

National Reconciliation Week

This week between 27th May and 3rd June, Australians celebrate National Reconciliation Week. These dates commemorate two significant events. May 27th marks the date of the successful referendum to give the Commonwealth the power to make laws for Aboriginal and Torres Strait Islander peoples and to recognise them as part of the national census. The second date of June 3rd was the date that the High Court of Australia delivered its Mabo decision which recognised legally that Aboriginal and Torres Strait Islander people have a special relationship with the land that predates European settlement. The journey to reconciliation has been a long one with Aboriginal and Torres Islander people being formally recognised as Australian citizens in 1949 and given Commonwealth voting rights in Queensland in 1962.

The theme for this year of “Lets Talk Recognition” focuses on how ‘Australians can better recognise each other and the contributions, cultures and histories of Aboriginal and Torres Strait Islander peoples’. Last week we had an unexpected visit from Aboriginal artist Edie Holmes from the Ampilatwatja Region NT. Edie is a close family friend of the Smith family. It was a delight for our Year 11 and 6 Art classes that they were able to hear firsthand from this wonderful artist about her work and her life. Some of her work can be viewed at http://www.bandigan.com/stockroom/Edie_Holmes_Akemarr/index.html.

The valuing of people for their equal humanity and seeing beyond labels is something that God calls us to do.

Principal's Log

Over the past week the college community has given strong support to the Salvation Army through the collection of food and collecting for the Red Shield Appeal in the Caloundra and Kawana areas. Through the collections and the uniform free day, the college raised over \$6,000 and collected well over a 1,000 cans and baby products. There was recent media coverage of the importance of the Salvation Army in supporting families who have found themselves in hard financial circumstances and this level of support will make a significant difference for many families in our local area. Thank you to the students and their families who collected on Sunday, Mr Brendan Delaney for his overall organisation and to staff Miss Kim Stone, Mrs Janine Delaney, Mrs Rowena Marshall and Mrs Rae Hall for giving up their time for this important cause. Thank you to our community for your generous donations.

Last Monday two of our netball teams were involved in finals as part of the Fisherman's Road school competition. The Year 8 Junior B team played well but lost their final against Suncoast Christian College and the Year 9 Intermediate C won their semi final against St Andrews Anglican College and will now play in the final on Monday night at the Caloundra Indoor Stadium at 4.30pm. We thank coaches, Dr Peter McMahon, Mrs Leigh Drogemuller, Miss Elley Johnstone, Mrs Andrea Burnett and Mrs Kim Howard and assistants Mrs Sharon O'Keefe, Mrs Denise McMahon and Miss Bronte McMahon, for their time, encouragement and skill in taking our netball to the next level this year. We particularly thank Mrs Leigh Drogemuller for her outstanding work in the support of netball and encourage as many people as possible to get to the stadium on Monday night to support our girls.

The Prep - Year 2 students enjoyed participating in their cross country and the strong support given to them by their parents and grandparents on the day. Thank you to Mr Druery for his development of the students and to Mr Hauser for the organisation of the day.

We encourage our middle and senior students to make good use of their time over the coming days to continue to prepare well for their upcoming exams. Every small step will make a difference.

We give thanks to God for the blessings that He brings each one of us and this community. We pray that God would assist all those people in need and help us to see beyond labels to the rich humanity of all people.

Dr Bronwyn Dolling, Principal

Daily Bread

Good Boundaries = Good Life - Honour Your Father and Mother

My family includes an old Border-Collie, named Zehrs. She was named after a Canadian supermarket chain, but that is another story.

For a number of years, we lived with Zehrs in a house in Battery Hill. This was very convenient for taking Zehrs for "walkies" because the "dog beach" as we called it, was just down the hill. Zehrs loved to run free on this beach which allowed dogs to be off the leash.

Until the day that Zehrs was mauled by two big thug dogs. Poor Zehrs went to the vet a little worse for wear.

Now we have moved to Buderim and we live in a house with nice high fences to provide Zehrs with a safe play area. She snuffles about in the leaves and trees quite protected from any mauling hounds outside.

Also, the fences keep people safe from Zehrs. Before we moved to the Sunshine Coast, we lived near a school where students walked past our fence and many were mean to Zehrs. She would trot up to people all friendly, but many hurt her with sticks and rocks. Now she has become a growly dog.

In our Battery Hill house, you had to walk through the gate into the yard to get to the front door. On the way, you were confronted by a scary Zehrs. Now in our new house, the fences keep Zehrs in the back yard, and the house is not enclosed by the fences. A person can walk up to the front door without even meeting her.

God gives boundaries for protection. God protects us from outside harm and protects us from going to places where we could do harm. The commandments are like the fences in our Buderim yard - to provide protection so that we could live a good life.

One of the commandments has to do with God's representatives: Parents. God teaches us to "honour your mother and father". When we live according to this commandment, God promises us a good life.

Pastor Paul Smith

From the Director of Students

The Red Shield Appeal / Door Knock was very well supported by students and parents last Sunday morning. We were able to cover all the areas assigned to us by the Salvation Army in the Wurtulla, Currumundi, Creekside and Pelican Waters areas. Around 80 students took part and they were well supported by parent and staff drivers. In around two hours, the students were able to raise \$5,000 for the Salvation Army. The college community added to that total by around \$1,000 with a uniform Free Day and ice cream stall this week. We have also been collecting food items to help the Salvation Army in Pastoral Care classes and Primary classes this week.

There is a Zulu saying, that people are people because of other people. What connects us to others is love and conversation.

At Pacific, staff take the time to have growing conversations with young people. For us, as a school community, it is important for students to reflect on and evaluate their actions. This ties in with our Restorative Processes and general approach to walking with and growing students in relationships. Andrew Fuller spoke at the recent Generation Next conference on high impact conversations with young people. Andrew made the point that great conversations are like enchanting songs sung between people. Conversations harmonise and resonate and deepen our relationships. They are central in creating a meaningful life.

However, the fine art of talking, getting your message heard and understood as well as converted into some form of action by another human being, is an amazingly tricky business. There is also a difference between 'girl chat' and 'boy chat'. For example girls speak two to three times more words than boys per day. With our boys, we tend to keep our

conversations direct, firm, fair and where relevant, bring humour in. With girls, details are important, shared feelings need acknowledgement and relationships analysed.

Every day the conversations we have with young people build relationships and grow students in their relationships with others. The time we take at Pacific to do this helps grow empathy in our young people and develop them into community minded adults.

Mr Brendan Delaney, Director of Students

From the Head of Teaching and Learning K-5

If we, as parents, continually encourage our children we can have a deep and positive effect on them. The messages that we send them do stay in their minds and influence the way they think about themselves and how they behave. If we let children know often enough that they are inept or inadequate they will believe it, as we are significant reference points. Through the use of constant encouragement, parents can promote self-confidence in the children as learners and as people.

Bright Ideas

- Give children realistic responsibility. Through our actions, we are giving them the message: 'I know that you can do this.'
- Point out children's strengths and achievements. When correcting a child or pointing out an error, try focusing on a strength first. 'I like the way that you write your letters. Now let's concentrate on spacing your words out a little more.'
- Recognise improvement they have made or effort they are putting in at school or at home. 'Your reading has really come along.' You can't always praise their performance but you can usually make positive comments about their improvement, effort or attitude.
- Express your confidence and faith in their abilities. 'I know you can do it.'
- Promote positive self-talk. When children do something well, ask them how they feel about their efforts. 'That's a terrific drawing, Sarah. What do you think about it?' Encourage them to make positive comments about themselves and discourage them from putting themselves down.

- If you need a reminder to encourage your child - consciously develop the habit of offering a positive remark when they leave for school in the morning and when you say goodnight.

How to Discourage Children:

1. Compare them with a sibling: 'Why can't you keep your bedroom tidy like your sister?'
2. Continually criticise or put them down: 'You are a real dope!'
3. Focus on their mistakes and errors: 'Oh no! You've made a mistake again. How many times do I have to remind you?'

"Correction does much, but encouragement does more."

Mrs Sue Zweck, Head of Teaching and Learning K-5

From the Head of Staff and Students P-5

Finding time for a chat with our children is often difficult. Work and time pressures often override the opportunities for parents and children to spend time together. Last Friday, a large number of students and their parents joined in the spirit of National Walk to School and joined with staff in walking to school from Oakdale Park, which is about 800m from the college. A large number of students who live locally within walking distance also walked or rode to school on Friday.

The park, which is just off Creekside Boulevard in Oakdale Circuit, is a convenient location for parents to park and walk to school with their children.

Owing to the success of the walk, another Walk to School Day will be held on Friday, 7th June. Arrangements will be the same as for last Friday. A number of staff will be at the park from 7.45am and depart from the park at 8.00am to walk to school. It is our intention to make walk to school day a regular event.

If you would like to share some time with your children, develop their fitness and de-congest the car park, please join us on Friday, 7th June.

Developing Emotional Resilience in Children

Negative Habits of Mind greatly fuel emotional discomfort. These negative habits of mind include self-downing, the need to be perfect, the need for approval, the 'I can't do it' or 'I can't be bothered' mindset and being intolerant of others. This

week I would like to continue to share some strategies from the You Can Do It program which may help eliminate or help to balance these negative mindsets.

The need for approval is another negative habit of mind which can be detrimental to a child developing resilience.

To Eliminate "Needing Approval"

In order to help a child who is overly concerned with what others think of him/her, you should find an opportunity to explain that while it is nice to be liked and approved of, your child does not need the approval of teachers or friends all the time. The following should be communicated "You know that there are only a very few things we need in life, and these include food, shelter and clothing. While it may feel like we cannot stand it when we do something that someone disapproves of or that it is the worst thing in the world to be teased or criticised, it is important to know that while it is not pleasant to be thought badly of or criticised, it is something that you can put up with and survive". You should emphasise to your child that while it is preferable to try to be accepted and approved of, it is equally important to have a "be independent" type of thinking that means that it is important to try new things even if others think you are silly or stupid. Try to eliminate extreme dependency of your child concerning school work and his/her fears of being criticised for not having done it well enough.

Other suggestions for eliminating your child's needs for approval include the following:

- Encourage your child to complete his/her schoolwork independently. If your child has a question about what to do concerning schoolwork, you should use the Praise, Prompt and Leave procedure (eg. say something positive about what the child knows/has done, provide a brief prompt about the next step and then walk away).
- Provide recognition to your child for completing work independently.
- Teach your child not to judge or evaluate his/her work until after a certain period of time.
- Do not give your child too much attention when he/she expresses negative feelings about work.
- Encourage your child to participate in rather than avoid social activities.
- Acknowledge your child when he/she has "survived" being in social situations he/she experienced as stressful. Say "See, you are strong enough to put up with unpleasantness".

Prep - Year 2 Cross Country

Thanks to the large number of parents and family members who attended and supported their children at the Prep - Year 2 cross country on Wednesday. All students participated with enthusiasm and, as suggested by Mr Hauser, every child who completed the course was a winner. Special thanks to Mr Hauser and the HPE staff for setting up the course.

Mr David Druery, Head of Staff and Students P-5

Year 2 Cafe

As part of our learning in SOSE about rights, roles and responsibility, Year 2P hosted the "Never Ending Party" Café last week. From the planning, organising, preparing and conducting of the cafe, the children worked together as a team to put their ideas into action. Each member of the café performed their role exceptionally well and our many customers can attest to the magnificence of our service. Here is a letter we received from a happy customer!

Dear 2P

We are writing to thank you for putting on such a magnificent lunch today at your "Never Ending Party" Café.

Wow, you all truly know how to entertain in style!

Everyone did such an amazing job. The hosts were lovely and welcoming as we arrived, and how very thoughtful to help out the mums and dads with a play room for the little children who also attended. Charlie and Archie had a lovely time in there with you and the superman colouring in. Thank you very much.

The Cashiers were right on the money!! Those guys knew their dollars and cents and certainly made sure we were given the correct price for our meal, as well as making sure we all were given the right change. Awesome work.

The waiters and waitresses were so busy, helpful and organised. Our meals were brought to us in speedy time, and always with a great big smile . . . even after Mr Whatham ordered about 15 times!!! The service was exceptional!!!!

The meals were delicious!!! Great work cooks. Mr Whatham ate so much he needed a big rest after we left!! Charlie really enjoyed the fruit kebabs and popcorn and I found the sandwiches fresh and tasty. Jake's Nonny Barb loved the scones. Yum!!!

While we were enjoying our lovely meal and great service, the dancers and DJs certainly kept us all entertained. What a great selection of music DJs! I definitely felt like getting up for a boogy but unfortunately didn't have my dancing pants on - maybe next time. The dancers also had us cheering with their high kicks and cool moves. Wow you guys were great!! Charlie gives you all a thumbs up.

Thank you again for a great lunch. You all should be so proud of yourselves. We look forward to the next café or whatever it is you have in stall for us. xxx

Excellent work,

Mr and Mrs Whatham, Charlie, Archie and Nonny Barb

Narelle Whatham, Owner and Early Childhood Teacher

Are You Interested In Hosting a Japanese Teacher Assistant?

I would like to thank the McCully and Jessop families for their ongoing support in hosting our Japanese Teacher Assistants. As Natsuko Sensei and Makoto Sensei continue to join us in the classroom up until the end of Term 2, we are now in the process of searching for a home stay site for a new Japanese Teacher Assistant in Term 3.

At Pacific, we have been fortunate to always have a Japanese Teacher Assistant in our Japanese classrooms, to assist in our students' learning, and to share with us their diverse cultural knowledge and experiences. The students of Japanese will benefit greatly from having a native in their lessons, and even more so for the families who host.

We are currently searching for a host family who could host our next JTA for a period of four weeks in August. The successful applicant will be paid \$150 a week to cover costs such as food and utilities. If you believe your family could make a Japanese person feel like a part of our community, please get an information pack and application form from Mrs Hauser (Toriyabe Sensei) in the S6 staffroom. Alternatively, please e-mail mtoriyabe@pacluth.qld.edu.au.

Mrs Michiko Hauser, Head of 6-12 Japanese

Food for Thought

Why Meditation Is Great For Kids

You might still think of meditation as something that only hippies wearing hemp do, but science is proving it has benefits for us all, even children.

Science now knows that our brains are plastic and that the experiences we have shape our brains, whether or not we know it. Our neural pathways can be 'wired' for distraction or, if we practise paying attention, can be 're-wired' for attention.

Simply put, meditation helps you relax your body and calm your mind. It helps you to focus better, become more self-aware and has been linked to improved physical, emotional and mental health.

Mrs Annie Williams, School Counsellor

Maths Moment

Puzzle of the Week

Well done to the following students for solving last week's puzzle:

Year 11 Pat de Fries

Year 4 Chloe Fleming, Eliza Woods and Ella Hockam.

The solution to last week's puzzle is:

If either child is lying, the other statement cannot be true. Therefore both children must be lying which means that the girl has red hair and the boy has black hair.

This Week's Puzzle

Five Brothers

Five brothers, each born in a different year, share a gift of \$100 according to the following arrangement: each boy, except the youngest, gets \$5 more than his next younger brother.

How much does the youngest boy get?

(email in your solution to jsteven@pacluth.qld.edu.au)

Maths Tutoring

The college wants to support students academically so once again tutorials are offered for students in Years 7 to 12 who would like extra assistance or clarification of concepts in Mathematics.

These tutorials are on Thursday lunchtimes (in room L14) or Thursday afternoons from 3.30pm to 4.30pm in room L14 and are supported by Mathematics teachers on a rostered system. Students are welcome to come along for a quiet place to complete Maths classwork, homework or ask for assistance. The expectation is that they work quietly and that they remain within the room until 4.30pm or are picked up earlier by a parent. The section in the Student Handbook on page 178 is to be filled in if you would like your child to attend.

If you have any queries about any of the above, please contact me at the college or email jsteven@pacluth.qld.edu.au

Mrs Jasmin Steven, Head of Mathematics (Years 6-12)

Careers Department News

1. QUEENSLAND POLICE RECRUITMENT SEMINAR

The Queensland Police Service is conducting a Recruitment Seminar at the Maroochydore RSL Sub Branch (Memorial Avenue, Maroochydore) on Tuesday, 4th June from 6.30pm to 8.00pm.

Recruitment Officers will answer questions about:

- Available careers
- The recruiting and selection process
- Academy life
- Postings
- Pay and Conditions

Bookings are required. To reserve a place please phone 1 300 BE A COP or visit: www.policerecruit.com.au

2. CAREER INFORMATION FOR SUBJECT SELECTION FOR 2014 YEAR 11

This week the current Year 10 students received information to assist them with choosing their preferences for their Year 11/12 subjects.

This information consisted of:

- The QTAC Tertiary Pre-Requisites Guide 2016,
- The Years 11 and 12 Course Selection Handbook 2014 / 2015,
- "Choosing Senior Subjects" handout,
- Subject Selection Preference Form.

It is imperative that students read this information very thoroughly before they complete the Preference Form. It is also very important to complete the Preference Form in the strict preferential order as these preferences determine the groupings for the subject offerings.

Mrs Ainslie Reid, Careers Counsellor

Music News

Congratulations to Rory Smith, Year 10, who received a B+ for his Grade 7, AMEB Cello exam recently.

For parents who wish to enrol their child for Semester 2 lessons, now is a good time to pick-up a form from the main office and get the ball rolling. Mr King is here Monday to Wednesday if you would like to make a related enquiry. Mr Simpfendorfer will be on Year 10 camp in Weeks 9 and 10 of the term.

Year 8 music classes are learning harmonica in Term 3. Notes are going home over the next two weeks with details.

Mr David Simpfendorfer, Head of Music

Piano Concert

Two piano concerts were held at Pacific on Tuesday, 28th May. At the afternoon concert, players from Years 2, 3, and 4 demonstrated their fine talents. Particular congratulations go to the Year 2 students who gave confident and faultless performances. Sophie Hughes from Year 3 entertained the audience with her musical rendition of *Oom-pa-pa* and *It's My Party*. Thanks also go to the Junior MCs: Sara Allen, Imogen Layfield and Hayley Pearce.

The evening concert was hosted by Milli Hurd and Doug Cassells. While there were bright moments in all performances, special mention must go to the following: Ariana Costa with *Skinny Love* by Birdy, Abbey Doran with Pachelbel's *Canon in D*, Caley Williams' very professional rendition of *Chariots of Fire* and finally Hannah Abraham's highly musical presentation of *Touch of Promise*.

Congratulations once again to all students on your fine efforts and many hours of practice.

Mrs Lesley Seto (Piano Tutor)

Verdi's Requiem - Stunning Masterpiece

9th June, 3.00pm - Bicentennial Hall, Sunshine Beach

16th June, 3.00pm - Lake Kawana Community Centre, Bokarina

\$33 Group of 10+; \$35 Concession; \$38 Adult; \$15 School Children

With a chorus of over 130 voices and an orchestra of over 50 (Noosa Chorale, Sunshine Coast Choral Society and four excellent soloists), Verdi's thrilling Requiem is being performed on the Sunshine Coast in June. It is a rare opportunity to have a magnificent musical experience usually only offered to audiences in large cities.

Verdi's Requiem is powerful and dramatic in parts and serene and beautiful in others. It is Verdi at his absolute best. He brings to this piece all the passion and skills of a life time of creating dramatic operas. The result is the most operatic of all requiems reminiscent of many of his great operas eg *Aida*, *La Traviata*, etc.

This year is the 200th anniversary of Verdi's birth and, in celebration, his Requiem is being performed in many places worldwide.

Sunshine Coast Conductor, Adrian King, is steering this performance towards a wonderful interpretation of Verdi's masterpiece.

Outstanding popular tenor, Andrew Pryor, will be joined by three other professional soloists - Liza Beamish (soprano), Jade Moffat (mezzo) and Shaun Brown (bass).

Andrew Pryor's voice and personality have thrilled many Sunshine Coast audiences. He sang in *A Night at the Proms* in Noosa and Kawana. He performs regularly at Caloundra RSL in a show called *The Tenors* which is their most popular concert. Andrew was a founder member of the Ten Tenors and later joined the four-man Tenorissimos. He studied at the Queensland Conservatorium and has sung with Opera Australia.

Liza Beamish is well-known to Queensland audiences and is in great demand. She has had major roles with Opera Australia and Queensland Opera. She sung for 18 months in the Rob Guest / Marina Prior production of *Phantom of the Opera* as Carlotta, the opera singer. She performed in Darling Harbour on a pontoon on a nationally televised Australia Day concert. Liza's voice has so moved people to make comments such as: "I had chills running up and down my back - it was so superb" and "I had goose bumps listening to Liza singing Jerusalem. You could have heard a pin drop".

Jade Moffat is a rising star, having won many singing awards and competitions. She is now associated with Opera Australia.

Shaun Brown is another performer well-known to Queensland audiences. He has performed at many Queensland concert venues and is occasionally heard on the radio in ABC FM programs.

Bookings please phone 5444 3899. Credit card sales: www.trybooking.com

Tickets can also be purchased at:

- River Read, Thomas Street, Noosaville
- Written Dimension Bookshop, Noosa Junction
- Annie's Books, Peregian
- Possums Books and Coffee, Cooroy

SECONDARY SPORT

District Sport Selection

Congratulations to the following students for recently being selected in District Sports teams:

Open Surfing	Caitlin Gilliman
15 Boys Rugby	William Lockley, Daniel Reidy, Robbie Barwick, Matthew O'Keefe and Riley Pearce.
Cross Country	Georgie Woods, Caitlin Gilliman and Sophie Larsen.
15 Soccer	Jez Lofthouse, Tyler Turner, Oliver Colam and Maddie Colam.

Open Boys Soccer Danyon Bell

An outstanding effort, well done.

Mr Graves

JUNIOR SPORT

Prep - Year 2 Cross Country

Congratulations to all who participated in the Prep - Year 2 Cross Country Carnival on Wednesday. Fortunately the weather held up and all races went through well. It was great to see the level of participation and enthusiasm in all races. Great work and special thanks to Mr Druery for training the classes up in preparation for their big event!

Overall house results were:

3 rd	Mumba	83
2 nd	Bula	123
1 st	Wira	151

Year 3 - 7 Athletics Carnival

The Year 3 - 7 Athletics Carnival will be held next Tuesday, 4th June at the University of the Sunshine Coast. Students will need to board buses by 8.35am and will be returning to school by 3.00pm. All students will need to be in house coloured shirts. An official program will be sent home prior to the carnival. Thank you to all the parents who have offered to assist at the carnival. If you have indicated that you can help in an official capacity, I will allocate you a job and list it in the athletics program.

Basketball 3 on 3

Congratulations to all who participated in the Year 3 - 8 Basketball 3 on 3 competition last Friday. The standard and quality of all teams was a pleasure to watch and everyone had a great time. Well done to the overall winning teams of each division

Seniors	The Doogies
Junior Girls	Star Smashers
Junior Boys	The Bulls

The prize for the best uniform went to the Minnie-Me's.

A special thank you to Mr Doran, Mrs Graves and Mr Crompton for their assistance with the evening. Stay tuned for another 3 on 3 competition later in the year!

Mr Mark Hauser, Head of Junior Sport

PLC Netball

A big congratulations to all six PLC Netball teams who competed in the Sunshine Coast Secondary Schools Netball Competition every Monday night this semester.

After being rained out in the first three grading rounds, teams played very competitively with many wins and few losses. On Monday night, the Year 8 Junior B and Year 9 Intermediate C teams were successful in making the semi-finals, competing against Suncoast Christian College and St Andrews Anglican College respectively. The Year 8 team unfortunately lost, but played extremely well under the guidance of Dr Peter McMahon and assisted by Mrs Sharon O'Keefe. The Year 9 team shot goal for goal against St Andrews in a very intense game and won 12 - 11 with only seconds to go in the fourth quarter.

The Year 9s now progress into the Grand Finals, playing against Kawana State College this coming Monday at the Caloundra Indoor Stadium at 4.30pm, Court 4 (inside). Players are asked to be at the courts at least 45 minutes before the commencement of the game. Presentation will take place at 6.30pm. I know the girls would appreciate the support of their friends, families and teachers in attending this important game.

I would also like to take this opportunity to thank Dr Peter McMahon, Ms Andrea Burnett, Miss Eiley Johnston and also Mrs Kim Howard who supported their teams each Monday evening and Friday afternoon this semester. Without the support of these coaches and the additional assistance of Mrs Sharon O'Keefe, Mrs Denise McMahon and Miss Bronte McMahon, Monday Night Netball at PLC would not be as successful as it has grown to be. I would also like to thank all the players' parents for their continued support each Monday evening.

Congratulations to all teams and all the best to the Year 9s this up and coming Monday.

Mrs Leigh Drogemuller, Netball Coordinator

Representative Success by Pacific Soccer Players

We would like to acknowledge some of the recent achievements of Pacific Soccer players who have been chosen for Primary and Secondary School representation:

Primary School

- Sam Fleming, Sam Aitken and Lawson Edward (U12 Barracudas), Lucas Howell, Haden Hurd and Mackenar Bradfield were all selected for the Independent Schools District Primary School boys team. Sam Fleming and Sam Aitken are both born in 2002, and will therefore be eligible to try out for selection again in 2014.
- Victoria Burnes (U11 Tigerheads) was also selected for the Independent Schools District Primary School girls team. Victoria is also born in 2002, so will also be eligible for selection in 2014.
- Sam Fleming was also selected to play in the All Stars game at the end of the carnival.
- Pacific Lutheran College had the largest number of players from a single school, an outstanding result for the players, Pacific Soccer and Pacific.

Secondary School

- Maddy Colam (U13 Seahorses) was selected for the Independent School District Secondary School U15 team, and just missed out on selection for the Sunshine Coast Regional Secondary School team. This is a tremendous achievement for Maddy because, at only 13, she was one of the youngest players participating in the selection trials, and we are sure she will be back next year to try out again for the Regional side.
- Ollie Colam (U16/17 Jets) was also selected for the Independent School District Secondary School U15 team. At the subsequent tournament at Glasshouse, Ollie was also selected for the Sunshine Coast Regional Secondary School U15 team and will be playing in the Queensland State Secondary School U15 Championships, which will be held in Cleveland on 8th - 11th August.

Pacific had more players participating in the trials than any other school, which is an outstanding result. Congratulations

Pacific Soccer Update

Round 9 - 25th May

Last weekend, our Pacific Soccer teams played the first of several rounds of away games across the

Coast.

Thank you to Stacey Kilburn for taking photos of some of the action with the U6 Swordfish and the U9 Sharks.

In the competitive teams, we saw some very close matches.

U11 Tigerheads drew 0 - 0 against Immanuel Vipers, U12 Barracudas won 3 - 2 against Stella Force, and U16/17 Jets won 2 - 0 against Mooloolah Condors. U13 Marlins lost 1 - 4 to Caloundra Red, and unfortunately U13 Seahorses had to forfeit their match against Chancellor after illness left the team with only eight players.

With the completion of Round 9, we are now half-way through the season, with only nine rounds of regular games remaining.

must therefore go to our players and their families, but also to the many supporters of Pacific Soccer who have assisted our club for many years, which has allowed the skills and the ability of all our players to be continually improved through each season.

Team Photos

Remember that our team photos will be taken by Sunshine Sports Photography, on each team's training day, from Wednesday, 12th June to Friday, 14th June. Order forms are now being distributed through each manager and next week we will confirm the photo time for each team.

Round 10 - 1st June

This weekend, our teams are playing away games again at venues across the Coast.

- U6 Seals, U6 Stingrays, U9 Sharks, U10 Dolphins, U16/17 Jets at Mudjimba.
- U6 Swordfish, U8 Cobras, U12 Barracudas at Buddina.
- U7 Orcas, U8 Pythons, U9 Snappers at Currimundi.
- U7 Eels at Unity College.
- U8 Taipans, U13 Seahorses at University of the Sunshine Coast.
- U11 Tigerheads at Sienna.
- U13 Marlins at Stella Maris.

Each manager will have game times, or visit www.SCCSA.org.au or call us for more info.

Important Note

Please note that there will be no games played on Saturday, 8th June and regular fixtures will resume with Round 11, on 15th June.

Extra Mid-Week Evening Games

Due to the large number of teams in the U12A competition, extra mid-week evening games must be played to allow the draw to be completed. This only affects the U12 Barracudas, who will be playing mid-week games at Mudjimba Multi Sports as follows:

- Tuesday, 28th May 6.00pm Pacific Barracudas vs Buddina Marlins
- Tuesday, 4th June 7.05 pm Pacific Barracudas vs Caloundra Black

Pacific Soccer Contacts

Thank you everyone for the support you have provided for Pacific Soccer this season. For more information regarding our teams, our games, or the club, please do not hesitate to contact us.

Mr Ian Barnes, President

Did You Know?

The blue whale needs to consume 1.5 million calories a day.

Tuckshop News

The Tuckshop Menu is available from the college website.

Term 2, Week 8 Roster:

	All Day (8.30am – 1.30pm)	8.30am - 11.00am	12.30pm - 1.30pm
Monday 3/6/13		Sophie McKenzie	
Tuesday 4/6/13			
Wednesday 5/6/13			Melissa Pollack
Thursday 6/6/13			J McLaughlin-Phillips
Friday 7/6/13		Larissa Whincop	

Are you able to help out for an hour or two in the tuckshop? We are DESPERATE for helpers at the moment as some of our regular volunteers are now working or are busy having babies.

Don't forget you can order on-line!! Please look at our website for more information.

Mrs Carrie Dickson, Tuckshop Convenor

Uniform Shop

The Uniform Shop is open every:

Wednesday	8.00am	to	9.30am
Thursday	8.00am	to	9.30am
Friday	8.00am	to	9.30am

Now that the cold weather has arrived, we have plenty of jumpers, track tops and track pants available. We also have a school scarf available for \$25.50 that is soft, cosy and warm.

On line ordering is now available. Go to the college website and click on the link or go to www.flexischools.com.au and then find your school.

Orders will be delivered to your child's class room.

Mrs Donna Hollindale, Uniform Shop Coordinator

Science is Fun

Visiting Maleny Show?

Come to Carl's Science Tent and see how to make:
Elephant's Toothpaste, Green Slime, a Fizz Inflator.

Watch a volcano erupt, make a paperclip float
and much, much more.

The tent will be at the Round Oval. You will see our Science Banner.
Lots of activities, and heaps of fun all for a gold coin donation.

Carl Jonsson is a Year 12 student who started his science career at Maleny Primary School. He has been selected to represent Australia at a Youth Science Forum in Pretoria, South Africa. Come along and have some fun and help Carl raise some funds.

Thanks for supporting National Youth Science Forum, a program sponsored by
Rotary Club of Maleny Inc
