

Being Generous With our Connections

The theme for this year's International Women's Day was making connections. Mother Theresa tells us that loneliness, the greatest poverty of all, is much more endemic in developed countries than those countries traditionally thought of as poor. This is a poverty we can all address immediately. We can choose to be inclusive in our relationships and to throw out webs of connection that weave people into community.

This is the strong story of Jesus life. He wove His love in and through the most unlikely of ways and people. He weaved those that others were critical of into His circle of love. The story of Mary, a woman who was judged by the Pharisees to be unworthy, washing Jesus feet with perfume is one example. Jesus response to Mary was one of compassion, love, acceptance and inclusion. We are called to be compassionate to our neighbour, to draw them in, and to build webs of connection, rather than walls of exclusion.

Principal's Log

Last week the summary data for 2012 was released on the My School Website. The data reflected the very good performance of the Year 3, 7 and 9 cohorts relative to national means, with the Year 5 cohort performing consistently with the national means. The site also shows a very high proportion of Year 12 students going onto university. The college uses the detailed NAPLAN data released in September, and Year 12 data related to QCS and Next Steps as part of the suite of data to plan for improvement. Data is interrogated on an individual and cohort basis. A key part of the improvement process for this year has been the use of the Developmental Reading Assessment Program across Years 3 to 7 to continue to support the extension of student's reading and reading comprehension skills.

It was good to see a strong contingent of students applying for scholarships this year. With the completion of the academic testing on Saturday, we now wait for the academic results to be returned to the college. We would expect for this to occur before the end of April.

Last Friday we enjoyed a breakfast to celebrate International Women's Day. Past student Sarah Wright spoke about the strong local and international connections she has built through her post school experiences. Miss Stone then had some very thought provoking clips about building and valuing the strong connections in our lives. Thank you to parents and students for their attendance and Miss Stone and her team for the organisation of the day.

It was good to see the Saturday soccer get formally underway with their matches on Saturday. The enthusiasm and spirit shown by players, supporters and coaches was energising. Thank you to Mr Ian Barnes and his committee who have done a wonderful job in constructing the new canteen area and getting ready for the season.

It was also good to see our boys play rugby against Matthew Flinders Anglican College on Monday night. The games were played in very good spirit with plenty of skill evident. Well done to all of the teams who have been training hard. Thank you to Mr Darren Hooper, Mr David Druery, Mr Andrew Block

and Mr Parrish MacLeod for their coaching and support of these teams.

There was also considerable energy and enthusiasm at our Friends of Pacific meeting on Tuesday night. Thank you to Mrs Melissa Pollack who has agreed to take on the role of Ocean Festival Coordinator for this year and the band of parents who are enthusiastically planning ways to stage a wonderful community event.

May we all look for opportunities to strengthen and extend the connectiveness for others.

Dr Bronwyn Dolling, Principal

Thanksgiving Service for Pastor Rick

Some members of our community are aware that at the end of last year, Pastor Rick was diagnosed with motor neuron disease.

The symptoms of this have meant that Pastor Rick is unable to continue as pastor of the local congregation.

Pastor Rick has given great service to the Pacific community. Families will have the opportunity to celebrate Pastor Rick's service to the college community at either a special college service in Term 2 or as part of the Lutheran Church celebration of his ministry at a congregation service to be held on Sunday, 28th April at 10.00am at the Caloundra Primary School.

Daily Bread

Praying, Trusting, Living in God's Care

Following the fire last week, we thanked God in many different settings. We prayed and thanked God that the people of our college were protected from all harm and danger. This kind of praying is actually part of our week by week worship life at Pacific.

The prayer below was written by Dr Martin Luther, to help ordinary people to bring their concerns to God, and to trust that God is guiding and protecting them. Sometimes we pray this prayer, or prayers like it, in chapel or in other devotion settings in class or PCG or in staff devotions. Dr Luther gave instruction that this prayer is intended for daily use. When we pray this kind of prayer, we begin the day by acknowledging that God

has been gracious to us. We then ask God to help us throughout the day, especially asking God to give His holy angel to be with us.

We talk to God and trust that God will protect us, as God did during the fire.

A MORNING PRAYER - crafted by Dr Martin Luther for daily use

"I thank you, heavenly Father, through your dear Son, Jesus Christ, that you have protected me through the night from all harm and danger. I ask you to keep me this day, too, from all sin and evil, so that in all my thoughts, words, and deeds, I may please you. In your hands I place my body and soul and all that is mine. Let your holy angel be with me, so that the evil one may have no power over me. Amen."

Bundaberg Fundraising Events

Last Friday morning, we held a breakfast at the college in recognition of International Women's Day. Our past graduate (2009), Sarah Wright, was our guest speaker for this event. Sarah reflected on the theme 'Building Connections' and shared her journey about life post-PLC. Thank you, Sarah for being our guest speaker.

The work of the Year 7, 9 and 12 leaders, who assisted with the various fundraising events for the Bundaberg Appeal last week is also very much appreciated. So far we have raised \$1,077.

Thank you to the college community for supporting these events.

Service Learning

An important component in the development of students is inspiring in them, the adopting of a sense of civic responsibility to the communities they live in. Volunteering their time in assisting others is a pursuit that will benefit their personal growth and lifelong experiences immensely. Letters will go home in the first week of Term 2 regarding the ANZAC Day service which will be held on Thursday, 25th April (Week 2). We encourage all students to be a part of this event.

Senior College

Thank you to senior students for the way in which they have approached their academic work and the way they have conducted themselves this term. The remaining week of the school term will see students receive feedback regarding their assessment (an opportunity to reflect and consolidate learning) and new academic work started.

Important work for all senior students will continue right through until 3.00pm Thursday. It is important that students continue to make best use of their time to ensure they do not fall behind in this time.

Thank you to parents and guardians for your continued support. Students are encouraged to stay focused and have a restful and great break when the school holidays begin.

Miss Kim Stone, Head of Senior School Students

NAPLAN 2013

The Australian Curriculum, Assessment and Reporting Authority (ACARA) has responsibility for the central management of the National Assessment Program - Literacy and Numeracy (NAPLAN).

NAPLAN tests are held during May each year and this year will be on Tuesday 14th, Wednesday 15th and Thursday 16th May.

Students will have their skills assessed in numeracy, reading, writing, spelling, punctuation and grammar. National tests will provide information on how students are progressing against national benchmarks and support improvements in teaching and learning at the college.

For **Years 3, 5, 7 and 9** there will be four tests: Language Conventions, Writing, Reading and Numeracy.

For the Writing test, students will be given a stimulus and asked to write a response to the task in a maximum of three pages. Students will be required to write a **persuasive text**.

The response formats for questions on all other test papers will be either multiple choice - shade a bubble to indicate the answer, or constructed response - write the answer in a box or on a line.

Results from the tests will provide information about children's progress in literacy and numeracy. Following the tests, schools

and students will receive a statement of performance in relation to the national minimum standards.

Teachers across the college are focusing on teaching students test preparation strategies and familiarising them with the test process.

It is important that if your child is in Year 3, 5, 7 and 9 that they are at school on the Tuesday, Wednesday and Thursday for these tests.

As parents, it helps your child if you take a positive view of the NAPLAN tests. It is good to see them as learning opportunities. The majority of children take them in their stride and enjoy what each test brings.

Information about the tests for parents is available on the NAPLAN website: <http://www.naplan.edu.au/>

Hospitality News

The BYTES CAFE run by the Hospitality students of a Wednesday at morning tea is a great success!

So much so, that we have trouble getting to the end of the line in the allocated time.

The students have been testing their skills by cooking slices and muffins to sell on the day. The special for the last two weeks has been the 'Oreo Milkshake' which has proved to be a huge hit - running out of biscuits and milk each week.

This week we had the café as a fundraiser for Bundaberg and made \$188 (a lot of biscuits and milk).

Thank you Year 11 and 12 for all your hard work and for giving up your morning tea to make this a success.

Thank you also to all the parents for supporting this function.

Mrs Julie Peters

Maths Moment

Maths Challenge

We will again be running the Maths Challenge competition, which is organised through the University of Canberra. It consists of a booklet of very difficult questions (about five) for students to work through on their own within a three week period. Students can be from Years 6 to 9. The questions are aimed at the top 15% of students in a year. Maths teachers will have a copy of an old booklet, so if you are interested have a look and decide if this is for you. The questions will be challenging and require time and persistence. Written solutions are handed in to be marked. The starting time will be at the beginning of Term 2. There will be meetings once a week during lunchtime, to ensure the students are on track, during this three week period. If you are up for the challenge, please let your Maths teacher or Mrs Steven know. Also, if there are any senior Maths C students who would like to be a mentor for the younger grades, please let Mrs Steven know.

Mrs Jasmin Steven, Head of Mathematics (Years 6-12)

Indian Musicians Visit

Last Wednesday morning we had the pleasure of the company and great skills of Calcutta born Sandip Burman, a master of the Indian Sitar and Tabla. Students were treated to a full hour of playing, which included a number of collaborations with harmonica and guitar support. Students were thrilled at having this opportunity to hear an exotic instrument played at a world-class standard. Students also asked questions, learning about the difficulty involved in learning, playing and maintaining instruments such as were on show. This was a part of the first leg of their Australian tour, with visits following in all states before performances in Hong Kong and further abroad. Sandip presently resides in Chicago.

“Spirit and the Maiden”

Just a reminder to book your seats for SPIRIT AND THE MAIDEN this weekend.

Saturday, 23rd March from 7.00 - 9.00pm at the Eudlo Hall, Rosebed Street, Sunshine Coast. Doors open 6.30pm with support act Sunshine Coast Youth Orchestra Chamber Strings, a decadent vintage dessert bar, fruit punch and a selection of fine teas.

\$30 adult music lover / \$25 concession and Eudlodian / \$15 student / group and family.

Music for piano trio by Elena Kats-Chernin, Jennifer Higdon, Rebecca Clarke and Judith Bingham.

Louise King is particularly excited to bring this world class concert to her sleepy little rural village in the Sunshine Coast hinterland.

“I wanted to create an event that captures quirky Eudlo, to celebrate its community spirit and explore the vintage rural charm of the cute and acoustically vibrant wooden hall and showcase local creative business” she says.

The Sunshine Coast Youth Orchestra's Chamber Strings is to be the support act pre-concert and local singer-songwriters will play ambient music for EARTH HOUR post-concert.

Experience event styling by Trudy Croad of *Lovebird Weddings*, a stunning grand piano generously donated by Nigel Bland Piano Warehouse, a vintage dessert bar with scrumptious cakes by local patisserie chef Aeron Heffernan, fine teas and fruit punch, easel art by Maya Carter-Malins from Rosebed Street Gallery and cute vintage dresses for sale by Katie Gannon of Mother Maria.

Thanks to Bibiana Stanfield for event photography, Tony Hilton for piano tuning, Bruce Hamilton for live concert recording and Cello Dreaming event volunteers.

Hope to see you there!!!!

Monday Night Netball News

Netball News: Round 3

PLC 1 v St Theresa's: PLC played an excellent second half but were defeated 13 - 25.

PLC 2 v Grammar Red: A fantastic game, team coming together and fought to the very end.

PLC 4 v St Theresa's: A close game! PLC fought hard but were defeated 22 - 26.

PLC 5 v Unity 6: PLC played a strong game and defended well but were defeated in the final quarter, 13 - 16.

PLC 6 v Matthew Flinders: The Year 7 girls were up against a strong Year 9 team and although were behind, they did not give up and fought to the very end.

It was great to see all Pacific players working as a team this week, despite tough opposition. Girls are reminded to check Schoology for game times; however, as the draw is now fixed, teams will play at the same time each week. A big thank you to all our parent supporters who have braved the cold, rain and wind for the past two weeks. The girls and coaches have appreciated your on-going support and encouragement.

PLC Netball March Pass Winners

Pacific Soccer Update

Round 2 - 16th March

For our U6 - U10 teams, the regular fixtures started last weekend and our

spectators enjoyed seeing our players for home games at Pacific. We have included a sample of the action, and thank you to Stacey Kilburn, for these wonderful photos.

Always remember the coaches advice, and allow the foot to follow through, to get full power with your kicks!

Our U11 - U13 competitive teams also played their second grading game at Pacific, allowing our spectators to see other games on the full-size field during the afternoon. Thank you to Hannah Abraham for your photos as well. The Jets played a trial game against the Nambour Mountain Lions, an U16/U17 team, and managed a 3-2 win. A great result for a younger team.

Round 3 - 23rd March

This weekend our competitive teams will be playing their final grading game, and the U11 Tigerheads, U12 Barracudas, U13 Marlins are all playing at home. The Jets will also be at home against Caloundra Black, another U16/U17 team. Unfortunately the U13 Seahorses will be playing away at Immanuel, so we will not be able to see them play at home this weekend.

After this round, the matches will cease until after the Easter break, with Round 4 commencing on 20th April.

Assistance With Field Set Up

Each season we have eight home games which are played at Pacific. We would appreciate some extra help with setting up the nets and fields in the morning, and packing away in the afternoon. Setup occurs from 7.00 - 8.00am, and the pack up around 4.00 - 5.00pm. The setup only takes about three person hours, which is less than an hour each if we have three-four helpers, but is too much for only one or two to handle. If you can assist with the set up, please let me know, and I look forward to seeing you on the weekend.

Baking for Canteen

Thank you so much for the cupcakes and slices which were baked for last weekend and were so popular with all our players and their families.

We always appreciate the assistance of anyone who would be able to do some baking for our home games, and perhaps whip up some muffins, biscuits or small cakes. Home-made baking is especially valued in our canteen because of the extra effort which is involved and because of the natural goodness which comes from home-baked snacks.

We are playing at Pacific tomorrow (23rd March) and will also be playing home games later in the season on the following dates:

- Round 7 (11th May) and Round 8 (18th May)
- Round 11 (16th June) and Round 12 (22nd June)
- Round 17 (10th August) and Round 18 (17th August)

Please contact Mark Christensen if you are able to assist with baking, or if you have any queries.

Jersey Sponsorship

To cater for the increased number of competitive teams this season, we are about to order some extra sets of larger match jerseys. In addition to these jerseys, we still have a few sets of smaller jerseys remaining, which are available for immediate sponsorship. Sponsors can display the logo of their business on the front of each jersey and this sponsorship remains for the life of the jersey, which previously has been more than five years.

We only have a few sets of new unsponsored match jerseys remaining, so if you would like to sponsor a team, and promote your business, please contact Lala Burnes immediately.

Coaches Evening

This season, Mr David Becker has taken on the role of Director of Coaching, and will be assisting our coaching staff throughout the season. On 14th April,

David held a coaches' evening at Pacific and introduced a draft version of Pacific Soccer's new Coaching Manual.

This document is intended to provide a blue print to outline the aims of coaching within Pacific Soccer, and reinforces the underlying theme of Fun, Enjoyment and Participation within the sport, and also highlights the importance of Continual Improvement, rather than winning.

We will be holding further meetings, and refining the Coaching Manual later in the season as we receive feedback from our coaches, but please contact me or David if you have any questions or need any additional information.

West Ham United ID Camp

West Ham United International Academy is running a two-day training camp at Pacific during the upcoming Easter Break, on Tuesday, 2nd April and Wednesday, 3rd April. Players attending this camp will benefit from coaching and training drills, under the guidance of West Ham Academy coaching staff. Players who excel at the camp will be invited to attend the 2013 Oceania Residential National Camp and may ultimately be invited to London to experience the West Ham United Academy.

This camp was also run last year and proved to be very popular. So please check the flyer at the back of the

newsletter for more information, and register early to avoid any disappointment.

Pacific is a partner school with the West Ham United International Academy (one of only two schools on the Coast), and to show our support for this organisation, our Pacific Soccer teams will be displaying the West Ham United badge on our match jerseys.

Sign-on Gifts for 2013

As part of our sign-on offers for 2013, each player has received a new ball, a Pacific Soccer gear bag or training shirt, and a bumper sticker.

The stickers are intended to complement the Pacific Lutheran College sticker, and to show your support for your club. Could everyone please be respectful with the use of your sticker and display them proudly, but not in inappropriate places, or where they may cause annoyance or distress to other people.
