

Dare to Imagine, Have the Courage to Act, Focus on Value

Every day we have a choice to grow who we are or cycle endlessly on the same path. To move to a better future, we first have to lift our eyes to dare to imagine a better way of being. Having done that, we then need to act. We take small steps, learning as we step. Arthur Ashe provides some worthwhile advice, 'Start where you are. Use what you have. Do what you can.'

In setting our goals, Albert Einstein reminds us it is important to 'strive not to be a success, but rather to be of value.' In living this way, we find purpose. This gives us energy and direction for our actions. God calls each one of us to make best use of our talents for the good of others and to care for all living things. We grow in our understanding of what is of value through reflecting on God's unchanging Word.

Principal's Log

Congratulations to our Year 8 debaters who travelled to Brisbane to take part in the first round of the Queensland Debating Union finals on Wednesday night, after finishing the Sunshine Coast competition with three wins from four debates. Well done to Isabelle Dinu, Imogen Joppich, Darcy Campbell and Paige Layfield. At this stage, debates are now weekly until they are knocked out of the final series, so they will return to Brisbane again next Wednesday night. Thank you to Mrs Tina Cox for the coaching of the team.

We are pleased to announce that the college will be offering out of hour's tennis coaching in partnership with Elite Tennis International based at the Caloundra Tennis Centre. It is

exciting that young people will now be able to develop their skills utilising the college's new courts.

Thank you to those parents who have completed the Annual Parent Survey emailed to all families last week. I would encourage all parents to take this opportunity to make a difference to their children's learning through providing feedback to the college.

Preparations are in full swing for the Ocean Festival and it is great to see the momentum building. Thank you to everyone for your contributions thus far and I would encourage everyone in the community to keep playing their part in staging a very special event for the Caloundra community.

May God grant us the optimism to imagine, the courage to act and the wisdom to live lives of value and worth.

Dr Bronwyn Dolling, Principal

Daily Bread

Flourishing in Rivers of Wisdom

Trees need water. If they do not get enough, then they wither and perish. Trees also perish if they get water that is contaminated. In our country of Australia, anyone who has driven through regions of severe “salinity”, will recall images of endless pastures of dead trees.

The Bible book of Proverbs speaks of “wisdom” as something that helps us to flourish and grow strong. It speaks of wisdom as something that brings long life, riches and blessing. The image is that of a strong tree growing alongside of streams of refreshing nourishing water.

What is this life-giving wisdom that gets such acclaim in this Bible book? Proverbs is celebrating “God’s wisdom”. This is the knowledge of God and of God’s good and gracious will. This is the wisdom that sees the world as “God’s workplace” where evil does not rule, and where sin is forgiven through the death and resurrection of Jesus. This is a very positive and hopeful wisdom where young and old learn that God gives to each of us the opportunity to use all that we are and all that we have, to do good in this world.

This is, of course, the backbone of all our teaching and learning at Pacific. At our school, we learn to ask the question, “What would God have us do?” In this sense, our students are growing truly wise.

Proverbs 3: 13-20 - Blessed is the person who finds wisdom, the person who gains understanding, for she is more profitable than silver and yields better returns than gold. She is more precious than rubies; nothing you desire can compare with her. Long life is in her right hand; in her left hand are riches and honour. Her ways are pleasant ways, and all her paths are peace. She is a tree of life to those who embrace her; those who lay hold of her will be blessed.

Pastor Paul Smith

From Head of Senior School Students

This week at the Senior College assembly, we acknowledged and congratulated the following students who received academic endeavour and excellence awards;

Academic Endeavour Awards

- Year 10 Kirsty Bevis, Sophie Larsen, Madelyn Cornwall and Michele Donato.
- Year 11 Brooke Bevis, Brittany Dagleish, Brooke May, Connor Lehmann, Kaylah Skehan and Lana Rademeyer.
- Year 12 Callum De Jonk, Meggan Hickey, Carl Jonsson, Joshua Williams, Emma Jurecky, Yazmin Ryan and Sean Synnott.

Academic Excellence Awards

- Year 10 Lachlan McKay
- Year 11 Kieran Bergs
- Year 12 Brianna Christie, Natasha Ufer and Kade Savage.

Congratulations to these students!

At the assembly, senior students were also shown the first part of *Tagged*, a video filmed and created as part of the Australian Government's commitment to cybersafety (the *Cybersmart* initiative), which is managed by the Australian Communications and Media Authority (ACMA). The footage specifically focuses on a case study where an individual student's choice to use digital media inappropriately, causes a ripple of ramifications for a number of stakeholders (peers, parents, the school, the community, the police and the individual) over the duration of a week.

Tagged encourages young people to reflect on the real life consequences caused by poor choices in using technology (in relation to cyber-safety, sexting, and reflecting on digital reputation). The themes of personal and peer safety and responsibility are crucial to maintaining positive online behaviour and digital reputation into adulthood.

Digital reputation and use of technology continues to be a focus at the college and is reflected on at assemblies. In working with students in this area, it does come back to individual choices and the way in which one uses the technology. Ultimately, what people choose to do in the “real” world is not differentiated from the profiles one keeps or the interactions in the online / digital realm. The online environment reflects who we are as people too. Therefore, in growing young people in an increasingly technological age, it is about individual choices in relation to appropriate

communication and interactions that assist to shape a positive culture in which technology can enhance learning and social connections. It is not about solely blaming the capabilities of the device or the access to the technology when things go array, because technology will keep evolving. At the heart, having clear expectations about appropriate interactions and choices are important.

Care, Dignity and Respect is a key theme that the college emphasises as key in building relationships and growing others and self. Therefore, whether a young person is using a pen / pencil and paper as a tool for communication or an electronic device, they should be thinking before posting / writing and, when at school, using the device for educational purposes. The things to be mindful about in relation to electronic communication include instantaneousness, public nature, highly accessible, global scope and reach and also the permanency of such communication.

We concur with the thinking of ACMA, 'As a parent, you play a crucial role in helping your child have safe and positive experiences online. By understanding how children and young people use the internet, the risks they face and the strategies to manage risks, you can help enable your children to enjoy the best of the online world.' For further information and to access the clip, please go to this link: <http://www.cybersmart.gov.au/tagged/parents.htm>.

We all have a responsibility to think before we act and post to ensure *Care, Dignity and Respect* of self and others.

Have a great week,

Miss Kim Stone, Head of Senior School Students

From the Head of Teaching and Learning K-5

Pacific Early Learning Open Morning

Pacific Lutheran College is holding an open morning on Wednesday, 7th August from 9.00am - 11.30am showcasing excellence in early learning. What are the benefits of enrolling your child in a quality early learning program?

A Broad Experience

Attending a kindergarten program provides an opportunity for your child to learn about their world alongside other children.

By attending our kindergarten program, your child will develop a range of life skills, including:

- working with others in a group by listening to, and respecting the ideas of others;
- sharing and handling conflicts with other children;
- building self-awareness and confidence through play-based exploration;
- developing new relationships with adults;
- making new friends.

Learning

Kindergarten provides a safe and supportive place for your child to explore their capacity for learning through play. Children learn at different rates, in different ways and at different times.

When attending kindergarten, your child will have the opportunity to:

- develop independence by taking part in the routines of the program;
- extend their vocabulary and communication skills;
- develop and enhance their reading and writing skills in the context of play;
- begin to explore numeracy and science;
- develop future learning and enquiry skills by exploring different ways of learning and problem solving.

A Quality Kindergarten Program

Our qualified early childhood teachers plan kindergarten programs to enhance the strengths, interests and skills of each individual child in the group. Each learning outcome is targeted to develop the kind of knowledge and skills children need to be confident and happy through their life.

The learning framework outcomes are that children will:

- have a strong sense of identity;
- be connected with and contribute to their world;
- have a strong sense of well-being;
- be confident and involved learners;
- be effective communicators.

Support for Parents

Kindergarten gives families and carers the opportunity to get to know other families.

You can talk with kindergarten staff to receive help with any concerns about your child and to celebrate your child's achievements. Attending kindergarten can also assist families whose child may need extra help. Through links to

other local early childhood services as kindergarten, our staff can help families to access a range of early years support services.

Supporting the Transition from Kindergarten to School

Attending kindergarten will help your child develop the skills necessary to flourish at school. All children attending a kindergarten program in the year before school receive a Transition Learning and Development Statement.

Transition to school is not a point-in-time event, but an experience that extends from before the end of the kindergarten program and into the Prep year. Your child's Transition Learning and Development Statement will help your child's Prep teacher to get to know your child before they start the new school year and to plan curriculum to support your child's learning and development when they start school.

We would love to see you at our open morning.

Mrs Sue Zweck, Head of Teaching and Learning K-5

Students of the Week

Stars of the Week - This Week Monday, 22nd July

Prep	Lara Foxe-Hooper	Katie Daniels
	Tony Turton	Zachary Doolan
Year 1	Hunter Smith	Priya Miles
	Mitchell Pyke	Kiana Campbell
Year 2	Jake Whatham	Lachlan Gale
	Lachie Currey	Lily Daniel
Year 3	Ava Roberts	Harrison Whitelaw
	Jett Edmondstone	Matthew Becker
	Abby Shanahan	
Year 4	Kirra Langmead	Harry Collishaw
	Elijah Modlin	Storm Sawyer
	Sebastian Salta

	Dylan Page	Jade Norris

You Can Do It Awards

This week Monday, 22nd July

Confidence: Jasmine Foley and Chaise Miles

Persistence: Finn Jones and Zerah Wildman

Resilience: Kellen Owen-McEvoy

Green Lane Diary

This term, Year 6 is very excited about our SOSE unit that involves exploring ways that we can live more sustainably. We are working through our *Green Lane Diary* and, each week, we will share our thoughts and ideas in the Compass about ways that as a Pacific community, we can do our bit to help the environment.

Last week our focus was on the way that our world is interconnected - humans / earth / nature. This week we are looking at both renewable and non-renewable energy.

Hopefully we will inspire you to help make our planet just a little 'greener'.

Some of the projects that we will be looking to tackle include:

- Not wasting electricity
- Stop wasting paper in printers
- An energy audit
- Stopping littering

Amongst others!

Energy Report Week 3

This week's energy facts are:

- Yesterday our school used an average of 49.82kW/h. Between 8.30am and 9.00am, the peak for the day was over 100kW/h. On the weekend, we used an average of 23kW/h as lots of people were not here.
- Since the solar panels have been placed on top of M Block (industrial technology building), the school has saved over 26,818kg of carbon dioxide. On Monday, (which was a little cloudy), the school saved about 14kg of carbon dioxide. This is a great saving of carbon dioxide for our community.

You can help by turning off lights and air conditioners when you leave your classroom or bedroom!!!

Let us all work together to save our planet.

Year 6

Equestrians at Queensland State Championships

Two of our dressage riders, Madison Layfield in Year 10 and Paige Layfield in Year 8, qualified to compete at the

Equestrian Queensland Interschool State Championships held in Maryborough on 26th - 30th June. They represented Pacific well, coming home with a 3rd and a 4th placing.

Dressage is a disciplined, highly competitive sport which was evidenced by there being as little as 0.2% between placings. We look forward to seeing our equestrian team grow and more riders qualify to attend the event next year.

Mrs Jacqui Layfield

Food for Thought

Teaching our Children Self-Control

Self-control is the ability to say "no" when you really want to say "yes". Self-control is delaying gratification and controlling our impulses. The science of self-control powerfully points to success in life stemming largely from our self-control. Those who have high self-control, generally enjoy greater health, wealth, relationships, and overall wellbeing.

http://kidshealth.org/parent/emotions/behavior/self_control.html

Mrs Annie Williams, School Counsellor

Want to help with OCEANFest?

Meeting every Tuesday morning, 8.30am in the library.

The Ocean Festival is only four weeks away and planning for this event is in the final stages.

The college is seeking assistance from the Pacific community in the way of equipment for the Ocean Festival:

- Eskys (multiple)
- Rice Cookers (multiple)
- 20 litre or above cooking pots (multiple)
- Single gas ring burners and gas bottle (multiple)
- 2 plate Bain Marie x1
- 3 plate Bain Marie x1
- Solar lights
- Solar fairy lights

If you have any of the above items and would like to lend them to the college for the use during the Ocean Festival, can you please email fop@pacluth.qld.edu.au.

There is lots of information being posted on the Pacific Lutheran College Facebook page regarding the OCEANFest, so to keep up to date with the latest in what is happening, find the link <https://www.facebook.com/PacificLutheran> and "like"!

Mr Parrish MacLeod and Mrs Tracey Hindmarsh

Friends of Pacific: BBQ Help Needed

Next Monday, 29th July the Year 8-12 House Athletics Carnival is on at the university.

As with all the sports carnivals, Friends of Pacific will provide a BBQ and drinks and cater for the staff and volunteer's lunches.

Mrs Allyson Sarvari does a wonderful job organising this event, however we need some helpers on the day. No specific experience necessary!! If you are going out to watch and can spare some time to help out, we would really appreciate your assistance. It does not have to be for the full day, even if it is an hour or two - many hands make light work!

Please contact myself (Tracey Hindmarsh) directly if you can help on 0412 722 622 or email at fop@pacluth.qld.edu.au

Mrs Tracey Hindmarsh, Friends of Pacific

OCEANFest Flyers

Call on Pacific families: If you have a business and would be happy to display OCEANFest flyers, could you email admin@pacluth.qld.edu.au and we will send flyers home with your child.

Thanks you for your assistance in promoting this event.

Mrs Jenny Lee

Careers Department News

1. UPCOMING CAREER EVENTS

Sunday, 28th July: QUT Open Day at the Gardens Point campus from 9.00am - 3.00pm. Tours of the Kelvin Grove campus are available. Open Day programs are available online at the QUT website or from the Career Office.

Wednesday, 31st July: Closing date for applications for Bond University scholarships.

Saturday, 3rd August: SAE and QANTM Open Day at the Brisbane campus in West End from 11.00am - 3.00pm.

Sunday, 4th August: CQ University Open Day at the Noosa campus from 10.00am - 2.00pm.

Sunday, 4th August: University of Queensland Open Day at the St Lucia campus from 9.00am - 3.00pm.

Open Day programs available from the Career Office or on the UQ website.

Sunday, 4th August: University of Southern Queensland Open Day at the Fraser Coast campus, Hervey Bay.

Thursday, 8th August: CQ University Open Day at the Brisbane campus from 3.00pm - 7.00pm.

Saturday, 10th August: JMC Academy Open Day at the South Brisbane campus from 10.30am or 1.00pm. See their website for more details.

Sunday, 11th August: University of the Sunshine Coast Open Day at the Sippy Downs campus from 10.00 am - 3.00pm. Open Day programs available on the USC website or from the Career Office.

Sunday, 11th August: Griffith University Open Day at the Nathan, South Bank and Gold Coast campuses. Visit the university website for times and program details.

Monday, 12th August: Closing date for audition applications for the Music degrees at the University of Queensland and Griffith University.

Application forms need to be downloaded from the respective Schools of Music on the universities' websites. Students also have to complete a QTAC application.

2. UQ YOUNG SCHOLARS PROGRAM

Current Year 11 students who are achieving results at a High or Very High Achievement level are encouraged to apply to the UQ Young Scholars Program (YSP).

This program offers students the opportunity to learn about future study options, discover career opportunities and engage with like-minded students.

The program is organised within a five-day (four night) residential camp (Sunday, 24th November - Thursday, 28th November 2013) and a YSP Reunion at the UQ Open Day (Sunday, 3rd August 2014).

Interested students should first complete the online Student Application Form and send the supporting documentation by Friday, 9th August 2013 (5.00pm). The program fee is \$595 which includes all activities, meals and accommodation. Fee waivers and travel bursaries are available to assist students who would not otherwise be able to attend due to their financial circumstances.

To apply, visit www.uq.edu.au/youngscholars.

Mrs Ainslie Reid, Careers Counsellor

Sports News

SECONDARY SPORT

Year 8 - 12 House Athletics Carnival -
Monday, 29th July

8.30am - 3.15pm at Sunshine Coast University Athletics Track

All students are required to travel on the buses provided. Students are required to compete in full sports uniform with their appropriate House shirt.

Important *Dates*:

- Secondary District Athletics - Tuesday, 20th August
- Secondary Lutheran Athletics - Monday, 26th August

Tennis at Pacific

The college welcomes Matthew Deverson from the Caloundra Tennis Centre. Elite Tennis International is committed to tennis excellence and will work in partnership with the college to develop tennis at our school. Matthew will offer tennis training before school, during lunchtimes and after school on the Pacific tennis courts. He will also help coach our tennis teams for the Wednesday afternoon school tennis program. This is an exciting appointment for the college now that we have outstanding tennis facilities. Please see the attached flyer for more information.

Mr Gary Graves, Head of Sport

Pacific Soccer Update

Round 14 - 20th July

Unfortunately the rain returned late last week, and continued over the weekend, resulting in

the cancellation of all scheduled games for Round 14. We have included a few shots of the action from earlier in the season.

Looking ahead, Round 15 games will be played this weekend, which means we only

have four games remaining in the regular season, with Round 18 to be played at Pacific on 17th August (following OceanFest 2013 on Friday night).

We have a Rooball Carnival for U6-U10 teams which will be played on 24th August. The top four teams in each competitive age group (U11+) will take part in the Preliminary Finals, which are also played on 24th August. Semi-final games will be played on 31st August, and the Grand Finals at Mudjimba on 7th September.

Catch Up Games

The U16/17 Jets are playing Nambour Mountain Lions on Tuesday, 30th July at 7.05 pm at Mudjimba.

Round 15 - 27th July

This weekend, our teams are again playing away games at fields across the Coast.

- U6 Seals, U6 Stingrays at Sunshine Beach State School.
- U6 Swordfish, U8 Cobras, U8 Pythons, U8 Taipans, U12 Barracudas, U16/17 Jets at Russell Barker Park.
- U7 Orcas, U7 Eels, U13 Seahorses at Jubilee Park Palmwoods.
- U9 Snappers, U9 Sharks, U10 Dolphins, U13 Marlins at Immanuel Lutheran College.
- U11 Tigerheads at Bli Bli.

Each manager will have game times, or visit www.SCCSA.org.au or call us for more info.

FINAL CHANCE - Recycle Mobiles and Help a Worthy Cause

The program to collect and recycle old mobile phones is concluding soon, and the collection box will remain at Main Admin until Friday, 16th August. Please support this program to raise money for research into childhood cancer, and help our environment. Remember to remove the SIM card and delete personal information.

Donald Duck comics were once banned in Finland because Donald does not wear pants.

Tuckshop News

Are you able to help out for an hour or two in the tuckshop? We are DESPERATE for helpers at the moment as some of our regular volunteers are now working or are busy having babies.

Don't forget you can order on-line!! Please look at our website for more information.

Mrs Carrie Dickson, Tuckshop Convenor

Uniform Shop

The Uniform Shop is open every:

Wednesday	8.00am	to	9.30am
Thursday	8.00am	to	9.30am
Friday	8.00am	to	9.30am

Long trousers are available for boys from Years 1 to 12 to wear with their formal uniform if they are feeling the cold. They are priced from \$35.00 - \$47.00.

Now that the cold weather has arrived, we have plenty of jumpers, track tops and track pants available. We also have a school scarf available for \$25.50 that is soft, cosy and warm.

On line ordering is now available. Go to the college website and click on the link or go to www.flexischools.com.au and then find your school.

Orders will be delivered to your child's class room.

Mrs Donna Hollindale, Uniform Shop Coordinator

OCEANFEST 2013

PACIFIC LUTHERAN COLLEGE

Grab a blanket for the family and settle in for the spectacular
Fireworks presented by Sea Vista at OCEANFest 2013!

**You'll want to win 1st prize in our RAFFLEfest because there's a
Viking Kayak valued at . . . \$950 to be won!**

Young or old, expert and first-time paddlers in the sea, lakes, rivers and stream, Viking Kayaks will take you (and your gear) on the water for fishing, diving, snorkelling, swimming, white water kayaking, camping, touring, surf kayaking, day tripping, exploring - or simply for getting fit and having fun.

Viking Kayaks is Australian owned and designed and manufactured on the Sunshine Coast, Queensland, Australia.

Each Viking model has been designed and developed to meet the needs and desires of the growing number of recreational kayakers and their families. There are dedicated Fishing, Family and Fitness kayaks.

The company is proud to offer a quality and cost competitive product which, through its ease of use, promises to bring the pleasures of kayaking to many more people. Kayaking encourages other recreational activities such as fishing, diving, surfing, exploring and expedition-island camping, for which they can provide access and a base.

Viking kayaks are recyclable at the end of their generally long lives. Viking kayaks are made from UV stabilized Polyethylene and top quality stainless fittings and carry a 10 year hull warranty.

For more details or to try some kayak models out on our test pool, contact the Viking Kayak sales team at:
