

Voices of Hope

When we think back over history and identify those who were able to lead others forward, the voices that made a difference were those who could identify a better future and communicate a message of hope. Napoleon Bonaparte captured this in his phrase, 'Leaders are dealers in hope'. We are drawn to follow those who can inspire a sense of a better future. This does not involve having a 'Pollyanna' approach to life. We look to those who engage in the messiness of life, recognise issues to be resolved and have the capacity to share and engage in a hope-filled way forward.

Jesus is and was a great hope giver. He lived the messiness of human life and suffered great pain for us, so that we might have the hope of eternal life. His voice was one of hope and offered better ways for humanity to live. His two great commandments were that we love God with all our heart and we love our neighbour as ourselves. As we lead ourselves, our families, our co-workers and community members we pray for the wisdom to lead in a hope-filled way.

Principal's Log

As we draw to the end of the term, we celebrate all that has been achieved and the growth that has been supported. Through engagement with academic learning, cultural experiences, sporting activities, outdoor education experiences, community events and the devotional life of the college, we have all grown through the benefit of being part of a community committed to shaping better futures. I thank all staff, students and parents for what they have contributed to collectively shape an experience that is much richer than the sum of the individual parts.

We congratulate the Maryborough Technology team who represented themselves and the college extremely well over last weekend. They were awarded the Solar Car Champion trophy and the solar boats also performed well, even though the sun didn't provide the hoped for energy.

Our hybrid vehicle came second overall and the girl's human powered vehicle completed more laps than the previous year. They expect to raise over \$3300.00 for Motor Neurone Disease. The team members are to be congratulated on their designs, the way in which they gave spirited support to our college teams and teams from other schools and their hearts for making the lives of others better. We thank the parents for their support and Mr Ian Learoyd, Mr Ben Dutton and Ms Marnie Finter for their leadership. Congratulations to everyone for an outstanding experience.

Ms Karen Schultz, Ms Michelle McMillan and Mrs Jo Bailey will be taking long service leave next term. Mr Damian Davis, Ms Kim Stone, Mr Brett Jones and Mrs Andrea Burnett will be returning from long service leave. We thank Mrs Jacqui Layfield and Ms Michelle McMillan for very capably fulfilling the roles of Acting Head of Senior College Students and Acting Head of Wira House respectively. Staff, parents and students benefitted strongly from the care and support provided by both Mrs Layfield and Ms McMillan. We also thank Mr Darren Lawrance who has capably taught humanity subjects across the Middle and Senior College in the absence of Mr Brett Jones, Mrs Allison Dunn who has, in a very caring way, strongly supported the learning of the Year 4 students and Mrs Jodie McMahan who very capably filled the role of teacher aide in the absence of Mrs Burnett. Mrs Helen Nitschke will be teaching Christian Studies and SOSE across the Middle and Senior College and Ms Sonia Shin will teach Japanese across Prep to Year 5.

We thank God for all the blessings He has given this community over the term and pray that He would enrich and refresh us all over the coming holiday break as we have a change of rhythm.

Dr Bronwyn Dolling, Principal

From the College Council

Greetings to all in the Pacific community. Although it is not often you hear from us, I wanted to take this opportunity to assure you that the Council takes its responsibility for the governance of the college very seriously. As part of the

governance responsibility, the College Council is chartered to "actively accept responsibility for and take action to support, develop and review the performance of the principal".

Thank you to all staff (teaching and non-teaching), parents and students who have willingly participated in the recent Principal Appraisal process. Dr David Bliss, Executive Director of Lutheran Education Queensland, Dr Dolling and I recently met to discuss the results of the survey. David commented the response rate to the survey was good and that the results are an accurate reflection of the broader views in our community.

It is my pleasure to report that the results of the survey indicated very strong support for the leadership of Dr Dolling, as an educational leader and in her passion and visible example of Christian leadership through her relationships with students, staff and parents. The quality of the learning environment at the college was also recognised as well as the commitment to improvement and the strength of our vision and educational direction. We can indeed thank God for the blessing of Dr Dolling for the strength, energy and passion she brings to our college and her approach to the community.

I feel confident that in the pursuit of excellence, Dr Dolling and the College Council will take on board the feedback from the survey, which indicated areas the college would benefit from a greater focus. There was encouragement to continue enhancing the breadth and depth of the educational offerings at the college, maintain and build on the good relationships both within and beyond the college, including the importance of the student voice and further develop the worship life of the school, including the relationship with St Mark's congregation.

We pray for God's continual guidance as we strive towards providing a rich, passionate and caring environment for the pursuit of excellence in the educational and personal development for all in our community.

Ruth Zerner, College Council Chair

From the Head of Staff and Students P-5

Thank you to all parents and families for their support and involvement in the Prep – Year 5 area of the college this term. Your support and involvement is greatly valued and welcomed by the children, staff and the entire college community. After such a long term, we wish all students and families a relaxing, enjoyable break.

Start of Term 4

Students commence Term 4 on Tuesday 6th October.

Year 5 Camp

As Year 5 students are attending camp in Week 1 of next term, parents are reminded that permission forms need to be returned as soon as possible to your child's class teacher.

A friendly reminder that before the camp, parents may also need to update their child's medical information.

Grandparents Day / Student Art Exhibition

Next term, on Friday 23rd October, we welcome Grandparents, family and friends to the college for our annual Grandparents Day and Student Art Exhibition. The morning offers students the opportunity to showcase their work and involve their extended families in their daily experiences at school. Visitors will spend time in classrooms before attending morning tea where they will be entertained with musical performances. Details and a program for the event will be sent home next term. The Student Art Exhibition will also be held on the same day, commencing at 6.00pm in the Art Gallery.

Ben Chambers Memorial Game

On Tuesday, the annual Ben Chambers Memorial Game was held. The game is played as a round robin competition between Year 5 students and is held in memory of Ben Chambers, who lost his battle with cancer while in Year 4 at the college. Congratulations to Mr Compton and his class who were victorious on the day.

Mr David Druery, Head of Staff and Students P-5

From the Director of Students

As we come to the end of another school term, it is important to reflect on the importance of friends and relationships. Much of what the Pastoral Care team focuses on is encouraging students to treat each other with respect and expand their emotional intelligence. Building rich, caring relationships is an essential lifelong habit for young people to nurture and cultivate.

Nearly everything we achieve in life is with and through people, side-by-side and face-to-face. There are many

dimensions for young people to consider when it comes to building good relationships with others, including:

- Living and learning cooperatively;
- Giving and receiving equally;
- Focusing on mutual respect – everyone is special;
- Appreciating others and their thoughts;
- Being truly present when listening to others;
- Being true to yourself;
- Building empathy for others feelings, needs and views; and
- Being mindful at all times.

These personal attributes will enable students to build healthy and respectful relationships with each other. It is about growing young people's emotional intelligence.

We hope that all our students and their families have a safe and happy holiday. Remember that it is important for young people to spend some time outdoors in the natural environment. Too much screen time is not desirable for their development. Instead, when students are indoors reading a good book should be encouraged.

Mr Brendan Delany, Director of Students

Food for Thought

Teaching Your Children to Be Honest

Children want to please their parents and often lie because they do not want to disappoint them. By letting children know that you expect honest answers and that the truth is important, they can learn that honesty really is the best policy. As with all behavioural management, rewarding good behaviour is more effective than punishing the bad.

A friendly reminder to please return all stickers to the collection box in the Library by this Thursday 17th September. The final collection and collation needs to be completed prior to the start of Term 4.

We want to ensure that all stickers are submitted so the maximum number can be reimbursed for valuable resources at the college.

Thank you for your support.

September Meeting - Tuesday 15th September

Thank you to everyone who attended Tuesday's meeting. At the meeting, we discussed the events leading up to the end of the year and also shared some initial thoughts for 2016. Our 2016 calendar of events will be finalised at the October meeting.

Next term there will only be one Friends of Pacific meeting prior to the AGM, which is held in November. With this in mind, the current Executive Committee will stand down at the AGM and a new committee will be elected for 2016. Like any committee, we constantly need to grow and change to keep things fresh.

We warmly invite you to attend the final meetings for the year. If you aim to become more involved in 2016, attending the last couple of meetings this year will give some insight into the forthcoming year.

Enjoy the spring holidays and we look forward to having you join us in Term 4.

Mrs Tracey Hindmarsh, Friends of Pacific Chairperson

Library News

Mad Hatter's Tea Party

Last Wednesday, our Year 2 students attended a Mad Hatter's Tea Party to celebrate the 150th anniversary of Alice in Wonderland. Library staff and many of the students had fun dressing up as characters from the book. Our Year 6 and 7 library monitors led the activities, getting students to create their own mad hat, play croquet on the lawn and pin the tail on the Cheshire Cat. We then sat down to a wonderful afternoon

tea provided by Mrs Colleen Beattie, Mrs Rhana Holt and the Year 10 and 11 Hospitality students.

MakerSpace

Last week's Makerspace activity challenged teams of students to create the tallest freestanding tower they could with the materials in the space. The teams tried different approaches to their constructions, using straws, newspaper, Lego and even cardboard tubes. Our winning group could have gone even higher except they had reached the ceiling! There was good discussion and experimentation as students developed their design and engineering skills.

Fascinating Fossils

This week, 6E linked up with the Australian Museum and another school in Warwick to discuss fossils. Students saw real fossils discovered in Australia, learnt about the megafauna of Australia and about how scientists can learn

about the past through fossils.

Pacific Lutheran Early Learning

It is with great enthusiasm that we wish to inform you that Pacific Lutheran Early Learning is currently offering Kindergarten places to families for 2016. If your little learner is almost three years old, please contact Mrs Ann Barwick or Ms Julie McCosker for a waitlist application. Only limited places are available next year.

The Service is also now in a position to accept waitlist applications for 2017-2018.

Please contact the Service on 5436 7387.

Origami Production

Thank you to all students and their families who are involved in Origami. We have had an outstanding term of rehearsals and our cast members have shown amazing enthusiasm and commitment. Last Sunday we held our dress rehearsal, which was a huge success and a great opportunity for students to experience some of the challenges we may face in the theatre.

With only four rehearsals left until we bump in to the theatre, we still have a lot of work ahead!

Tickets for the production will go on sale on Monday 5th October and will be available to purchase through The Events Centre, Caloundra.

Regional Athletics Carnival

Last week, the Sunshine Coast Regional Athletics Carnival was held out at The University of the Sunshine Coast. Pacific had eight athletes who were selected as members of the Independent team:

- Alicia Woods
- Sebastian Salta
- Lara Pointon
- Jason Wulff
- Nikita Gallagher
- Nathan Davis
- Sam Larsen
- Laura Callaghan

Congratulations to Jason Wulff and Sebastian Salta who were selected to represent the Sunshine Coast in the State Titles in Townsville. Jason finished first in the multi event (long jump, shot putt, 100m and 800m), second in the 800m race, second in high jump and second in the discus event. Sebastian finished second in the 100m sprint, third in the 200m event and third in the long jump.

Well done to all the Pacific athletes who competed at the carnival!

Student Success

Under 12 State Rugby Union Titles

Recently, the Under 12 Rugby State Championships were held in Brisbane. Pacific had three students representing the Sunshine Coast including Sam Larsen, Oliver Frazer and Harry McLaughlin-Phillips. All three boys played well at the carnival, scoring and setting up numerous tries. Their team finished fifth out of eight

regions winning two games, drawing one and losing one game in the preliminary rounds. Congratulations to the boys for being selected in the team and for their efforts on the day.

Sunshine Coast Churches Soccer Awards

The Sunshine Coast Churches Soccer season wrapped up recently with the annual Adermann Awards presentations. Alicia Woods, Sebastian Salta and Jason Wulff all received awards on the night.

Alicia Woods received the Adermann Award for best and fairest player overall on the Sunshine Coast and the Terry Reynolds medal for a representative player for the U11 South Representative Team. Sebastian Salta received an Adermann Award medal and Jason Wulff received the Terry Reynolds medal for a representative player for the U11 South Representative Team.

Borneo Cup Soccer Trip

Congratulations to Year 5 students Matthias Schlotterbach, Matthew Becker and Jack Miller who will be travelling to Borneo over the holidays to take part in the Borneo Football Cup. The annual weeklong tournament

attracts an exceptionally high standard of junior players from Japan, South Korea, China, Hong Kong, Thailand, Singapore, Indonesia, Brunei and Malaysia.

We wish the boys well as they travel overseas to participate in this tournament.

Mr Darren Hooper, Head of Junior Sport

Secondary Sport

Regional Athletes

Congratulations to the following students on their achievements at the Sunshine Coast Regional Athletics carnival last week:

- Kurtis Modlin – 6th overall in the 100m sprint.

- Sophie Larsen – 2nd in the 400m event (this is Sophie's seventh-straight year of representation at the regional level).
- Georgia Woods – 1st in the 800m event and 2nd in the 1500m event.
- Jonathan Hall – 2nd in discus.
- Lachlan Barnard – 3rd in triple jump.
- Daniel Bounty – 400m and 800m events.

Well done to Daniel Bounty (400m and 800m), Lachlan Barnard (triple jump) and Georgia Woods (800m and 1500m) who have been selected in the Sunshine Coast Athletics team to compete at the State Titles later in the year. We wish them all the very best at these championships!

Friday Night Schools Basketball

Thank you to all students who competed in the Sunshine Coast Secondary Schools Basketball competition during Term 3. Games will resume on Friday 9th October for the teams who are still involved in the competition. All others are asked to please return their uniforms before the end of the term.

We wish the Senior Boys (white), Senior A Girls, Senior C Girls, Junior A Girls and Junior B Boys (white) all the best for next term, as they approach finals games in Week 2. The final round of the season will be in Week 3.

Thank you to Mr Prinsloo, Mr Crompton, Mrs Hauser, Mrs Croke, Mr Justin Sayson, Mr Evans and Mr Brayden Moor for their help with the program this year.

SCISSA Soccer – Term 4

Next term, the SCISSA Soccer season commences for our junior and intermediate teams. We have four teams in the competition – Junior Boys, Junior Girls, Intermediate Boys and Intermediate Girls. Fixtures start on Wednesday of Week 1 and continue through until Wednesday of Week 7. All players should have received an information letter, with player consent forms, which need to be returned to Mr Hauser before the end of the term.

Mr Mark Hauser, Head of Sport

Breakup 2015

The Pacific Soccer breakup was held last Saturday and was a great celebration of the 2015 season and the achievements of our players and their teams.

Thank you to Happy Heart Face Painting, Froggies Jumping Castles and Balloon Awesomeness for keeping our players entertained at the event.

Pacific Soccer AGM 2015

With the children entertained, Pacific Soccer's AGM was also held on Saturday. Our treasurer, Lala Burnes, announced her retirement after 10 years of service. Lala has played a pivotal role in the club's growth and her knowledge and experience will be greatly missed.

Kelly Abraham also stepped down as canteen convenor after more than five years in the position. Kelly has been instrumental in the expansion of the canteen, which has seen it transform into the well-organised and dedicated canteen it is today.

Kelly and Lala have both played a vital role in the operation of the canteen. The growth in service and revenue has allowed Pacific Soccer to be self-funded; purchasing equipment needed by our teams and shared equipment, which is used by the school.

Kelly and Lala will be greatly missed but we know they will both enjoy a more relaxing time in 2016. We wish them all the best for the future.

The following committee members were elected for 2016:

President:	Ian Barnes
Treasurer:	Louise Currey
Registrar:	Jenny Lee
Equipment Officer:	Lisa Ackerman
Committee members:	Chris Friend and Zane Russell

Following the AGM, Chris Friend also offered to take on the role of secretary in 2016. We still have several positions, which need to be filled:

- Vice President (to assist the president when required);
- Canteen Convenor (this is likely to be a shared role); and
- Coaching Director (to provide guidance and assistance for new coaches).

We would like to thank everyone for the positive support provided during the AGM and the interest that has been shown in the committee for 2016. The Pacific Soccer committee has always been run as a team, with everyone pitching in to help. Having new committee members is a great way for the club to expand and diversify into the future. We would therefore greatly appreciate any offers to join the committee in 2016.

Award Presentations

Following the completion of the AGM, the award presentations for our players and their teams were held. Many of our volunteers were also recognised for their service in 2015.

Setup crew

Thank you to Craig Abraham, Kyle Tippett, Zane Russell and Ben Creamer, who have been regular helpers with the early morning setup, allowing five fields to be set up for each of our home games.

Baking

Jodie Tippett has created wonderful muffins, cupcakes and slices for Pacific Soccer in 2015 as well as in previous seasons. For the 2015 breakup, Jodie produced another amazing soccer field creation, with goals, soccer balls and miniature players.

Canteen

We have always appreciated the assistance provided by our family volunteers and in 2015 the six most frequent people who assisted were Andrew Whatham, Mark Christensen, Robyn Lever, Hannah Abraham, Brook Leadbetter and Torri Burnes. We would also like to express our sincere thanks to everyone who has assisted in the canteen throughout the season.

Five Year Medallions

Congratulations to the following players, who are celebrating their fifth year in the SCCSA competition and were presented with their medallion at our breakup:

- U10 Taipans – Hobie Barry, Lachlan Currey, Jonti Fisher, Alex Lee, Jake Whatham and Lachlan Whincop.
- U10 Cobras - Alex Hughes, Hazar Pearse and Hamilton Turnbull.
- U11 Sharks – Ryan Cordingly, Sam Hickey and William Swindles.
- U12 Snappers – Lily Croke and Caitlyn Whincop
- U13 Hammerheads – Brock Birch, William Henry and Mackenzie Turner.
- U15 Torpedos – Hannah Abraham.

Ten Year Medallions

For only the second time in the history of Pacific Soccer, a 10 year medallion has been awarded to one of our players. At the 2015 breakup, the 10 year medallion was presented to Isaac Barnes from the U15 Torpedos. Congratulations Isaac and thank you for your long-term commitment to the sport and to the club.

Representative Players

We would like to congratulate the following players, who were selected as part of the Representative or Development Squads in 2015:

- U10 South – Macey Edward, Jonti Fisher, Will Swindle, Aden Gear, Will Butler, Alex Lee and Henry Friend.
- U12 South – Frank Butler.
- U13 South – Damon Abraham and Brock Birch.
- U16 Girls – Hannah Abraham.

Fair Play Award for 2014

At the breakup in 2015, the 2014 Pacific Seahorses were presented with a pendant to acknowledge their achievement as the highest ranked fair play team, finishing 6th out of 130+ teams last year.

Adermann Awards 2015

The annual Adermann Awards were also held on Saturday evening. We congratulate the following players, who were nominated for awards:

- Frank Butler (U12 Snappers).
- Mackenzie Morgan (U15 Torpedos).
- Macey Edward (U10 South and U10 Taipans).
- Hannah Abraham (U16 Girls and U15 Torpedos).

The nominees for the Adermann and Terry Reynold awards are highly respected within the SCCSA competition. To be nominated recognises not only the talent of the player, but the sportsmanship and the fair play that they demonstrate. Although the awards went to players from other clubs, our nominees should all be proud of their selection.

Best Administration Award

For many years Pacific Soccer has strived to be a professional and a well-organised club. At the awards night, the performance of the Pacific Soccer committee was recognised by the SCCSA Executive and we were presented with the trophy for the Most Efficient Administrative Club in 2015. This award is a fitting tribute to the dedication and the outstanding organisational structure that has been achieved by the committee over the last few seasons.

Special congratulations must go to the following:

- Jenny Lee (Registrar) who seems to personally know every one of our 179 players and their families.

- Lala Burnes (Treasurer) whose accounting records are second to none.
- Kelly Abraham (Canteen Convenor) who keeps track of the entire canteen stock, including individual sales and purchases of food and equipment and can provide details of any purchase at any time.
- Lisa Ackermann (Equipment Officer) who only took on this role at the start of 2015, but already has a complete and organised schedule of jerseys, clothes and equipment.
- Louise Currey (Secretary), not only a secretary, but also a qualified book keeper and financial expert, who will be filling Lala's shoes in 2016.
- Chris Friend (committee member) whose wisdom and insight has been invaluable throughout the 2015 season and will allow the club to continue growing in the future.

Fair Play Award for 2015

On the night, the final rankings in the 2015 Fair Play Award were also announced and the U15 Torpedos finished in second place out of 147 teams. This is an outstanding achievement for the players and the coach Jack Vardavas. Pacific Soccer will present a special award to each of the U15 Pacific Torpedos.

We have several items of lost property in the equipment shed and have attached a photo.

Thank you everyone for being part of Pacific Soccer this season. Whether you have assisted on the committee, as a coach or manager, have helped in the canteen or assisted your team with washing jerseys and supplying snacks, we appreciate your involvement in the club and thank you for helping make the 2015 season a success.

Finally and most importantly, we must also extend our sincere thanks to the partners of our coaches, managers, volunteers and our committee members. Our partners equally share the workload and bear the burden of other family responsibilities when we are involved with activities for the club. Thank you for the support you have also provided throughout the season.

We wish everyone a safe and relaxing break and look forward to seeing our players again in 2016.

Please remember that any assistance you can provide, large or small, is always valued, so please let me know if you have any questions regarding the committee or the various tasks which we undertake.

Speech and Drama UNHCR Fundraiser

At the beginning of Term 4, I will be running a fundraiser for UNHCR in aid of the Syrian refugee crisis. If any current Speech and Drama students would like extra private lessons in the lead-up to our annual exams or if there are students who would just like to 'try out' Speech and Drama to find out what it's all about, I will be donating all the proceeds from those extra lessons to UNHCR. These extra lessons will be held in Week 2 of Term 4. Please contact me on 0439 622371 or at leetandchip@hotmail.com.
