

## Congratulations Year 12, 2012

All of the tertiary offers and scholarships for the cohort of 2012 have now been finalised. We congratulate the following students for their attainment of academic scholarships: Alex McLean (Vice-Chancellor's Academic Scholarship at the University of Queensland), Rachael Burnes, Maddison Chambers and Eliza Dreves (Vice Chancellor's Academic Merit Scholarships at the University of the Sunshine Coast), Jessica Abraham (Vice Chancellor's Academic Merit Scholarship at the Southern Cross University) and Keegan Becker (Faculty of Engineering and Surveying Dean's Scholarship at the University of Southern Queensland).

With the second round of offers complete, 100% of Pacific students received an offer and 84% received offers for their first preference. We congratulate the Year 12s of 2012 and thank Mrs Reid for her support of students in making their tertiary choices and applications for scholarships.

---

## Principal's Log

Congratulations to Alexander Whitmore, D'Arcy van Beek Hughes, Paige Layfield and Oscar Pollack who came second in the Queensland section of the Kids' Lit Quiz held at Ipswich earlier this week. The Kids' Lit Quiz is an international literature competition. The top two teams from this week's Queensland competition were invited to compete in Canberra against interstate teams. We also congratulate the team of Ethan Hall, Harrison Dines, Mali Davis and Jessica Gartrell who came a creditable 10<sup>th</sup> out of 20 teams. Thank you to Ms Keen for her support of these teams.

The college will be supporting the people of Bundaberg through a variety of parent and student initiated projects. The first of which will occur in the next fortnight through the collection of toiletries and other essential items. Students will also hold a number of fund raising events and will be travelling to Bundaberg in the holidays to assist with the ongoing clean up.

It has been good to see the progress of the renovation of the existing sport shed and the construction of the new sport's storeroom. Through the support of a \$20,000 donation from Club PLC Soccer, the college was able to construct a new larger shed for storage of sport's equipment. This has created space for the soccer club to construct a canteen and equipment storage in the existing shed. Thank you to Mr Ian Barnes and his team who came together for a working bee over the weekend to make great progress with the canteen space. This will be a valuable area for a variety of sporting and community events.

There has been strong support for various sporting teams from the start of the year. This has been made possible by the willingness of teachers, parents and old scholars to coach and manage teams and run clubs. Thank you to all of these people. In particular, it has been heartening to see the strong involvement of students, teachers, parents and old scholars in enhancing opportunities in rugby, soccer and netball. It has also been exciting to see our equestrian team get underway through the support of Mrs Layfield.

Discussion at the very well attended Friends of Pacific meeting this week indicated that planning for the Pacific Ocean Festival is well underway. We thank Mr Parrish MacLeod who has agreed to be the overall coordinator for the festival. I would encourage all members of the community to get behind the organisers of this event.

Mrs Sharon Middleton who has given strong service to the college community in her role in the Middle and Senior College office will be leaving at the end of next week to take up a new career in nursing. Mrs Kerri Peters who has provided great support to the Food Technology area including the provision of much enjoyed morning teas and dinners for staff and college functions, will be leaving this week to have an increased focus on her family business. We thank both of these ladies and wish them well for the next phase of their lives.

We thank God for the many blessings He has given us and pray for the people who are working to recover from weather events. May God give us generous hearts and helping hands.

*Dr Bronwyn Dolling, Principal*

.....

## Daily Bread

“Who needs me?” - God’s Reason for Helping

Who needs me to be their neighbour? That is the question that our Lord Jesus puts into our heart. With this question, we look around us and find those who need us to share with them the time, talents and treasures that God has blessed us with.

Two years ago, students from Pacific took the initiative to travel to the flooded Lockyer Valley, to help the

people who were still burdened from the January 2011 floods.

They went to lend a hand, but they also took funds raised from our Pacific community to help pay for a remote radio service to prop up the very weak mobile service in parts of the Lockyer Valley.

Last week, the President of the Lutheran Church in Queensland, Pastor Noel Noack, informed me of the great success that the remote radio service had in the recent January 2013 floods. Isolated people could be contacted and received support because they could communicate through the remote radio service. These people remembered how terrifying it was in the previous floods because communications were down. It was a very different experience for them this time, as emergency workers could contact people directly with the remote radio service.

So, lending a hand certainly pays off.

Please pray for our college’s plans to help the Bundaberg people. We are working on fundraising across the college for the rest of Term 1. Also, our Spirituality and Service Action Group is planning another service trip to Bundaberg in the second week of the Easter holidays.

Details are coming, so please watch the compass for ways that you can help.

*“The King said, “just as you did it to one of the least of these who are members of my family, you did it to me.” (Matthew 25)*

*Pastor Paul Smith*

.....

## From the Head of Senior School Students

### Parent Evening

Thank you to those Year 12 students and parents who attended our parent information evening on Tuesday, 19<sup>th</sup> February. Your support throughout this year is greatly appreciated and I look forward to working with the students in their final year at the college. For those who were unable to attend, the presentation information was sent via email during this week. This is a summary and if there are further questions, please feel free to contact the Middle/Senior College administration on 5436 7315.

There will be a parent information evening for Year 10 students and parents on Tuesday, 26<sup>th</sup> February. This will be at 7.00pm.

## 'Teddy Time'

This week, Mr and Mrs Bear came into the college for a tour. Dr Dolling spoke with them about the wonderful things the college has to offer.

They visited different buildings and classrooms around the college.

They were so excited to meet staff and teachers.

They thoroughly enjoyed their college experience and want to say 'thank you' by connecting with students.

As such, the Year 2 and Year 12 students are invited to bring along a teddy bear and their lunch (as normal) for a teddy bear's picnic. This will be held on Wednesday, 27<sup>th</sup> February from 1.00pm to 1.30pm. At this lunchtime, Year 12 students will lead a range of activities and connect with the Year 2 students for an enjoyable event. Teddy bears will also be able to meet on the day. We are looking forward to it!

*Miss Kim Stone, Head of Senior School Students*

## From the Head of Teaching and Learning K-5

### Helping With Homework

Home work is an expectation for our students. The nature of the activities will vary so it is best to discuss expectations with your child's teacher. All educators agree that reading is the most valuable homework a child can do and should become a daily habit. Parents can help children develop sound study habits from a young age which include establishing a predictable routine, encouraging effective use of time and helping them to be organised.

There will be no new content given for homework. It will be work that has been taught and done in class. If your child has trouble with their homework please do not tell them the answers! It is best that they bring it to class the next day and show their teacher. Teachers will then sit with them and go over the concepts that they have missed and give them extra guidance in class until the learning and understanding has occurred.

### Bright Ideas

- **Establish a predictable routine.** If homework is done at the same time each night, getting started is usually less of an issue.
- **Make homework time as enjoyable as possible.** When sharing a book, make yourself comfortable, be involved in the story and enjoy yourself. Do not make reading a test.
- **Establish a good working environment for students.** Make sure they have a quiet area (away from distractions) that is well lit and with good ventilation. A table or a desk makes a good work space.
- **Encourage children to work reasonably quickly and efficiently.** Have a set time limit which they should stick to. A little work each night is more productive than packing it all into one weekly session.
- **Encourage children to become organised by planning homework** around their extra-curricular activities. A weekly planner or diary will help older students to organise themselves.
- Keep explanations simple and practical when helping a child. **If they become upset or frustrated and the atmosphere becomes tense, stop helping.**

- **If your child has a problem, talk about the best way to find a solution.** Perhaps between the two of you it can be worked out.
- **Be realistic and do not expect to solve all homework difficulties.** When in doubt, send a note to your child's teacher letting him/her know the problem. They will appreciate being informed.

*Mrs Sue Zweck, Head of Teaching and Learning K-5*

## Culture and Performing Arts

This year, the Culture; Creative and Performing Arts Action Group is putting together a range of events that not only show off the talent of Pacific Lutheran College, but also brings students of all age groups together in new, fun, and exciting ways. Up until May, we will be mainly concentrating on *Bye Bye Birdie* but we still have some great things happening around and after the completion of the production.

Continuing on from last year, students have the option of participating in *Limelight* and the Blake Art Prize (dates for these events will be posted in the upcoming weeks). With the *Limelight* we are also planning on bringing in a competition for the younger age groups and the details of this are still being developed.

After *Bye Bye Birdie*, we also hope to bring in a Musical Theatre Ensemble that will perform, in, and outside of school in eisteddfods.

If any students or parents have any ideas they would like to contribute, please share them with us! If you cannot find us around the school, we will be setting up a ballot box very soon where you can write down your ideas, anonymously if you wish and we will do our best to bring them to life.

*Amy Seaburn and Meg Hickey, Culture and Performing Arts 2013, Pacific Action Group Captains*

## Bye Bye Birdie

A talented cast of nearly 70 students from Years 6 to 12, backstage crew, 16 orchestra members and inspired staff are already well into the *Bye Bye Birdie* rehearsal process, giving up after school time, lunchtimes and weekends to bring this well known and

loved Broadway hit to you at The Events Centre for four shows in May.

The show is a brilliant parody of 1950's America and tells the story of Elvis-inspired rock star, *Conrad Birdie*, who has been conscripted into the army.

You will not want to miss this one!

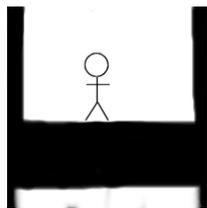

Keep your eye out in the near future for posters and booking information.

*Production Team*

---

## Tech Corner

This week, the Year 7 IT students are busily completing their animated gif ready to move in to game design and sprite development. The students have created some novel animations in a short time using Jasc animation creator. Well done, Year 7!

*Mrs Janine Stone*

---

## Pacific Lutheran College Equestrian Team 2013

- Equestrian team saddle blankets and polo tops are now available from the uniform shop.

- For information regarding monthly training dates, please email [jlayfield@pacluth.qld.edu.au](mailto:jlayfield@pacluth.qld.edu.au)
- We welcome Melanie Schmerglatt as our consultant instructor for dressage.

The six equestrian disciplines recognised in interschool include Dressage, Show Jumping, Eventing, Combined Training, Show Horse and Equishow (formerly Showman). Regional, State and National interschool competitions are integrated into the interschool competition year and all events are run under Equestrian Australia rules, with some additional rules that pertain to interschool specific events. Students with their own horses are able to join the Pacific Lutheran College Equestrian Team and compete in interschool competitions in these disciplines.

Additional information can be found on the Equestrian Queensland website, [www.qld.equestrian.org.au](http://www.qld.equestrian.org.au), under the Sports menu, click on Interschool. Please contact me if you require any further information or have any queries - 5436 7305 or email [jlayfield@pacluth.qld.edu.au](mailto:jlayfield@pacluth.qld.edu.au)

*Mrs Jacqui Layfield - Pacific Equestrian Coordinator*

---

## Friends of Pacific

Thank you to all who attended the first meeting for 2013 on Tuesday evening.

We are very excited about the forthcoming year and all of the events that will take place, in particular The Pacific Ocean Festival.

Planning is already underway and it promises to be a fabulous event like the previous festivals. As with all things, change occurs and we look forward to introducing some new concepts and ideas.

As an event of this nature takes so long to co-ordinate and plan, we would love to hear NOW from anyone who would like to be involved. We need people of all different backgrounds and skills to make this a success so please email us at [fop@pacluth.qld.edu.au](mailto:fop@pacluth.qld.edu.au).

As we meet once a month, the agenda for meetings needs to be planned in advance. Therefore if there are questions you would like to ask or anything you would like discussed, please submit the subject via email [fop@pacluth.qld.edu.au](mailto:fop@pacluth.qld.edu.au).

Dates for meetings can be found on the school calendar.

Remember we would love your attendance at meetings but you do not have to attend a meeting to become involved.

*Mrs Tracey Hindmarsh, Chairperson Friends of Pacific*

---

## Library News

### Kids' Lit Quiz

Last Tuesday, two teams of four students competed in the Kids' Lit Quiz against 20 other Queensland schools. The Kids' Lit Quiz is an international competition currently running in Australia, New Zealand, Britain, Canada, USA and South Africa, which aims to promote children's literature and reading.

Students from Years 6-8 had to answer 10 rounds of 10 questions on topics ranging from classics, modern fiction, fairy tales, myths and legends and picture books. Team 2, consisting of Ethan Hall, Harrison Dines, Mali Davis and Jessica Gartrell, came a creditable 10<sup>th</sup> overall, and won one of the rounds. Team 1, Alexandra Whitmore, D'Arcy van Beek-Hughes, Paige Layfield and Oscar Pollack, came second overall and were invited to compete in the national finals in Canberra. They also won an individual round.

The students had an enjoyable day and got the opportunity to meet authors Michael Gerard Bauer, Narelle Oliver, Christine Bongers and Brian Falkner, who were there to support the event.

*Miss Nell Keen, Teacher Librarian*

---

## Maths Moment

### Maths Puzzle of the Week

Congratulations to the following students for being the first within their year to solving last week's puzzle:

Year 10: Mitchell Jones and Mick Donato

Year 11: Sam Hodgson and Kieran Bergs

The answer is: Multiply the divisors so that  $7 \times 11 \times 13 = 1001$ . To multiply by 1000 and then add one more of your original number, you get the discovery.

Here is our next puzzle:

$$1=1$$

$$2 + 3 + 4 = 1 + 8$$

$$5 + 6 + 7 + 8 + 9 = 8 + 27$$

$$10 + 11 + 12 + 13 + 14 + 15 + 16 = 27 + 64$$

Complete the next line of the pattern.

Explore and explain this pattern.

Email your solution to [jsteven@paciluth.qld.edu.au](mailto:jsteven@paciluth.qld.edu.au)

### Maths Tutoring

The college wants to support students academically so once again tutorials are offered for students in Years 7 to 12 who would like extra assistance or clarification of concepts in Mathematics.

These tutorials are on Thursday lunchtimes (in room L14) or Thursday afternoons from 3.30pm to 4.30pm in room L14 and are supported by Mathematics teachers on a rostered system. Students are welcome to come along for a quiet place to complete Maths classwork, homework or ask for assistance. The expectation is that they work quietly and that they remain within the room until 4.30pm or are picked up earlier by a parent. The section in the Student Handbook on page 178 is to be filled in if you would like your child to attend.

If you have any queries about any of the above, please contact me at the college or email [jsteven@paciluth.qld.edu.au](mailto:jsteven@paciluth.qld.edu.au)

*Mrs Jasmin Steven, Head of Mathematics*

---

## Careers Department News

### 1. YEAR 12 CAREER EXCURSION

On Wednesday, all Year 12 students attended the University Showcase Career Excursion at the University of the Sunshine Coast, during Periods 3, 4 and 5. All students should have received a "Student Medical and Consent Form". Any student who did not receive a copy of this form must collect one as soon as possible from the Career Office.

The signed form must be returned by Wednesday, 27<sup>th</sup> February.

## 2. CAREER EVENTS CALENDAR

All students in Years 11 and 12 will receive a copy of the 2013 Career Events Calendar early next week. This calendar lists all the dates of the Career Expos, Tertiary Open Days and other specialised career events. It is important that the Senior College students participate in these events as part of their career planning and decision-making processes.

*Mrs Ainslie Reid, Careers Counsellor*

## Sports News

### George Cowie

Please see the flyer re pre-season soccer coaching. If you have not paid administration, you are more than welcome to join in this Saturday and pay next week.

### Year 7-12 Swimming Carnival

Congratulations to the Year 7-12 students who participated in the recent Interhouse Swimming Carnival. A huge thank you to the many students who competed and joined in with the friendly competitive House spirit. The behaviour of the students was exceptional and the level of participation from the Houses was fantastic.

A big thank you to several parents and old scholars for helping out and a special mention to the student leaders for showing great leadership on the day.

Well done to Mumba for winning back to back championships

Mumba	1,564
Wira	1,498
Bula	1,411

Well done to the following 2013 record breakers:

Melissa Synnott	Open girls 50m Freestyle 28.95, 50m Backstroke 33.46, 50m Butterfly 31.71.
Kieren Bergs	Open boys 50m Freestyle 25.74
Ella Smith	13 girls 50m Breaststroke 41.40
Mackenar Bradfield	12 boys 50m Breaststroke 48.71, 50m Backstroke 41.24

Well done to the following Age Champions:

Age	1st	2nd	3rd
<b>GIRLS</b>			
12 Years	K Connors	K Lowe	M Tavender
13 Years	E Smith	C Empson	G Woods

15 Years	J Hume	A Shingles	R Singleton
16 Years	N Anderson	B Marshall	C Lehman / C Coleman
Open	C Jonsson	K Bergs	G Warrener

*Mr Gary Graves, Head of Sport*

## JUNIOR SPORT

### Year 3 - 6 Swimming Carnival

Congratulations to all who competed in the Year 3-6 swimming carnival on Monday. The level of competition and enthusiasm was outstanding and it was great to see so many students swimming to the best of their abilities. A big thank you to all parent helpers and those who came to support their children. Overall house results, age champions and record breakers will be in next week's compass, after being announced to students on Monday's assembly. All parents are welcome to attend.

### Primary District and Lutheran Swim Teams

Congratulations to all who were selected to represent Pacific in the school swim team. We have two inter-school events next week. The first is the rescheduled District Swimming Carnival on Tuesday, 26<sup>th</sup> February which will now be held at the Noosa Aquatic Centre from 9.00am (NOT Nambour Pool). Then on Friday, 1<sup>st</sup> March the team will travel to Morayfield for the Lutheran Swimming Carnival.

## Junior Basketball Program - Semester 1

Once again we will be running a Junior Basketball program at the school. This year, however, we will be running the program in Semester 1 as well as in Semester 2. The Semester 1 program will begin on Friday, 8<sup>th</sup> March (Week 6 - NOT next Friday as previously advertised, and will only be running for eight weeks. It is aimed at students who are not already involved in the Junior Netball or soccer seasons at the moment; however it is open to all students in Years 2 - 7 who would like to attend. An information letter and registration details will be sent home to all students throughout the week.

## Year 4 - 6 SCISSA

Please note that the first round of SCISSA games begins on the Thursday, 7<sup>th</sup> March against Caloundra Christian College. Students will be trialing for their sport choices leading up to this week and parents are asked to please not purchase specialist equipment / uniforms until all teams have been finalised. After school training begins on Monday, 18<sup>th</sup> March (as per the school calendar) from 3.15pm - 4.15pm.

*Mr Mark Hauser, Head of Junior Sport*

## Pacific Soccer Update

### Sign-on for 2013 Season

With only two weeks to the start of the 2013 season, more than 160 registered players have now been

placed into 16 teams, ranging from U6 to U15, and the team lists have been displayed outside the Prep classrooms.

The task of preparing our team lists has been both challenging and time-consuming, and a big thank you must go to Jenny Lee and the other committee members for the many hours spent on this task. Whilst every effort has been made to accommodate requests for particular teams, we regret that in some cases all requests could not be achieved.

### Places Available

We are still after extra players for U10s (born 2003) and have a few places available for U6s (born 2007/2008). If you would like to be part of Pacific Soccer this season, and experience the fun and excitement of playing in a team each week, please let Jenny know now, to avoid any disappointment.

## Sponsorship Opportunities

Pacific Soccer has always appreciated the generous support of our family businesses who sponsor the match jerseys worn by our teams. The match jerseys are worn every week during our season, and also appear in our team photos which are published in the school magazine. Match photos are also included in the school newsletter, and therefore continue the exposure which any jersey sponsorship will provide. The jerseys are also kept for around four or five seasons, and therefore provide ongoing promotion for any business for many years.

At this stage we have nine sets of new match jerseys, which will be worn by our teams this season and are all available for sponsorship. Only one business will be advertised on each set, so if you would like to sponsor your team, and promote your business, please contact Lala Burnes immediately.

## Team Coaches and Managers

Pacific Soccer would like to thank our many coaches and managers who have kindly devoted their valuable time this season to help their team. Your dedication is greatly appreciated by the players, their families and the club, because it allows the players to play their game, to learn new skills and to enjoy playing each weekend.

A few teams still require either a coach or a manager. If you would like to show your support for your team this year, coaching or managing is a great way to become actively involved and your involvement will be especially appreciated by the players. Coaching clinics are available to provide additional guidance with training exercises and drills, and we also have Mr David Becker, our Director of Coaching, who can also provide assistance as well, to allow our players to continue to learn new skills and to grow throughout this season.

Could everyone please remember that our coaches and managers are all volunteers and have a "day job" as well. They have generously offered some of their time for the benefit of the team and any assistance you can provide for them throughout the season will always be greatly appreciated by us all.

## Working Bee 2013

Last weekend the wet weather kept all but the most committed away from the school, but thank you to the parents and players who did come along to help out with the preparation of the canteen equipment and the erection of the timber frame to secure the end of the Sports Shed.

Our final task is to erect some shelves in this space, and re-organise the canteen area, in preparation for our Rooball Carnival on 9<sup>th</sup> March.

## Pacific Soccer Canteen

Pacific Soccer always operates a canteen at our home games and Rooball carnivals. This season, Mr Mark Christensen has offered to take on the role of canteen convenor and to be responsible for the background administration and the ordering and stocktake for the canteen. He will, however, require the assistance of our families and teams, to allow supplies to be collected, and to allow the canteen to be operated efficiently during each home game.

During each of our home games, the operation of the canteen is the responsibility of our Pacific Soccer families, who have always generously provided their time, to allow the canteen to be a success, and to serve our customers. A roster for the

operation of the canteen will be prepared shortly, which generally requires each team to provide assistance perhaps three times throughout the season. If everyone helps out equally, then the canteen can continue to operate, and will be able to provide a valuable service to our players, the spectators, and to the club.

Would you like to assist the Pacific Soccer canteen this season?

We would greatly appreciate the assistance of anyone who would be able to do some baking for our home games, and perhaps whip up some muffins, biscuits or small cakes.

Any baking will be sold through the canteen and would be enjoyed by our teams and their families, as well as our visiting teams. Home-made baking is especially valued in our canteen, because of the extra effort which is involved and because of the natural goodness which comes from home-baked snacks.

If you have any queries regarding registration, or if you need any further assistance, please do not hesitate to contact us.

## Pacific Soccer Contacts

Registrar: Jenny Lee 0400 229 908

# Procedure for Parents to Access Parent Lounge from the PLC Website

1. Navigate to the School Website at the following address:

[www.pacificlutheran.qld.edu.au](http://www.pacificlutheran.qld.edu.au)

You will come to this front page:

2. Click on the *My PLC* tab and the Secure Area login page will display as below:

3. Enter your login credentials as provided by the school. Your username is your parent code, and your password is your BPay reference number.
4. Once entered, you will be directed back to the website Secure Area page.

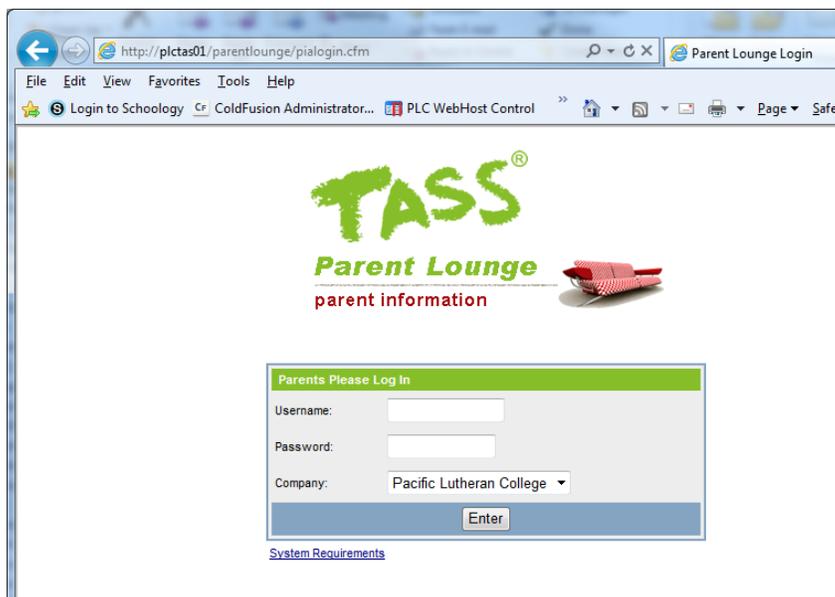

5. Hover your mouse cursor back over the *My PLC* tab, and click on *Parent Area* from the drop down menu.

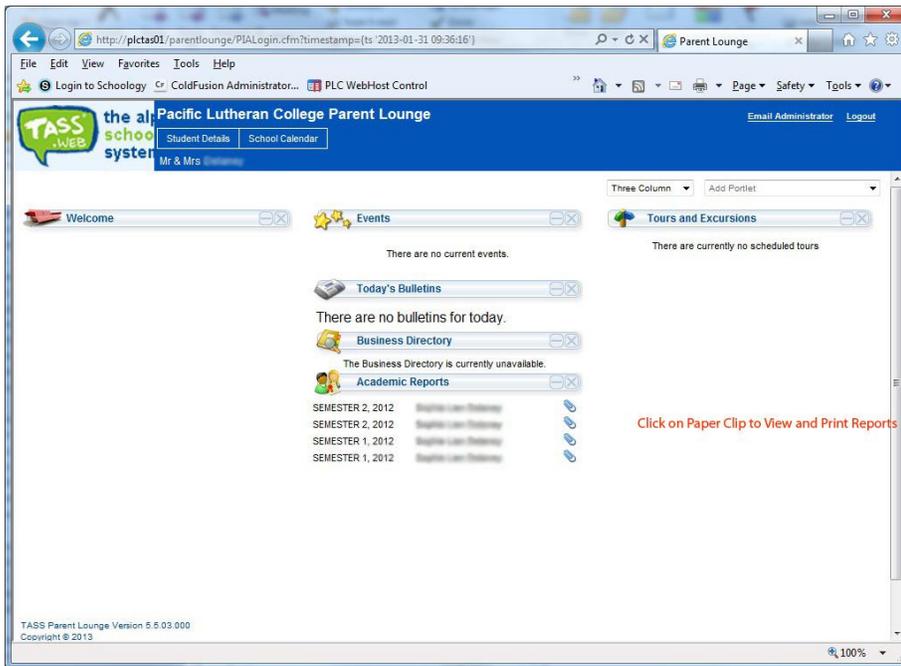

6. Click on the *Parent Lounge* graphic to enter Parent Lounge.

7. This will bring up the *TASS Parent Lounge* login box as below.

8. Enter the same username and password credentials into this dialogue and you will enter the Parent Lounge.

9. Click on the paper clip icons at the bottom of the centre column of information to view and print your child's report.

# ***Pacific Lutheran College***

## **Pre-Season Football Coaching**

*“Get ready for the new Football season with two skills coaching sessions”
