medicine.

In the case of the University of Queensland, Year 12 students can apply for a Bonded Medical Place when they apply for the Doctor of Medicine (MD) Provisional Entry for School Leavers through QTAC.

An information booklet about the BMP Scheme can be downloaded at: <http://www.health.gov.au/bmpscheme>.

Brisbane Careers and Employment Expo

The Brisbane Careers and Employment Expo is on this Friday and Saturday, 29th and 30th May at the Brisbane Exhibition and Convention Centre in South Bank. The expo runs from 10.00am to 4.00pm each day.

JMC Academy Open Day

The JMC Academy in South Brisbane offers Diploma, Associate Degree and Degree programs in a range of fields including animation, audio engineering and sound production, contemporary music and performance, song writing, game development and digital design, entertainment business management and film and television production.

Their Open Day will be held this Saturday 30th May. Please see <http://www.jmcacademy.edu.au/News> for further information.

Bond University Scholarships

Bond University Scholarships for current Year 12 students are now open.

These scholarships include the Vice-Chancellor's Elite Scholarships, Excellence Scholarships, Indigenous Scholarships and Collegiate Scholarship.

Applications must be submitted online by 31st July.

Visit <http://bond.edu.au/future-students/study-bonf/how-apply/scholarships> for details.

St Andrews Scholar Program

If you are thinking of studying at a Sydney university in 2016, you may be interested in applying for this residential scholarship program.

St Andrews College is a residential college at the University of Sydney. Students studying at other universities in Sydney also live at the College.

The Scholars Program offers financial support of \$25,000 per year for the duration of an undergraduate degree whilst the student is living at the College.

Applications close on Tuesday 30th June.

Visit <http://www.standrewscollege.edu.au/st-andrews-scholars/> for further details.

Free Career Booklets

The following booklets are available to download from the Graduate Opportunities website (<http://www.graduateopportunities.com/free-downloads/career-info-booklets/>).

- Careers in Corporate Responsibility and Sustainability.
- Careers in Engineering.
- Careers in the Environment.
- Careers in Human Resources.
- Careers in ICRT.
- Careers in Law.
- Careers in Marketing.
- Careers in Media and the Arts.
- Career in Nursing and Midwifery.
- Careers in Science.
- Careers in Social Work.
- Careers in Teaching.

Ms Ainslie Reid, Careers Counsellor

Junior Sport

Year 3-7 Athletics

On Thursday, the 100m and 200m sprint trials and the discus event were held for all Year 3-7 students. Well done to all students who participated!

The Primary Athletics Carnival will be held on Wednesday 10th June at The University of the Sunshine Coast. Mr Gary Graves is currently running some athletics training for any students in Years 7-12 on Wednesday afternoons. If there are any 12 or 13 year olds who are interested in practicing an athletics event, please attend one of these sessions at the college.

Prep – Year 2 Cross Country

The Prep – Year 2 Cross Country Carnival is coming up on Tuesday 2nd June (Week 7). Over the last few weeks, Mr David Druery has been preparing the students by running them around the course. All students will need to wear their sports uniform with coloured house shirt on the day. A more detailed information sheet with times and distances will be sent home this week.

Year 4-6 SCISSA

After the last few weeks break, SCISSA rounds will continue next week with Pacific playing Caloundra Christian College on Thursday. All SCISSA team training will be held on Monday afternoon from 3.15pm to 4.15pm, commencing next week. Good luck to all teams!

Mr Darren Hooper, Head of Junior Sport

Secondary Sport

Sporting Success

Congratulations to Jack Tait who was selected in the 18 years boys Sunshine Coast Football team to represent the region at the state titles later in the term. We wish Jack all the best at this level. Well done also to Brooklyn Graves (basketball), Aston Becker (football), Reilly Becker (football), Kurtis Modlin (football) and Samuel Reidy (rugby) who competed at regional trials this week.

Rugby Results

Congratulations to the U13 boys rugby team who had a very good win against Siena Catholic College this week. The boys

put in another fantastic effort to win 24-19. Well done to all the boys and Mr Block for their efforts throughout the season.

The First XV also came up against Siena's First XV, who are top of the table in the division. Although Pacific lost the match, it was played at a very high level and the boys never gave up, with Tye Bryant scoring the final try of the match. Throughout the whole game, Pacific competed well against a very disciplined and well-drilled team. Congratulations to all the boys and thank you to Mr Hooper for all his work with the team.

Year 7-12 Athletics Training

On Wednesday afternoons, Mr Graves will be running athletics training for all students in Years 7-12 who would like to be involved. Sessions will run on the school oval from 3.15pm to 4.15pm each week.

Mr Mark Hauser, Head of Sport

Netball News

Monday Night Netball - Semi Finals

Our Year 7's have made the semi finals, taking place this Monday at Fisherman's Road, Maroochydore from 4.30pm. The team will play against St Johns College. The girls finished the season on top of the ladder, only losing one of their 11 matches. A fantastic effort from all girls and a big thank you to Mrs Andrea Burnett for training the team during Friday sport, and Miss Marnie Finter for coaching the team each Monday afternoon.

It was a long season and all six teams should be proud of their efforts. With over 170 teams playing in the competition, some of our teams were graded into harder divisions. It was great to see that all teams stepped up, trained hard, set goals and went on to achieve many victories throughout the 11-week season.

A big thank you to Mrs Toni Fisher for taking on the Year 9 and Year 10 teams, Miss Taleah Shelley for coaching the Inter A Reserve Year 10 team and Dr Peter McMahon who coached the Senior B side. In addition, thank you to parents for driving and supporting the players and teams throughout the season.

Vicki Wilson Cup

For the senior girls who made the Senior Representative Squad, training will commence this Friday afternoon in preparation for Vicki Wilson Cup. Monday trainings will also

commence next week and will include fitness training. Two teams will be announced this Friday. Mrs Toni Fisher has come on board as Development Coach, Dr Pete McMahon as Manager for both sides and I will be Head Coach of both sides. We look forward to the 'hard fun' that will occur each week at training. Players are reminded that training is compulsory and to email or see me directly if they are unable to attend.

Mrs Leigh Drogemuller, Teacher In Charge of Netball

Pacific Soccer

Round 8 Update – 16th May

Our U7 Pacific Fireflys certainly enjoyed the early start and the warm sunshine when they played the Range Rockets at home last weekend.

Our other Rooball teams were on the road last weekend and the cooler temperatures were in contrast to the red-hot action on the fields!

Thank you again to our photographers who have sent through photos, or shared them on our Facebook page.

Our U11+ competitive teams continued their games last weekend, with our U11 Pacific Sharks playing Mooloolaba Meteors at Siena Catholic College. The game was exciting for the spectators and for the players, with plenty of goals scored by both teams. At fulltime, the score was locked at three all, so both teams shared the points for this round.

Our U12 Pacific Snappers played Immanuel Jets at Mudjimba and both teams kept the spectators and referees busy with goals at both ends of the field. Once again, the teams could not be separated, with the scores locked four all at fulltime, allowing each team to take a point from the game.

Our U13 Pacific Hammerheads were missing four players last weekend due to the Pacific musical production, leaving them with a reduced line-up when they faced Nambour Panther Cats at Mudjimba. Although Nambour ultimately took the

game, the Hammerheads deserve enormous credit for their performance, which saw them score twice - an outstanding effort on the day.

Our U15 Pacific Torpedos played against the Currimundi Stingrays for the last game at Mudjimba on Saturday afternoon. The hard work that the players have putting into their training is showing on the

field. The team is playing with more confidence and had plenty of wonderful attacking opportunities.

Representative and Development Squad

Congratulations to Jonti Fisher, Macey Edward, Will Swindles and Aidan Gear, who have been selected for the SCCSA U10 South Representative Squad for 2015. Alex Lee, Henry Friend and Will Butler have also been selected for the U10 South Development Squad.

Last Sunday, a Rep Carnival was held, which allowed the players to show their wonderful skills and teamwork. Congratulations to all U10 players who were selected for the Representative and Development Squads for 2015. We hope you enjoy your games and the opportunity to extend your skills, while playing against teams from other regions.

Coaching Assistance for U9 Eels

Unfortunately Mike Burlone has been forced to step down as coach of the U9 Eels, which has left the team without a coach for mid-week training. Some teams have an older player who has taken on a mentoring/coaching role. Such roles are especially valued by the younger players, because they look up to the older players and strive to emulate the skills that they show on the field.

We would love to hear from any older players (U11+) who would be available to help the U9 Eels in a mentoring role and to assist with training drills on one afternoon each week. The Eels have been training on a Tuesday afternoon, but the training day may be changed to suit the availability of the coach. We also ask our parents to assist the team by helping with training drills.

International Champions Cup

One of the biggest sporting events on the football calendar in Australia for 2015 is the International Champions Cup, which has expanded to allow fans to see some of the most famous European teams play matches in Melbourne in July.

Pacific Soccer has two Bronze Tickets to see Real Madrid play against AS Roma at the MCG on 18th July, as well as many tempting prizes in our ICC raffle.

First prize includes:

- 2 x ICC bronze tickets to see Real Madrid vs AS Roma.
- \$150 flight voucher from Flight Centre.
- \$100 gift voucher from Crown Melbourne.

Second prize:

- Lazerzone kids birthday party for 10.

Third prize:

- Lazerzone 3 x mission passes and digital camcorder.

Tickets have already been issued for sale within each of our teams. Extra tickets are also available by contacting Jenny Lee directly via email. Please remember, the final chance to buy a ticket in this fantastic raffle will be at the canteen at our next home game, on 30th May.

Pacific Soccer

WIN

1st Prize:

2 BRONZE* TICKETS

TO THE BIGGEST EVENT ON THE AUSTRALIAN FOOTBALL CALENDAR IN 2015

REAL MADRID V AS ROMA

INTERNATIONAL CHAMPIONS CUP @ THE MCG

18TH JULY

*1 ADULT & 1 CHILD SEAT

PLUS... \$100 Crown Melbourne Gift Voucher

2nd Prize:

Laserzone Kids Birthday Party for 10

3rd Prize:

Laserzone 3 Mission Passes & Digital Camcorder

\$2 per ticket - on sale until 30/5

Winners drawn 30th May @ P.C. canteen

Round 9 – 23rd May

This weekend, our 17 teams will be playing away games at venues across the coast:

- U6 Flyers, U10 Taipans and U15 Torpedos at Palmwoods.
- U6 Razors, U6 Seadragons, U9 Eels, U11 Sharks and U12 Snappers at Currimundi.
- U7 Barracudas and U8 Seals at Brightwater.
- U7 Fireflies, U7 Jewelfish, U7 Vipers, U8 Stingrays, U8 Swordfish and U13 Hammerheads at Fishermans Road.
- U10 Cobras at Siena.

Each manager will have game times, or visit www.SCCSA.org.au for more information.
