

## Celebrating our Pacific Dads

Right from the inception of the college, dads have played a special part in the shaping of culture of the community. Dads have organised working bees, built sheds and paths, coached sport, been an important part of Friends of Pacific, organised Ocean Festivals, gone on outdoor education experiences and some have even taught. Most of all, they have been strongly there for their children and for the children of others.

As we celebrate this Father's Day, we recognise the special place that dads play in our families and also in communities where, through being strongly connected, they make a difference for many. We say thank you to our dads for all they give us and we also remember our loving Father in Heaven who is with us constantly.

---

## Principal's Log

Our kayaking team acquitted itself very well over the weekend at the State Schools Marathon Championship. Pacific fielded a strong team which has performed very well. This was despite a late shift of day from a Sunday to a Saturday which meant that a number of people who had trained hard were unable to attend because of a clash with other commitments. We are still awaiting the final outcome but congratulate all who took part. Once again we had strong support from parents and we thank them and staff Mr Gary Graves, Mrs Rae Hall and Mr Richard Murdoch. A special thank you to Mr Mike Thomas for maintenance of the kayaks and Mr Alan Gotherpe for transporting the kayaks to and from the carnival.

Over the weekend our Tournament of the Mind team competed in the Social Sciences Secondary Division. They performed very well, with the team having to wait 30 minutes for the judges to come to a decision. We congratulate all of the students involved and thank Mrs Julie Darr for her support of the team.

Last week our Prep - Year 5 students were busy in the Art Courtyard working with visiting artist Ms Rachel Downie doing clay sculptures. Our Year 2 students are using the space to learn how to craft sculptures on the cycle of water. It is great to see the hustle and bustle and feel the energy in the Art

Courtyard as young people create. Thank you to Mrs McMahon for organising these important learning experiences.

It has been a busy time for athletics at the school with the Year 8 to 12 teams competing in District and Lutheran Athletics and our young people enjoying their Prep - Year 2 carnival. The Year 8 to 12 students are to be congratulated on the way they participated in both carnivals with a particular mention of our senior students who were excellent role models on the days. All reports were that the P-2 carnival was a great success with young people enjoying the challenge and a large contingent of parents present to

encourage them. Well done to these little athletes! Thank you to our sports staff of Mrs Leigh Drogemuller, Mr Parrish MacLeod, Mrs Tanya Graves, Mr Scott Crompton, Mrs Amanda Empson and Mr Andrew Block for their support of the teams and Mr Mark Hauser and Mr Gary Graves for their overall organisation and leadership.

This weekend we have a number of our netball teams in their Semi Finals. We wish the girls all the best and encourage people to go along and support them at the times printed later in the newsletter.

We look forward to celebrating the importance of dads at our Dad's and Lad's Breakfast and wish them all a happy Father's Day on Sunday. May God continue to enrich and encourage our dads.

*Dr Bronwyn Dolling, Principal*

## Daily Bread

### Porridge Plus Honey = Yum

Every morning, I cook porridge for breakfast for my wife and me. Porridge is a good source of dietary fibre. Porridge fills you up and gives complex carbohydrates. Porridge is very good for you and it is also very dull.

Every morning that I cook porridge, I also put out the honey and golden syrup. My wife is the golden syrup person and I am the honey person. Porridge is far less dull with a teaspoon of honey. Honey sure makes it delicious.

In the Old Testament book of Proverbs, we read a saying that mentions honey. "Kind words are like honey, sweet to the taste and good for your health." (Proverbs 16: 24). This is practical everyday advice that talks about the way that we can speak to others with words of kindness and encouragement. Words that are spoken with generosity can change someone's daily life absolutely from dullness to delight. "They are good for your health."

Our college community grows ever more strong and healthier as we find kind words for each other. Each day God gives us new opportunities to speak words that build up rather than tear down. Even the politicians have made an election issue of words or campaigns designed to be "negative" to "put down" opponents.

Even on the cross our Lord Jesus prayed, "Father forgive them, they know not what they do."

May God give you honey in your words this week.

*Pastor Paul Smith*

## From the Director of Students

On Friday last week, Margaret Thorsborne worked with the Restorative Justice team on implementing Restorative Practice (RP) in our community. RP involves viewing wrong doing through a relational lens and understanding that harm has been done to people and relationships. When harm is done in a community like Pacific, it creates obligations and liabilities.

Margaret discussed strategies for classroom teachers to use RP when things go wrong. She stressed that RP is not a plug-in programme. For Margaret, it is a philosophy and a way of living and breathing our values. Students are led by staff in a respectful dialogue where clear messages are sent about behaviour.

- RP recognises that harm has been done and needs fixing.
- Holds young people accountable for their actions.
- Empowers young people and gives them a voice.
- Exemplifies the value our community places on healthy relationships.

The golden rule of RP is to reflect, repair and connect. By bringing the affected community together, the aim is to develop a common understanding of what happened, who was affected and how, and what needs to happen to collectively address the harm caused. In dealing with shame, it is important to separate the person from the behaviour as this allows the school community to confront the shame and humiliation without stigmatising those involved. Shame comes to the fore when an individual behaves in an inappropriate manner in respect to an important community of support such as Pacific. Through taking responsibility for the wrong doing and making amends, shame is acknowledged and discharged. By following this process, feelings of connectedness with others in our community remain intact and our social relationships are not damaged.

*Mr Brendan Delaney, Director of Students*

## From the Head of Teaching and Learning K-5

### How to View Television Wisely

Television is both a boon and a curse to parents. Its use has been widely researched and found to have both positive and negative effects on children's behaviour, language and attitudes. It is widely criticised for not only being used as a baby-sitter, but for keeping children away from more active or educational activities. Television does have its good points. It is entertaining, relaxing and offers programs high in educational content. Television itself is not the problem, rather the way that it is used. The key is to be selective in the programs that children watch.

#### Bright Ideas (for taming the television)

- Place reasonable, sensible limits on television use. A weekly maximum of 10-12 hours viewing is highly recommended. Restrict your own viewing as well.
- Keep the television OFF. Only turn it ON when someone has decided to watch a program, then switch it off when it has finished.
- Encourage children to choose a program from the TV guide before turning the television on.
- From time to time, children should keep a weekly record or diary of the programs they watch. Encourage them to record their thoughts or reactions.
- Have a television-free day once a week and try alternate forms of entertainment such as games, reading and so on.
- Teach children the rating system and use it as a viewing guide. Know what children are watching so that you can make an informed decision about the suitability of programs.
- Sit with children and discuss what they have seen, including the commercials. Talk about controversial or topical issues that may be presented.

*Mrs Sue Zweck, Head of Teaching and Learning K-5*

## Students of the Week

Stars of the Week - This Week Monday, 26<sup>th</sup> August

<b>Prep</b>	Ash Broome Danny Howard	Austin Lauritzen
<b>Year 1</b>	Sarah Timperley Charlise Bell	May Brown Jessica Lloyd
<b>Year 2</b>	Sam Swan Allegra Pollack	Harrison Angel
<b>Year 3</b>	Stephanie Lane Charlotte Patch	Will Shingles Marley Biggs
<b>Year 4</b>	Tegan Graves William Bell Elijah Modlin	Jae Flynn Sara Allen Hayley Pearce
<b>Year 5</b>	Lachlie Davies Nathan Davis	Pria Kettle

## You Can Do It Awards

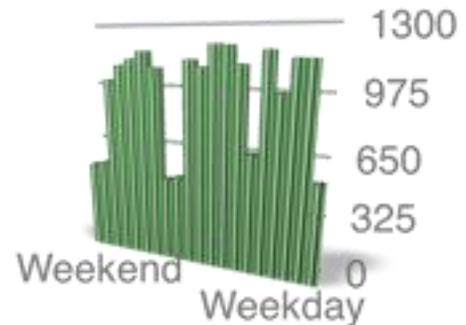

This week Monday, 26<sup>th</sup> August

*Persistence:* Matthias Schlotterbach

*Getting Along:* Marco Huen, Ellie Dixon, Jayda Lowe, Noah Beasley and Kye Evans.

## Power Usage

Our power usage usually goes up on school days and goes down drastically on the weekends. Our average power usage on weekdays is 1107.42kW. This was a little strange because on an average weekend, we only use just under half of that average!

496.27kW is our average power usage for weekends and that is a lot of power to keep a school "running" on a weekend. Computer servers use most of our power on weekends and maybe some lights are left on in certain places.

It is very good that we have solar panels on the roof of the Industrial Technology building because they cut down our power usage, help by not using fossil fuels for power and help by not using power themselves. Another great thing about the solar panels is that they cut down on the emissions of Carbon Dioxide that is released into the atmosphere.

Everyone can help by turning off lights when they are not being used, turning off computers at the switch, turn off gaming devices when they are not in use, get solar panels and not use fans or air conditioners unless it is hot!

*By Oscar Pollack 6I*

## Food for Thought

### Sibling Rivalry

Disagreements between siblings are very common. They often start when children see a situation as unfair, or when children are trying to assert what they think are their rights.

Sometimes disagreements happen because children see the same situation in different ways. For example, an older child might be teasing a younger sibling in what he thinks is a funny way, but the younger child might not like it.

Also sometimes siblings get into conflict as they compete with each other for parental attention or approval.

The link below will give you some tips on how to handle sibling rivalry.

<http://www.psychologytoday.com/blog/parenting-is-contact-sport/201103/words-hurt-dealing-sibling-rivalry>

*Mrs Annie Williams, School Counsellor*

## Year 6 - Green Lane Diary

### Our Power Usage for the Week

This is a graph showing our school power usage for the last three weeks.

## PLC Blake Prize Update

This week it was my pleasure to visit the Junior College assembly to speak to the students about the PLC Blake Prize. It was pleasing to see the enormous number of students who enjoy creating pieces of art and know stories from the Bible. All of these students are eligible to enter the PLC Blake Prize. Mrs McMahon and I look forward to seeing fantastic contributions from the Foundation and Junior College this year.

The Year 6 cohort is supporting the PLC Blake Prize by getting involved this year; with all students busy creating their masterpieces. A number of students across the Middle and Senior College are also preparing their pieces of work. Students can use any medium, from painting to photography, film to sculpture to produce their artwork. It would be great to see many different forms of art this year.

A reminder that students wishing to be part of this year's competition must create their original piece of art by Wednesday, 9<sup>th</sup> October. All entries are to be handed into Mrs McMahon in A1, complete with an entry form and artist's statement. Full entry conditions are available in Prep - Year 5 classrooms and Pastoral Care Group rooms. Parents and members of the public are able to view finalists during the Art Exhibition Evening in Term 4.

Mrs McMahon (Head of the Art Department) and Miss Michelle McMillan (Head of Christian Studies)

## Limelight Finals

On the Friday evening of the Ocean Festival, Pacific's six Limelight finalists performed. All showcased the broad range of our school's amazing talent, from vocals to instrumental

and confident stage presence. On the night, the contestants were judged by past students and performers Mikaela Burnett and Mathew Payne, who have been involved in local acting groups. The judges were impressed by all performances when they announced winners Kurtis Modlin and Jack Barclay with their own composition on the drums and guitar. Second place was Kirra Johnson with her vocal performance and third was last year's winner Rory Smith on the cello. Pacific's brilliant runners up were Courtney Smith, Teyla Brim and Audrey Splatt. All contestants did an amazing job and showed a great deal of courage and initiative and we are extremely proud of them.

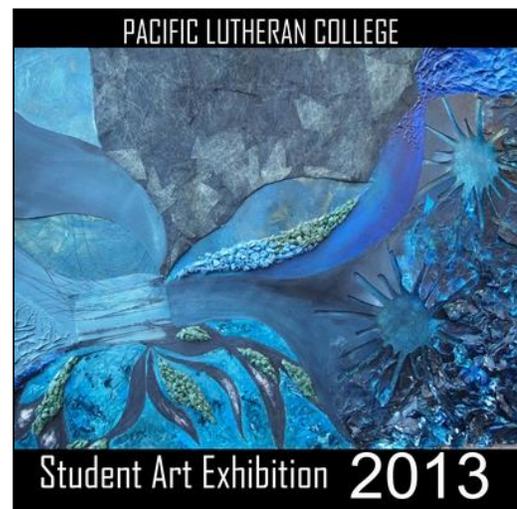

We would like to thank them and all who participated in auditions for Limelight this year. All showed high standard performance skills and we really encourage everyone to participate again next year.

A special thank you to Mrs Delaney, Brendan West, Mr Simpfendorfer and Mr King for assisting us on the night.

Amy Seaburn and Meg Hickey

## Student Art Exhibition

The students from  
**Pacific Lutheran College**  
cordially invite you to celebrate the opening  
of an exhibition of student work in Visual Art  
from Kindergarten through to Year Twelve.

**Friday 25 October 2013 (6.00 - 9.00 pm)**

Pacific Art Gallery  
Woodlands Boulevard  
Meridan Plains Qld 4551

one night only, licensed, coffee van, children's activities  
free admission

## OCEANFEST 2013 PACIFIC LUTHERAN COLLEGE

Over the next week in the library, the photos from the SNAPFest are on display. If you did not have a chance to see them all at OCEANFest, drop into the library where they will be on display over the next week.

The winning entry of FILMFest 2013 is by Georgia Woods. Georgia's entry can be found on the OCEANFest Facebook page or on the link below:

[https://www.youtube.com/watch?v=VhZBT00HQL0&feature=player\\_embedded](https://www.youtube.com/watch?v=VhZBT00HQL0&feature=player_embedded)

Congratulations to all those who entered both the FILMFest and SnapFest.

The Lego competition winners from the OCEANFest competition were Seb Carter, Angus Singleton and Ethan Watman. Seb guessed there were 9,617 Lego pieces in the display. Any wonder there was a barrier around the display!

The Father's Day stall has come and gone. Thank you to the organising committee for having it all arranged, particularly after the busyness of the OCEANFest.

Friends of Pacific's next meeting is Tuesday, 17<sup>th</sup> September. If you have any agenda items, please forward them to [fop@pac Lutheran.qld.edu.au](mailto:fop@pac Lutheran.qld.edu.au) for inclusion.

Thank you once again to everyone in the Pacific community for making the OCEANFest such a success.

*Mrs Tracey Hindmarsh*

## Sunshine Coast Technical Trade Training Centre

Expression of interest for the Certificate IV in Music Business at TAFE for 2014.

Program concepts:

- This course is delivered by SCIT and will include on campus workshops.
- This course is developed for students who intend to pursue a career in the music industry.
- This course will provide students with the opportunity to develop a range of skills and personal qualities sought after by employers in the music industry.

Please give your details to Mr Learoyd to secure a place for next year.

### Information Evening

Wednesday, 4<sup>th</sup> September - 6.00pm - 7.00pm

Interested parents and families are invited to the SCTTTC Information Evening for courses 2014-2015.

Information on courses and opportunities at the SCTTTC including:

- Construction and Plumbing
- Civil Construction
- Electrical
- Surveying
- Integrated Learning in Engineering

For further information contact 5438 1037.

## Maths Moment

### Year 8 QAMT Maths Quiz

Well done to our Year 8 team who competed at the Regional finals last week at Sunshine Coast Grammar School. They competed against eight other teams who were placed first or second in their District heats and the competition suddenly got fiercer and tougher. Although our team received top marks for Rounds 3, 4 and 5 for their problem solving and knowledge of history of Mathematics, they were overcome by Rounds 1 and 2 of the competition, consisting of estimation and speed mental Maths, which were areas they had mastered on different days. Nevertheless, it was an enjoyable experience, competing against other young mathematicians from all over

the Sunshine Coast. Congratulations to St Andrew's Anglican College who now go on to represent the Coast in Brisbane for the State Titles and congratulations also to Paige Layfield, Ji Flynn and Olivia McCluskey for representing our college well in this academic area.

## Year 6 Extension Maths

Every fortnight this term, a small group of students from Year 6 have enjoyed meeting for an investigative Maths lesson. In this session, they have been presented with some challenging fraction problems, investigating the properties of a special group of fractions called Ideal Fractions, some general problem solving puzzles, honing their arithmetic skills playing "Letters and Numbers" - well the Numbers part, as in the TV show, and exploring their topic of Measurement further by investigating the well-known Pythagoras' Theorem.

## Maths Tutoring

The college continues to support students academically with after school tutorials for students in Years 7 to 12 who would like extra assistance or clarification of concepts in Mathematics. These tutorials are on Thursday afternoons from 3.30pm to 4.30pm in room L14 and are supported by Mathematics teachers on a rostered system. Students are welcome to come along for a quiet place to complete Maths classwork, homework or ask for assistance. The expectation is that they work quietly and that they remain within the room until 4.30pm or picked up earlier by a parent. The section in the Student Handbook on page 178 can be filled in if you would like your child to attend.

If you have any queries about any of the above, please contact me at the college or email [jsteven@paciluth.qld.edu.au](mailto:jsteven@paciluth.qld.edu.au)

*Mrs Jasmin Steven, Head of Mathematics (Years 6-12)*

## Careers Department News

### 1. TRAINING OPPORTUNITY for YEAR 12 SCHOOL LEAVERS

Year 12 students interested in gaining a qualification in Tourism / Travel, Hospitality and Management or Hospitality and Events, may be interested in a one year diploma course provided by a Gold Coast Registered Training Organisation.

For further details please come to the Career office.

### 2. SUPPORTING WOMEN SCHOLARSHIPS

The Queensland Government has initiated the Supporting Women Scholarships scheme. These scholarships are for young women considering future study in agriculture, environmental studies, architecture and building, engineering, earth science or information technology.

Scholarships of up to \$20,000 are available for study from Certificate IV level through to postgraduate.

Applications for study commencing in 2014 are now open and will close on Friday, 11<sup>th</sup> October 2013.

Further information about this program is available online at [www.supportingwomen@dete.qld.edu.au](http://www.supportingwomen@dete.qld.edu.au)

### 3. QUT ACADEMIC SCHOLARSHIP SEMINAR

High-achieving Year 12 students (expecting to receive an OP1-5) and their parents are invited to attend the Academic Scholarships Seminar to find out about QUT's academic scholarships and the opportunities for scholarship recipients.

It will be held on Thursday, 3<sup>rd</sup> October from 5.30pm - 7.00pm at the Kelvin Grove campus.

For more information, visit [www.qut.edu.au/study/events](http://www.qut.edu.au/study/events) and click on "Academic Scholarships Seminar".

### 4. DISCOVER QUT HOLIDAY PROGRAM

High school students and their parents are encouraged to attend a Discover QUT program during the September schools holidays.

Faculties will offer course and career presentations and, where possible, tours of the facilities.

Gardens Point campus: Wednesday, 25<sup>th</sup> September from 9.00am - 2.00pm.

Kelvin Grove campus: Wednesday, 25<sup>th</sup> September from 3.00pm - 8.00pm.

Caboolture campus: Thursday, 26<sup>th</sup> September from 10.00am - 2.00pm.

Please go to [www.qut.edu.au/study/events](http://www.qut.edu.au/study/events) and click on "Discover QUT" for the full program and online registration.

### 5. Q-STEP SCHEME

QUT's Q-Step scheme provides students from low-income backgrounds with entry assistance and financial support. To be considered for Q-Step, students apply under the "financial hardship" category of the Educational Access Scheme (EAS) through QTAC.

More information about this scheme and the EAS categories can be found at [www.qtac.edu.au/Applying-SAS/EduAccess.html](http://www.qtac.edu.au/Applying-SAS/EduAccess.html)

6. 2014 TERTIARY SCHOLARSHIPS and CLOSING DATES for APPLICATIONS

The Australian Veterans' Children Assistance Trust (for children and grandchildren of ex-service men and women). Closes Thursday, 31<sup>st</sup> October 2013. [www.avact.org.au](http://www.avact.org.au)

ACU's Early Achievers' Program: Closes Monday, 21<sup>st</sup> October 2013: [http://www.acu.edu.au/study/acu/alternate entry/early entry](http://www.acu.edu.au/study/acu/alternate%20entry/early%20entry)

University of Southern Queensland: Closes Friday, 25<sup>th</sup> October 2013.

University of Queensland: Closes Thursday, 31<sup>st</sup> October 2013.

University of the Sunshine Coast: Closes Thursday, 31<sup>st</sup> October 2013.

Griffith University: Closes Friday, 15<sup>th</sup> November 2013.

QUT: Closes Friday, 15<sup>th</sup> November 2013.

Billy Blue College: Closes Friday, 20<sup>th</sup> September, 2013.

CATC Design School: Closes Friday, 20<sup>th</sup> September, 2013.

Nursing and Allied Health Scholarships and Support Scheme: Closes Friday, 13<sup>th</sup> September, 2013. [www.acn.edu.au/sited/default/files/nahsss\\_undergraduate.pdf](http://www.acn.edu.au/sited/default/files/nahsss_undergraduate.pdf)

Applications are completed online, so please visit the individual university websites. Remember to apply for all scholarships as all the universities that will be listed on your QTAC application.

7. OPEN DAYS at PRIVATE TERTIARY INSTITUTES

Australian National College of Beauty: Saturday, 14<sup>th</sup> September, 2013: [www.ancb.edu.au/open-days-events/beauty-courses-brisbane](http://www.ancb.edu.au/open-days-events/beauty-courses-brisbane)

Billy Blue College of Design: Saturday, 28<sup>th</sup> September 2013: [www.billyblue.edu.au/events](http://www.billyblue.edu.au/events)

CATC design School: Thursday, 12<sup>th</sup> September 2013: [www.catc.edu.au/events](http://www.catc.edu.au/events)

Australian Film, Television and Radio School (AFTRS): Saturday, 7<sup>th</sup> and Sunday, 8<sup>th</sup> September, 2013: [www.aftrs.edu.au/whats-on/guided-tours,-open-days,-courses--careers-expos.aspx](http://www.aftrs.edu.au/whats-on/guided-tours,-open-days,-courses--careers-expos.aspx)

8. AUSTRALIAN DEFENCE FORCE TRADES INFORMATION SESSION

At the Maroochydore Defence Force Recruitment Office (35-39 Primary School Court), an Information Session will be held for students interested in the Trade Entry program for the ADF on Thursday, 12<sup>th</sup> September from 6.00pm - 8.00pm.

Specialist trade members of the Defence Force will discuss the roles and application process. Please book a seat by contacting Colleen on 5459 8700.

*Mrs Ainslie Reid, Careers Counsellor*

## Music News

One might not think it conventional to begin music lessons late in the year, but here are some good reasons to consider it:

- My child is socially adjusted for the year and could do with some other developmental input,
- I could begin my child on the journey when there is less academic pressure,
- I can get a head start on 2014 when most things are new, at least this would be a familiar task,
- Christmas is coming and if there are real signs of progress, Santa will have some great gift ideas,
- I would love to have my child developing new neural pathways in their brain prior to the end of year tests.

None of these ideas are crazy. Term 4 is actually an ideal time to begin lessons for your child. Enrolment forms are available for instrumental lessons from the front office, or we can even email one out to you to look at. Something to consider!

*Mr David Simpfordorfer, Head of Music*

## Sports News

### SECONDARY SPORT

Congratulations to all students who competed at the recent Year 8-12 District Athletics Championships at the Sunshine Coast University.

Well done to Steven Jung who finished in 3<sup>rd</sup> place in the 16 year boys and to Sophie Larson who was the runner up age champion for the 16 year girls.

Well done to the 16 year boys who won their division.

Congratulations to the following students for being selected in the Independent District Team that will compete at the Regional Athletics Championships on Monday, 9<sup>th</sup> and Tuesday, 10<sup>th</sup> September:

Emma Goodyear	Javelin
Matthew Barclay	3000m
Matthew O'Keefe	Javelin
Jack White	Javelin
Tim Lofthouse	Javelin
Georgia Woods	400m, 800m and 1500m
Sophie Larson	400m, 800m and 1500m
Steven Jung	Long Jump and Triple Jump
Josh McCully	100m
Zoey Parfremment	100m
Daniel Reidy	Shot Put
Shamini Bradfield	Discus
Alex Hall	Long Jump
Peter Flitcroft	Shot Put
Jonathon Hall	Discus

*Mr Gary Graves, Head of Sport*

## Pacific Soccer Update

### Rooball Carnival - 24<sup>th</sup> August

A Rooball Carnival was played last weekend which allowed our U6-U10 teams to enjoy three games in one day, in a celebration of their final matches for the 2013 season.

Pacific Soccer hosted U6 games at Pacific and welcomed 13 teams from other clubs, in addition to our own Pacific Seals, Pacific Swordfish and Pacific Stingrays. We are sorry that we

did not have a photographer available, so we are not able to share some of the excitement of the weekend.

However, we would especially like to thank the parents from the Seals (Michelle Smith, Janine Meade, Megan Pyke and

Sophie McKenzie), from the Swordfish (Chrissy Hughes), and from the Stingrays (Mark Turton), who helped out in the canteen, which allowed the day to be a success for the club.

In addition to the Rooball Carnival, last weekend also saw the start of the finals series, with the semi-final games played between the top four teams in each age group.

U12A Pacific Barracudas finished the season in second place, only three points behind the premiership-winning Caloundra Gold, and played against Caloundra for a chance to earn a direct entry into the Grand Final. The game was played at Caloundra and was very close, with the scores locked at 1-1 at full time.

After 20 minutes of extra time, the score was still 1-1 and, therefore, the game went to penalty shots. The Barracudas showed wonderful maturity, kept their nerve, and took the game 4-3 on penalties, and will therefore be playing in the Grand Final on 7<sup>th</sup> September.

U13B Pacific Marlins finished the season in third place and played a sudden-death game against fourth place Chancellor Crusaders. The game was evenly matched with the Crusaders scoring first, and the Marlins equalising before the half-time break. In the second half, the Marlins scored again, and had several near misses to finally take the game 2-1.

This weekend the Marlins will be playing the U13B premiership-winning team Caloundra Red. Despite finishing the season on top of the table, Caloundra Red lost their semi-final match against Palmwoods Titans last weekend and therefore hoping to defeat the Marlins this weekend, to progress to the Grand Final.

The U16/17 Pacific Jets have finished the season as premiers and played second place Nambour Mountain Lions at Pacific last weekend. Nambour scored early to go ahead 2-0, leaving the Jets with a daunting task. However, the players showed wonderful composure, teamwork, and skill, and kept in the game, scoring twice to level the game. Nambour scored

again in the second half, but the Jets again equalised and the teams were still locked at 3-3 at full time. Thirty minutes of extra time was not enough to produce a winner, so this game again was decided with penalty shots. With the sun setting at the end of a long day, the Jets showed extraordinary composure, yet again, and won the game 5-4 on penalties. The Jets will also be playing in the Grand Final on 7<sup>th</sup> September.

## Thank You from the Canteen

In addition to the volunteers from the Seals, Swordfish and Stingrays, we would also like to thank the families from our competitive teams (Tigerheads, Marlins and Jets), who also helped to keep the canteen running throughout such a long day. Special thanks must go to Mark Christensen, Lala Burnes and Kelly and Craig Abraham (who finally finished locking up after 6.30pm) and also to Hannah Abraham, Georgia Snelling and Brooke Leadbetter.

## End of Season Breakup - 8<sup>th</sup> September

The 2013 Pacific Soccer breakup will be held at Pacific Lutheran College on Sunday, 8<sup>th</sup> September from 1.00pm - 4.00pm.

Entertainment is being planned through Jumps Sunshine Coast and may include a jumping castle, giant Twister, face painting and knock your block off. The afternoon will include BBQ and drinks, with photos and award presentations to the players and team management.

A flyer has been sent to each team manager. We would like everyone to confirm numbers as soon as possible, to allow the necessary catering decisions to be made.

## Special Invitation for Kindy Students Born 2009

Would you like to enjoy the fun of playing in a Pacific Soccer team in 2014?

We would like to again extend an invitation to our younger students, who are born in 2009, to come along to the Pacific Soccer breakup on Sunday, 8<sup>th</sup> September. We will have games to play and will also have a special gift for Kindy students, which will be available from the canteen on the day.

More information will be included in the Kindy pockets, but please contact Jenny Lee if you have any queries.

## Equipment Return

Coaches and managers of each team, please note that we would like all team bags, jerseys, balls and equipment returned to the Pacific Soccer shed on the breakup day on

Sunday, 8<sup>th</sup> September. Each team bag has a check list attached, so could you please ensure that all items are returned on the day. If you have any queries, please contact our equipment officer Paul Fleming.

## Adermann Awards - 14<sup>th</sup> September

On 14<sup>th</sup> September, the annual Adermann Awards will be held at Nambour Civic Centre, to recognise and celebrate outstanding performances throughout the 2013 season. In addition to awards for the Premiership teams, and the Grand Final winners and runners up in each age group, there are also two special awards which will be presented on the night, including the Adermann Award (Best and Fairest) and the Terry Reynolds Award (Representative Player).

We would like to acknowledge and congratulate the following players who have been nominated for the Adermann Award this year:

- Liam Butler, Josh Aldous and Oliver Colam (U16/17 Jets)
- Elisha Hight (U13 Seahorses)
- Sam Fleming, Lachlan Aldous and Lawson Edward (U12 Barracudas)
- Victoria Burnes and Damon Abraham (U11 Tigerheads)

Six of our representative players have also been nominated for the Terry Reynolds Award this year. Congratulations to Sam Aitken, Lachlan Aldous, Liam Butler, Oliver Colam, Lawson Edward and Bailey Hockam for your nomination and for your wonderful performance within your rep side.

## Tickets for Adermann Awards

Tickets for the Adermann Awards are always hard to obtain and, at this stage, Pacific Soccer has been issued sufficient tickets for only a few award nominees and players from two teams. Therefore, it is important for ticket orders and menu selections to be confirmed and payment made without delay, to maximise the possibility of players and a family member being able to attend. More specific information will also be sent out to the families of the competitive teams.

## Pacific Soccer Contacts

Registrar: Jenny Lee 0400 229908  
jengregg@optusnet.com.au

Treasurer: Lala Burnes 0404 487701

Thank you everyone for the support you have provided for Pacific Soccer this season. For more information regarding our teams, our games, or the club, please do not hesitate to contact us.

*Mr Ian Barnes, President*

## PLC Netball Club

It is Semi-Finals week for our netball players. Four out of our eight competitive teams have made the Semi-Finals: PLC Ponies, PLC Colts and PLC Thoroughbreds all finished the season third on the ladder with PLC Arabians finishing 4th. Tremendous effort by all our teams.

Semi-Finals Saturday, 31<sup>st</sup> August game times:

PLC Thoroughbreds v Meridan Geckos	8.30am	Crt 4
PLC Colts v Unity Bellvista Roses	10.30am	Crt 4
PLC Arabians v Tibro Corals	10.30am	Crt 6
PLC Ponies v Meridan Ladybugs	11.30am	Crt 4

## Lost Property

We have two pairs of glasses which have been lying unclaimed for several weeks in the Middle / Senior College office. One is a pink / purple pair in a purple case and the other is a black pair in a soft black case. Please ring the Middle / Senior College on 5436 7315.

Could we also remind parents of the importance of naming ALL students belongings. We have lots of un-named pieces of uniform and lunch boxes / drink bottles lying in drawers. If

you put your child's name and PCG on their belongings, we are able to return them quickly.

## Did You Know?

The first word spoken on the moon was "Okay".

## Uniform Shop

The Uniform Shop is open every:

Wednesday	8.00am	to	9.30am
Thursday	8.00am	to	9.30am
Friday	8.00am	to	9.30am

On line ordering is now available. Go to the college website and click on the link or go to [www.flexischools.com.au](http://www.flexischools.com.au) and then find your school.

Orders will be delivered to your child's class room.

*Mrs Donna Hollindale, Uniform Shop Coordinator*

## Tuckshop News

Are you able to help out for an hour or two in the tuckshop? We are DESPERATE for helpers at the moment as some of our regular volunteers are now working or are having babies.

Don't forget you can order on-line!! Please look at our website for more information.

## Feedback Needed from our Gluten Free Families!

We have been approached by the lovely Sarah Davey who is the Director of GFFM Cafe (Gluten Free for Me) that is located in Aerodrome Road, Maroochydore. Sarah is working on a range of pre-packaged, gluten free, nut free and often dairy free products that will be suitable for school canteens. We would love some input from the parents of our students who have these specific dietary requirements, so we can gauge the level of interest in stocking a small range of her products.

Please send us an email at [cdickson@pacluth.qld.edu.au](mailto:cdickson@pacluth.qld.edu.au) with any thoughts. We would love to hear what you think.

*Mrs Carrie Dickson, Tuckshop Convenor*
