

Being Just

Being just requires courage, wisdom and compassion. It means we have the capacity to discern what is right and good for ourselves and others. Many times knowing what is right is clear, for example when people speak badly about others or hurt people or animals, it is clear that we need to stand up and ensure the behaviour stops. At other times, choices can be less clear.

In those moments of both certainty and uncertainty, it is important that we have learnt ways of thinking about different issues. Progressively we develop a moral compass. Through dialogue and observation, our capacity to discern can grow. However, just like a magnetic compass, there needs to be a firm reference point that keeps us knowing where we are. God, through the Bible, provides us with that reference point. He advocates that being kind is part of being just. Best news of all, He tells us that through faith we all are justified. That is, we all are made right with God through faith in Him. This is good news worth living and sharing. It adds humility, compassion and celebration to our compass.

Principal's Log

Last Friday we held a chapel to thank Pastor Rick for his services in his official capacity as Congregational Pastor. It was a warm celebration of the gifts that he has brought to this community and the wider Lutheran community. As the congregational Pastor, he was one of the leading people in the establishment of Pacific. As Foundation Pastor of the college, he had a firm commitment to working in partnership with others to build a community where relationships were strong, people were valued and people both young and old had the opportunity to grow in their understanding of Jesus' love for them. His warmth, compassion and capacity to develop relationships with people was and continues to be greatly valued.

Pastor Rick was innovative and always willing to try new ways to make the Gospel both accessible and understood. As part of this, he won a Ruth Murray Scholarship to study the benefits of meditation and shared these learnings with the

Pacific and wider Lutheran community of Australia. Pastor Rick greatly appreciated the gifts from classes and pastoral care groups, taking the time to acknowledge each class. The gift of a copy of the colourful cross that he first bought for the college was also greatly appreciated by him. Thank you to Mr Dennis Mulherin, Assistant Director, who spoke on behalf of Lutheran Education Queensland, Mr Brendan Delaney who spoke on behalf of staff, foundation senior student Kade Savage who spoke on behalf of students and Pastor Paul Smith for his organisation of the service. The good news is that Pastor Rick will continue to visit the college as a pastoral friend.

Sunday's Open Day was a great success. Staff, students and parents all played their part to have the heart, mind and soul of Pacific shining through. Thank you to our students for their support in leading tours, being part of performance groups, preparing and serving food, and completing academic work. Thank you to our staff for the considerable time spent in leading groups or displays, and to our parents for the BBQ, support of performance groups and changing routines to have the students present. Well done and thank you to everyone. May God grant us the wisdom and compassion to grow to be truly just.

A simple summary for the big picture . . .

My training to be a Lutheran pastor included seven years of study. Imagine if that could be summarized into a few words! The seven years of my training was centered on knowing the message of the Bible, so we set about learning and reading the original languages that the Bible was written in.

But there is a summary of the whole message of the Bible, and it is written in the Bible itself. In the Old Testament book of Micah, we read, "What is good; and what does the Lord require of you ... To do justice, and to love kindness, and to walk humbly with your God?"

These three short summary phrases invite a lifetime of learning and reflection. They are three phrases of "doing" faith, not just "thinking" faith. They describe a life caught up into the heart of God - for God is just and kind and good. We know this because God not only invites us to "walk" with Him, but God has come to walk with us in the person of our Lord and Saviour Jesus Christ.

God bless you as you learn to walk by faith.

"What is good; and what does the Lord require of you . . .

To do justice,

and to love kindness,

and to walk humbly with your God?" Micah 6: 8

Opportunities

This week, I asked students on assembly whether they have been watching the television show, *The Voice*. Have you watched this currently popular television show?

The Voice so far has showcased the musical talents of a number of individuals Australia wide. I am not an avid viewer of the show, but what captured my attention was the concept of individuals taking the risk to perform in a blind audition; then if selected, they are given the opportunity to be mentored by a coach to build on their musical talents. In our community, students have many opportunities to give things a go and are mentored by others (peers, staff or others in the community) to build on their God-given talents.

Similarly to this television show, there have been many afternoons where I will be working on things and then hear beautiful vocal harmonies emanate from the Music block; *Bye, Bye, Birdie*... or the sounds of instruments.... I have no idea who is singing what part or who is playing what instrument, but what I do know is that these Pacific students have demonstrated initiative, attend practice and work towards building upon and refining their God-given talents in the music

area under the direction and guidance of staff (such as Mr Simpfordorfer and Mrs Delaney for the musical). What you will not see around the college though is Mr Simpfordorfer or Mrs Delaney swiveling on big red chairs. HOWEVER, you will definitely see staff listening to, supporting, providing direction to, and mentoring students amongst other things to pursue personal excellence.

How can you be involved? We encourage the community to come and enjoy the musical. Tickets are selling fast for the musical, so to avoid missing this opportunity, please purchase these as soon as you can.

Over this term, I will continue to highlight the different areas of the college where students have opportunities to make a difference (both for themselves, for others and the community). It is making the effort to be present (ie. deeply connected and involved), that makes ones presence a gift to others.

Uniform

As we change over to winter uniform, we have reflected on assembly and in pastoral care on the college's uniform expectations which are outlined in the Student Handbook (Middle/Senior College). I have been impressed by the majority of students who are making positive choices in regards to wearing their uniform with pride. This week at assembly, I thanked the senior students and reminded them about wearing blazers to and from school, to assemblies and to chapel with their formal day uniform. Male students should also be wearing ties. During the day, they are able to take off their blazer and store them in their lockers.

A reminder also, that shoes for sport and Health and Physical Education classes need to be recognised running shoes that provide arch support and suitable grip for the playing surface/activity. Skate, dance, dress and tennis shoes with flat soles are not permitted. A preference is for non-marking shoes. If there are any inquiries, please contact Mr Gary Graves, Head of Sport and Physical Education.

Year 12 Formal Group Photo

All Year 12 students please note the following date for your formal group photo:

Tuesday, 21st May 2013

Students who have other commitments on this day are requested to make arrangements so that they are able to be at this photo. The photo time will be communicated in the coming week. Please note this time, the photo will be taken at the allocated time, as students will be required to arrive promptly to ensure inclusion in this photo.

Have a great week.

Miss Kim Stone, Head of Senior School Students

From the Head of Teaching and Learning K-5

NAPLAN

Next week from Tuesday to Thursday, students in Year 3, 5, 7 and 9 will be tested in Literacy and Numeracy - NAPLAN.

Some students may find the tests a little bit stressful. Teachers are encouraging all students to give an answer to every question and to be positive about the experience.

I would also like to remind students and their parents to make sure they have a good night's sleep and a healthy breakfast in the morning.

Students will be able to think more clearly if they are well rested and well-nourished each day before they sit the tests.

It is also important that students arrive at the college on time. This will also help them feel more relaxed.

The tests are a useful snapshot, a one-off assessment that allows the college to review our teaching and learning programs at a whole school level, but also to look at the individual growth of each child.

Mrs Sue Zweck, Head of Teaching and Learning K-5

Walk Safely to School Day

Walk Safely to School Day (WSTSD) is an annual, national event when all primary school children will be encouraged to walk and commute safely to school. This year, all students at Pacific are encouraged to participate in this event. The walk is a community event seeking to promote road safety, health, public transport and the environment. By walking to school, you will get some great exercise and quality time with friends, as

well as reducing traffic congestion and pollution around the school.

It will be held throughout Australia on Friday, 24th May.

If possible, parents are invited to join with their children in walking all or part of the way from home to school on Friday, 24th May. Walk and Talk . . . If you feel you live too far away to walk from home, then meet at Oakdale Park, in Oakdale Circuit, Currimundi and join us for a short 850m walk from there. Mr Druery will be there to meet you at 8.00am, for an 8.05am departure. To ensure the safety of our students, we ask that children are accompanied by a parent / carer where possible.

Allergy Awareness Week

Allergy Awareness Week will be held from 13th - 19th May. At Pacific in Years P-5, we have a number of students who can suffer from life threatening allergic reactions when exposed to peanuts or nut products. A number of students also can suffer severe allergic reactions caused by other allergens including insect bites and a variety of other food products. In the case of peanuts and nut products, avoidance of the food trigger is the only way to prevent a reaction. With the increased emergence of serious allergic reactions amongst children, this issue impacts on the entire college community. **It is requested that parents do not send nut or peanut products of any kind to school with their children. Examples of products that contain peanuts are Peanut Butter/Paste, Nutella, Peanut Bars and some muesli bars and health bars.** Please read food labeling to ensure that foods sent to school do not contain peanuts.

Prep - Year 5 Monday, 20th May

Years 6-12 Tuesday, 21st May

Every child has received an envelope to place his/her order for individual class photos. If you would like a family photo to be taken (families with two or more children), a family envelope can be collected from Miss Sainty in the office.

A reminder that these envelopes are to be returned to the school office PRIOR to the photography day (**by Wednesday, 15th May**) as these envelopes must be sorted prior to commencing to photograph.

Each child must have a completed envelope, even if you are paying for more than one student in one envelope. Envelopes are not to be placed inside other envelopes. Student order/family envelopes found placed inside other order envelopes will often result in that student missing their portraits as they will not be discovered until after the day of photography.

YEARS 6-12: When filling out your envelop, "Roll Class" is your Year level and class (eg Year 8A - not Mumba 1).

The photographers have an automated system for payments by credit card. You can go online to www.advancedlife.com.au for easy to understand payment instructions. You will receive a receipt number which **MUST** be written on the order envelope in the space provided. You can also make payments by cash, cheque or money order.

Students are required to wear FULL DRESS UNIFORM on either Monday, 20th May or Tuesday, 21st May.

- Does your family spend more than \$22/week* on fares to and from school (* \$17/week if you hold a concession card)?
- Does your child travel on a publicly available bus not owned or associated with the school?

Students with Disabilities

- Does your child have a verified disability that requires transport assistance to and from school?
- Has your school's learning support teacher assessed your child's travel capability rating as 'semi-independent' or more dependent?

Visit the following website to see if you qualify for financial assistance to help with the cost of transport and **apply at www.schooltransport.com.au by Friday, 31st May 2013.**

Late applications cannot be accepted.

Maths Moment

Maths Tutoring

The college wants to support students academically so once again tutorials are offered for students in Years 7 to 12 who

would like extra assistance or clarification of concepts in Mathematics.

These tutorials are on Thursday lunchtimes (in room L14) or Thursday afternoons from 3.30pm to 4.30pm in room L14 and are supported by Mathematics teachers on a rostered system. Students are welcome to come along for a quiet place to complete Maths classwork, homework or ask for assistance. The expectation is that they work quietly and that they remain within the room until 4.30pm or are picked up earlier by a parent. The section in the Student Handbook on page 178 is to be filled in if you would like your child to attend.

If you have any queries about any of the above, please contact me at the college or email jsteven@pacluth.qld.edu.au

Friday Night Basketball Begins in Term 3

Any students who wish to play basketball for the school in Term 3 are asked to please sign up at school as soon as possible. This year we hope to build on the success we experienced last year and hope to have more teams entered

than ever before. The competition caters for a range of experience and ability levels. Teams are divided into A and B divisions for Years 7/8; 9/10 and 11/12 boys and girls. If you would like more information about this competition, please contact Mr Hauser at school. Looking forward to another great semester of inter-school basketball!

Mr Mark Hauser, Head of Junior Sport

JUNIOR SPORT

Year 4-6 SCISSA

Please note that all Year 4-6 students are required to train after school every Monday throughout the SCISSA season. SCISSA training goes from 3.15pm - 4.15pm on school grounds. Anyone who cannot attend must provide a note to their coach, prior to training commencing, excusing them from training.

District Sport

Well done to Sam Fleming, Lucas Howell, Haden Hurd, Sam Aitken and Mackenar Bradfield who made it into the District Soccer (Football) team to compete at the Sunshine Coast trials this week. Brooke Tait and Victoria Burns were also successful for the girls. Congratulations also to Jayden Green who is (for the second year in a row) a Sunshine Coast Rugby League representative, and will compete at the State Rugby League Championships later in the year. We wish all the Pacific athletes all the very best.

Year 3-7 Athletics

Term 2 is athletics season and this term is our Year 3-7 Athletics Carnival. Our first proper athletics event, discus, will be held on Thursday, 16th May (next week) on the school grounds. On this afternoon, students must be in House shirts and will also trial in house groups, for 100m and 200m places for A, B and C division at the carnival. The full carnival will take place at the University of Sunshine Coast on Tuesday, 4th June. Please keep an eye out for more information throughout the term.

All Schools Cross Country

Congratulations to Jason Wulff who competed in the All Schools Cross Country carnival over the weekend. Jason placed 8th overall in his age group out of more than 50 runners, which is a fantastic achievement. Great work Jason! I look forward to seeing how he competes at the District Cross Country this week!

Junior Basketball Program

The final session of the Year 2-7 Junior Basketball program is on next Friday. Each team will play one final game each, with finals matches being played on the indoor courts. At the conclusion of the games, there will be a short presentation for medallions for various teams and players. All players are asked to please remain until the end of the program before going home next week. I thank all parents for their support of the program and congratulate all participants for their enthusiasm and their improvement throughout the eight weeks. Well done!

Pacific Soccer Update

Round 6 - 4th May

Last Saturday was *Star Wars Day*, and our gallant players competed boldly on the field,

using skills and teamwork, instead of light sabres.

The competitive teams generally had very close matches. The U11 Tigerheads lost by just one goal to Buderim and the U13 Marlins and U13 Seahorses had close wins against Chancellor and Immanuel respectively. The U16/17 Jets had a 3 - 1 win against Nambour and U12 Barracudas had a solid win against Caloundra White.

The next two rounds will be played at home, so it will be wonderful to be able to see all our teams playing again.

Thank You from Pacific Soccer

We would like to extend a warm welcome to Jodie Swindles, the new manager of the U8 Pythons, and to Melissa and Damien Evans, the new managers of the U12 Barracudas. Thank you all for offering some of your time to help out your team.

Thank you also to Tony Aitken and to Shelagh Brennan for your time as manager of the Pythons and the Barracudas respectively. The generous contribution which you have made to your team is greatly appreciated by the players, the team and by Pacific Soccer.

Recycle Old Mobiles and Help a Worthy Cause

SCCSA has adopted 2013 as the “Year of Compassion and Commitment” and is supporting a campaign to collect and recycle old mobile phones, with the funds raised going to research into childhood cancer.

The collection box will be moved from Main Admin to our canteen for the next two home games. If you have any old mobile phones and would like to support this worthy cause and help our environment, please drop your phone into the box in the next two weekends. Also remember to remove the SIM card and delete any personal information from the phone.

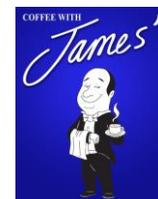

Team Photos

Each year Pacific Soccer arranges for team and individual photos for each team. These photos will be taken by Sunshine Sports Photography on the team's regular training day, from 12th to 14th June. We will provide a reminder, an order form and photo times closer to this date.

Enjoy a Good Coffee?

For the next two home games, Pacific Soccer has invited *Coffee with James* to provide coffee and hot drinks to our many spectators. With the cooler weather approaching, we are hopeful that the coffee van will become a regular feature of our home games, so come along and . . . enjoy.

Round 7 - 11th May

Round 7 this weekend sees 15 of our teams playing at home. The games commence at 8.30am and the U13 Seahorses will play the last game, which kicks off at 3.25pm. Unfortunately the U16/17 Jets are playing at Mudjimba at 1.20pm, so we will not be able to see them at home this Round.

Each manager will have game times, or visit www.SCCSA.org.au or call us for more info.

Next Home Game - 18th May

After this weekend, our next home game will be on 18th May, 15th and 22nd June.

We would greatly appreciate the assistance of anyone who would be able to do some baking for our home games, and perhaps whip up some muffins, biscuits or small cakes.

Baking is sold through the canteen and is enjoyed by our teams and their families, and our visiting teams. Home-made baking is especially valued in our canteen because of the extra effort which is involved and because of the natural goodness which comes from home-baked snacks. Please contact Mark Christensen if you are able to assist, or if you have any queries.

As a not-for-profit facility, we are creating a hospital that uses leading edge technology and is staffed by leaders in a wide range of services including: Intensive Care, Cardiovascular, Vascular, Obstetric and Gynaecology, General Surgery, Urology and Urodynamics, Cancer Care, General Medicine, Renal and Respiratory Services, Endocrinology, Mental Health, Plastic and Cosmetic Surgery, Ear Nose and Throat, Orthopaedic, Oral and Maxillofacial, Rehabilitation, Endoscopic Services and much more.

Considering a career in health?

On 5 September 2013 you can experience the Health Industry!

Only 60 places available

Your application form needs to be in by 15 May 2013

Criteria: Interest and demonstrated caring qualities

2013 is the seventh year that *The Sunshine Coast Private Hospital* located in Buderim has invited Sunshine Coast High School students to learn about careers in the private health sector.

There are two session times: Morning or Afternoon.

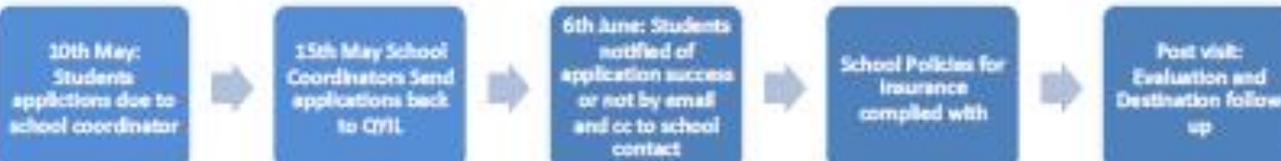

If the operational requirements of the hospital permit, a tour will include visiting Patient rooms (without patients), Intensive Care, Operating Theatres, Allied Health Services and other wards. Of course the priority of the needs of patients will determine access to areas of the hospital.

The presentation is provided through the generous support of the Education team.
