

Being People of the Big Circle

For all of us there are circles of connection. For some, those circles may be small and tight. For others they are large and do not have the same hard edge that shuts others out. Having large open circles fills our space with vibrance and diversity. It is a relaxed, creative space where people can grow. There is safety and fun. The focus is on the needs of others rather than ourselves.

As we start a new year, it is important to learn to expand our circles. We need to be conscious of those who may be on the fringe. Simple things of including people in conversations or activities can be life changing. The good news for us is that God freely includes all of us in His circle of love. Because we are given so much, we are free to reach out to others.

Principal's Log

Mr Kerry Neill gave a vibrant and unique welcome to country at the first Year 6-12 assembly. As a representative of the Gubbi Gubbi people, Kerry reminded us to be respectful of the contribution and place of all people and to enjoy living in such a great country. We look forward to extending our connections with our local indigenous community.

The value of parents being strongly connected to children's places of learning has been highlighted regularly through research. Parents who are well informed and connected are equipped to provide age appropriate support and encouragement to their children. This makes a significant

difference to children's learning. Ways to be informed include reading all communication thoroughly and taking advantage of parent information evenings. In this way, parents are fully aware of all of the opportunities.

There are a number of information evenings at the start of the year. It has been very good to see parents and senior students already use these opportunities to learn about the rich learning partnership that Pacific provides. Thank you to Miss Stone, Ms Arahill and Mrs Reid for their leadership of the Year 11 evening and Mr Druery, Mrs Zweck and the Prep - Year 5 staff for their leadership of the P-5 night. I would encourage all Year 10, 12, and Middle College parents and senior students to be aware of the timing for their evenings and take the opportunity to attend. Mrs Zweck's article in the Head of Teaching and Learning K-5 section of the newsletter provides good suggestions for parents of all ages.

Some families and students may be aware that Mr Hopkins has resigned due to ill health earlier this week. We are currently interviewing potential candidates to fill this position. Mr Hopkins made a very valuable contribution to the college in the establishment of the Industrial Technology area.

PACIFIC LUTHERAN COLLEGE
Together we grow for a better tomorrow.

www.pacificlutheran.qld.edu.au

Starting off in a shed, Mr Hopkins gave strong, patient leadership to the establishment of the department which now provides unique and distinctive opportunities for students. Students have greatly valued the care Mr Hopkins provided to them over many years. We wish Mr Hopkins all the best.

Applications for Middle and Senior College scholarships are now open and families are encouraged to visit the website for details of how to apply:

http://www.pacificlutheran.qld.edu.au/index.php/enrolements/scholarships_and_bursaries/

May God provide us with the capacity and heart to broaden our circles to be inclusive and supportive of others. We continue to pray for those affected by the recent flooding and storm damage. We will share with the community next week ways in which we can support people in need.

Dr Bronwyn Dolling, Principal

From the Head of Senior School Students

How Connected are You?

“If you don’t go after what you want, you’ll never have it. If you don’t ask, the answer is always no. If you don’t step forward, you’re always in the same place.” *Nora Roberts*

I extend a warm welcome back to all students and their families. As the term starts, it is important that students have established routines and good practices for themselves for the academic year. In particular, it is imperative to maintain a

good balance between work, social life, exercise and nutrition. This week, my article will focus on connectedness.

Community Connectedness: Getting Involved!

An important component in the development of students is inspiring in them, the adopting of a sense of civic responsibility to the communities they live in. Volunteering their time in assisting others and engaging in service learning activities is a pursuit that will benefit their personal growth and lifelong experiences immensely. There are college events throughout the year with which both parents and students can connect and be involved. Please keep an eye and ear out for notices both in the newsletter and at assemblies, as such opportunities will be communicated throughout the year.

Where are They Now?

We are interested in hearing from and connecting with Old Collegians (past graduands) of Pacific Lutheran College. More information about this will be advertised in coming newsletters. Where are they now??? We will start writing about this soon . . .

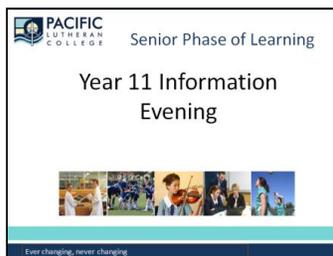

Senior College Parent Information Evenings

I would like to thank Year 11 parents and students who attended the parent information evening on Tuesday, 5th February. It is pleasing to have parents continued support and connectedness during their student’s journey through senior school. In the hour presentation, there was key information presented for parents and students alike. By request, a copy of the presentation was emailed or hard copy sent to Year 11 parents. If you were not able to attend this

evening, I encourage you to discuss the information with your student. If there is anything you need clarified, please contact the college.

Parents and students in Year 12 are asked to attend the parent information evening on Tuesday, 19th February starting at 7.00pm. This will be an informative night as students begin their final year of schooling.

Parents and students in Year 10 are asked to attend the parent information evening on Tuesday, 26th February starting at 7.00pm. This will be an informative night as students begin their transition into senior schooling.

Year 12 Leadership

Prior to the commencement of school, the Senior College leaders participated in the Lutheran Youth of Queensland's *Enthuse 2013* program at Luther Heights. The purpose of *Enthuse 2013*, was to equip, empower and inspire young leaders to servant leadership. The 2013 College and Vice College Captains have reflected upon their experiences from this camp (please refer below).

Year 12 Leadership Day: Year level Connectedness

This week, Year 12 students participated in a leadership day. This day continued to build on established leadership principles and learnt concepts from last year's leadership discussions. Students actively participated in activities which were strategically organised to give them an opportunity to use a range of skills; but particularly, team work skills, leadership skills and reflective skills.

I would like to extend thanks to the Lutheran Youth of Queensland team: Juliette, Emma, Josh and Josh (JT) for running this day. Particularly, I would like to wish Emma Graetz, Leadership Trainer, Lutheran Youth of Queensland all of the best as she moves to South Australia to embark on a new pathway in working with others to pass on her experience and wealth of knowledge in leadership. I look forward to working with the Year 12 students throughout the year to continue sharing their skills.

I look forward to 2013 being a positive year for all. Please feel free to contact me via phone 5436 7334 or email kstone@paciflutheran.qld.edu.au regarding senior college students.

Miss Kim Stone, Head of Senior School Students

Enthuse Leadership Camp

On the last week of holidays, the College Captains of 2013 were fortunate enough to participate at the leadership camp *Enthuse 2013* at Luther Heights in Coolumb. Leaders from other Lutheran schools located all over Queensland partook in the five-day long camp.

When we arrived at camp, it was obvious that this was no ordinary school camp. Our "classes" took place on pillows and mattresses and we participated in leadership activities to assist our learning. Soon after we arrived, we were put into smaller groups of around 10 people from other schools. We learnt that in order to lead others, we must first lead ourselves, and in order to lead ourselves we must trust in our own ability with the assistance of others. Hence, this lesson was followed by a series of trust activities with our smaller groups.

These activities were difficult and a little daunting to most of us as we were unfamiliar with the other members of our group; however, the more of these activities we participated in, the more we began to trust our groups and built a solid foundation for friendships to be formed.

On the second day of camp we learnt about how we think and how to best lead others. We were taught tips on how to be successful in all areas of life, including leadership, school work and serving others, as well as tips on how to combat bad habits and fear.

Later in the day, we did high rope activities with our smaller groups. Whilst some people went to the flying fox and the leap of faith, others, such as us, went to the high ropes. This was thrilling for some, but tested our ability to overcome our fears, even if we had done it before. This was an incredible challenge to overcome but, with the help and encouragement of our new friends, it was a lot easier to conquer.

On day three, our facilitators had us building rafts from bamboo, ropes and empty water containers as part of an activity. This was quite a challenge, as we had to venture about 10 metres through the water with all of us on board in less than 40 minutes. This task required us to use leadership and teamwork skills as we all had to work together.

Our final night was spent planning an elegant dinner and a farewell party. Each person pitched in on setting up the dining hall and the party room, which looked fantastic. The

night was full of laughs and fun, with a tinge of sadness due to the fact we had to depart the next day.

The final day began with a lesson on how to lead others. We collated all of our experiences throughout the camp and reflected on what we had learnt. Our lunch was spent laughing and saying goodbye as we prepared to leave the camp. This was incredibly sad since all of us had made new friends, which I am sure we will cherish forever.

Overall, the experience was amazing, with terrific food, incredible people and a supportive atmosphere. Any of the future leaders will be blessed to be a part of *Enthuse* and we hope to share our experiences with the Pacific community.

Sinead Anderson, Carl Jonsson, Taylah Walker, Ellie Jordan and James Milligan - 2013 College and Vice College Captains.

From the Head of Teaching and Learning K-5

Thank you for the important job that you play in promoting excellence as a habit for life with your child.

When parents are involved in their children's education, both children and parents benefit. Researchers report that parent participation in their children's schooling frequently:

- enhances children's self-esteem,
- improves children's academic achievement,
- improves parent-child relationships,
- helps parents develop positive attitudes towards school,
- a better understanding of the schooling process.

Most important of all, ALL parents and families can enjoy these benefits. It does not matter how much money you have. It does not matter how much formal education you have had yourself or how well you did in school. Family involvement benefits children in all year levels.

What is "Family Involvement in Education"?

- It is a lot of different types of activities. Some parents and families may have the time to get involved in many ways. Others may only have the time for one or two activities. But whatever your level of involvement, remember: if you get involved and stay involved, you can make a world of difference.

- Family involvement in education can mean: reading a bedtime story to your preschool child, hearing reading with an older child, checking homework every night, getting involved in Friends of Pacific, coming to assembly and chapel, discussing your children's progress with teachers, limiting TV viewing on school nights, insisting on high standards of behavior for children.
- Family involvement can be as simple as asking your children, "How was school today?" But ask every day. That will send your children the clear message that their schoolwork is important to you and you expect them to learn and do their best.
- Many children and parents are yearning for this kind of togetherness these days. Among students aged 8 to 13, for example, 82% say they would like to talk to their parents more about their homework!

Pacific has clear, challenging standards for what students should know and do, how they should work together, how they should grow as spiritual people and how they should learn. Working together we can encourage them never to settle for doing less than their best!

Mrs Sue Zweck, Head of Teaching and Learning K-5

From the Head of Staff and Students P-5

IMPORTANT MESSAGE

Before and After School Supervision

Parents are reminded that playground supervision commences at 8.00am each morning. Children who are dropped at school before 8.00am need to be placed in outside school hour's care. If students in Years P-5 are on the school grounds prior to 8.00am, they will be placed in before school hours care, unless parents have previously contacted the college to discuss alternative arrangements.

Parents are also asked to ensure that children are not unsupervised, on verandahs or on play equipment after 3.30pm each afternoon. From 3.30pm, these areas are registered for use only by children attending after school hour's care.

Peanuts and Nut Products

A number of students in the P-5 section of the college suffer from a variety of food allergies including allergies to seafood (including fish), insect bites, eggs and particularly peanuts and nut products. I would like to remind parents that the college encourages parents and children not to bring particularly nuts or nut products in lunches. Some students attending the college can experience a life threatening reaction if exposed to these food items. In some cases, simple skin contact with nut products can cause a severe reaction in these children. I would remind parents that if your child suffers from food allergies to advise your child's teacher.

Mr David Druery, Head of Staff and Students P-5

2013 School Fees

Parents are reminded that school fee payments were due last Friday, 1st February. If you have not yet done so, please arrange for your fee account to be paid as soon as possible. If you are currently experiencing financial difficulties, please contact the Bursar's office so a payment plan can be arranged.

LLL School Banking

Students are reminded that LLL school banking is on Tuesday mornings. Please bring your banking to the Bursar's office before 9.00am for processing.

Changes to the Child Protection Policy

At the end of last year, there were some changes to the state's Child Protection Legislation that impacts directly on Non-State Schools in Queensland. These changes state that:

- if a college staff member reasonably suspects, in the course of their employment, that a student is likely to be sexually abused by another person - that staff member must give a written report of the suspicions to the principal, and
- the principal must immediately give a copy of any written report received to a police officer.

These changes have been amended in our college Child Protection Policy, which you can view on the college website via the following link:
(http://www.pacificlutheran.qld.edu.au/index.php/my_plc/parent_lounge/policies/). In addition, staff are currently undergoing training in accordance with the new amendments.

Mr Shane Jurecky, Director of Staff

Japanese News

Welcome Makoto Sensei!

Pacific Lutheran College welcomes Miss Makoto Suzuki into the Pacific community! Makoto Sensei will be staying with the McCully family (Joshua McCully Year 12) over the next two terms. A big thank you to the McCully family for their ongoing support in hosting our Japanese Teacher Assistants. Please make Makoto Sensei welcome to our college!

Mrs Michiko Hauser, Head of 6-12 Japanese

Faces of Australia

What an exciting start to the year for everyone at Pacific. Year 3 have begun the year by looking at what it means to be Australian! At the end of the week they designed their own "Australian Faces" and proudly wore them home.

Year 3 are looking forward to a fantastic year, with a super group of eager learners.

Mrs Pollard, Mr Healy and Mr Murdoch

Maths Moment

Maths Puzzle of the Week

Congratulations to Noah Cotterell and Jack Hirst (Year 8) and Mitchell Jones (Year 10) for solving our first puzzle with the matchsticks.

Here is our second problem for the year:

$$101 - 102 = 1$$

The statement above is incorrect.

Can you make it correct by simply moving one digit to a new position? (Think outside the square!)

Email your solution to jsteven@paccluth.qld.edu.au

Calculators

Having a calculator and learning its many functions to assist with more complex mathematical concepts is a requirement for all students in Years 7-12. The expectation is to purchase a scientific calculator (fx-82MS) for Years 7-9 and senior Maths A or Prevocational Maths students. A graphics calculator (fx-9860GAUPlus) is necessary to complete the senior syllabus requirements for Maths B and C students. Students who study Year 10 Pre-Maths B have the option of purchasing the graphics calculator during Year 10, as this will give them many more opportunities to hone their skills in preparation for senior Maths B. For a graphics calculator note, come to S-Block staffroom for myself or ask their Maths teacher.

Maths Tutoring

The college wants to support students academically and again have tutorials for students in Years 7 to 12 who would like extra assistance or clarification of concepts in Mathematics.

These tutorials are on Thursday lunchtimes (in room L14) or Thursday afternoons from 3.30pm to 4.30pm in room L14 and are supported by Mathematics teachers on a rostered system. Students are welcome to come along for a quiet place to complete Maths classwork, homework or ask for assistance. The expectation is that they work quietly and not be disruptive, and that they remain within the room until 4.30pm or are picked up earlier by a parent. The section in the Student Handbook on page 178 is to be filled in if you would like your child to attend.

If you have any queries about any of the above, please contact me at the college or email jsteven@paccluth.qld.edu.au

Mrs Jasmin Steven, Head of Mathematics

Music News

Start times for the Concert Band, Tuesday morning and the Orchestra, Wednesday morning, will occur in Week 4 of Term 1. Both of these groups will meet in the Dance Studio at 7.30am, which is next to the music room. New members for this are most welcome.

The Jazz Ensemble begins this Friday and the Musical Band for *Bye, Bye Birdie*, will begin on Monday afternoon of Week 3 in MC2, the secondary music room, from 3.30pm to 4.30pm. Any musicians who have not spoken to Mr Simpfendorfer or Mr King about this, please come and see us in the S6 staffroom for details and rehearsal materials.

Mr David Simpfendorfer and Mr Adrian King

Sports News

SECONDARY SPORT

Year 7-12 Interhouse Swimming Carnival

Tuesday, 12th February 8.30am - 3.00pm
Kawana Aquatic Centre

All parents are invited to attend. Please contact Mr Graves at school if you could help with timing on the day.

All students are required to travel to and from the carnival on the buses provided. Please contact PCG teachers via written communication by Monday, 11th February if you would like to transport your child by private car. The aim of the carnival is to select school swimming teams but also to develop House spirit. There will be a number of C Division races and novelty events on the day. All students are required to wear House shirts and PLC uniform. Division A students will be required to compete in race swimmers.

Year 7-12 College Sport 2013

Please note that the first round of school sport for 2013 will now occur on Wednesday, 27th February. Students will travel to and from playing venues by school buses that will depart after school at 3.00pm and return back to the college at

around 6.00pm. Draws, permission notes and more information about uniforms will be given to students once they are selected in a sports team.

On Wednesday, 27th February some students will represent the college in volleyball and soccer against other SCISSA schools. Netball commences afterschool on Monday, 18th February.

Mr Gary Graves, Head of Sport

JUNIOR SPORT

Year 3-6 Swimming

Wednesday, 13th February

Next Wednesday, all Year 3-6 students will participate in their inter house swimming carnival. This will take place at the Mountain Creek swimming pool (25m). Students will need to be in their classrooms by 8.25am on this day, ready to board buses at 8.30am. All must wear their house coloured shirts as well as Pacific swimmers (or PLC board shorts) for the day. Students are encouraged to wear rash vests and must all have their hats for the day. Please note that students will not have access to the canteen and will need to bring lunch from home.

A detailed program will be sent home with students before the carnival. Parents are requested to bring a copy of this to the carnival. Any parent who indicated on the bottom of the swimming note that they could assist at the swimming carnival, have been allocated a job for the day (please refer to the carnival program).

Mr Mark Hauser, Head of Junior Sport

Pacific Soccer Update

Sign-On for 2013 season

Last Saturday morning, Pacific Soccer hosted *Just for Kicks* at Pacific, which allowed us to introduce many new players to our sport. It was a wonderful morning and the spectators all enjoyed seeing so many children having fun with various games and activities and learning a little more about the game. We would also like to welcome our newly registered players to Pacific Soccer and we all look forward to seeing them playing with their team mates on the field from Saturday, 9th March.

We would also like to welcome back many existing players, who also took advantage of the early-bird registration last Saturday, and re-signed with Pacific Soccer for the 2013 season.

Our last sign-on day for 2013 will be held tomorrow morning (9th February) at Pacific so, if you have not registered yet and would like to play, please come along tomorrow morning. We will have tables set up outside the Prep building at Pacific, from 9.00am - 12 noon.

For more information regarding sign-on, please refer to the flyer at the back of the newsletter.

Places Available with Pacific Soccer

Pacific Soccer will be registering many teams this year in age groups from U6 to U15. If your child is turning 5 during 2013 (born 2008 or earlier), they are eligible to play for Pacific Soccer and we would love to have you join us for the 2013 season.

Pacific Soccer has always encouraged and welcomed boys and girls to our sport. In 2012, we were privileged to have the U13 Seahorses participate as our first all-girls team, and they received a tremendous response from all of our spectators and many other clubs, for the passion, commitment and teamwork shown by the players throughout their entire season. SCCSA rules allow girls to automatically play down one grade, so if you would like to play with your friends in a Pacific Soccer team this year, please let us know and come along to our registration days.

Equipment Required for Pacific Soccer Players

Players are required to have soccer boots and shin guards for training and for all matches. Socks and shorts can be purchased from Pacific's Uniform Shop. Our Pacific Soccer training shirts have been very popular, and are usually worn for training, and to and from the game on Saturday. Match jerseys are supplied by Pacific Soccer and will be brought to each game by the team manager.

A-Mart All Sports

A-Mart All Sports Kawana has offered a 20% off Discount

Weekend for Pacific Soccer players, which will be held from Thursday, 14th to Sunday, 17th February.

If you need new sporting equipment, please delay these purchases until you have registered with Pacific Soccer. A-Mart All Sports has been a long-term supporter of Pacific Soccer and have provided discounts for our families, and all

purchases which are made also benefit Pacific Soccer, when we buy our equipment.

Coaches and Managers

For the 2013 season, we are pleased to welcome Mr David Becker, as our Director of Coaching. David's role is to provide assistance and guidance for our coaching staff, to allow each team to develop throughout the season and to achieve to their maximum potential.

If you would like to share your child's excitement and passion for their sport and become more involved with our team as either a coach or a manager, please let us know. SCCSA offer free coaching clinics, which are designed to introduce drills and ideas for new and existing coaches. Even if you have not been involved as a coach or a manager before, I am sure that with David's support and his knowledge and experience, you can also provide a valuable contribution to your team. The active involvement of our parents within each team will also benefit all our players as they continue to learn new skills and to grow throughout this season and beyond.

Pacific Soccer can only operate with the ongoing assistance from our parents and volunteers. Therefore I would like to acknowledge the generosity of the current committee members and the many parents who have already offered to take on the role as a coach or manager, and I thank you all for kindly giving some of your valuable time to be part of Pacific Soccer.

To complete our committee for 2013, we still require a Secretary and a Vice President. If you would like to be part of the Pacific Soccer committee for this season, your contribution will be greatly appreciated by the club and, of course, by our players and will help Pacific Soccer to continue to grow into the future.

If you have any queries regarding registration, or if you need any further assistance, please do not hesitate to contact us.
