

Partnerships Power Pacific

As I prepared my report for the Friends of Pacific meeting on Tuesday, I was struck by the quality of opportunity provided by strong partnerships between parents, staff and students over this past month. We celebrated the success of the Ocean Festival and Dads and Lads Breakfast, as well as teams involved in soccer, netball, athletics, Tournament of Minds, Maryborough Technology Challenge and kayaking. We reflected on the benefits gained by younger students in working with the artist in residence. On assembly we have heard our Concert Band and Orchestra reach new heights. In addition, there have been strong learning partnerships occurring every day between parents, students and staff, as young people have engaged in their academic learning and conversations supporting their social, emotional and spiritual development.

People working together can achieve great things and this has certainly been the case at Pacific this term. We thank all families for their support of the college and their children in many and varied ways. We thank our staff and students for their strong engagement with all aspects of the community. Most of all, we thank God for the gifts that He provides us. As we live in partnership with each other and with God, we are lifted to better ways of being.

Principal's Log

It was another successful weekend for Pacific with our netball teams acquitting themselves very well. The young Arabian netballers who were elevated from the Netters division into a higher age group early in the season performed very well to gain a place in the grand final and played with great heart. The intermediate Thoroughbred team played well to win their Grand Final in what became a close competition in the last quarter. Well done to the girls and coaches Mrs Tanya Graves and Mrs Leigh Drogemuller. Well done to all Saturday netball players for your commitment and thank you to all of our coaches and managers for a very good season of growth for our netballers. A special thank you to the executive of our netball club capably led by Mrs Amanda Woods.

The Maryborough Technology team performed very well with the solar car team winning the right to once again represent

Queensland at the national championships in Melbourne later this year. The Hybrid Vehicle team performed very well and won their division by 16 seconds. The junior Human Powered Vehicle team also performed very well. Well done to the boys and to Mr Ian Learoyd, Mr Mark Sellin and Miss Marnie Finter on their leadership of the teams. An excellent effort!

The Year 3, 5, 7 and 9 cohorts all performed well on the NAPLAN testing with all cohorts for all aspects of the test performing above state and national means and in a number of instances, well above. Further analysis of the data will be conducted for both individual students and cohorts to continue to improve the quality of learning provided at the college. Once we have received all of the individual student paper reports, we will post these home. Currently the college has only received the Year 9 reports.

You may have noticed a two page spread in the Courier Mail this week outlining the upcoming Australian Conference of Lutheran Educators (ACLE) over the September holidays. Pacific staff will take a lead role in the staging of this very significant conference which has international speakers and over 1,000 delegates attending from across Australia and internationally. Staff and College Council members will be attending and will have the opportunity to grow in their thinking about ways in which Pacific can continue to grow to help students to thrive in the 21st Century.

Last week we farewelled Ms Diane Kenny who has provided great support to families and staff through her role as an Accounting Assistant. Ms Kenny, in a quiet and unassuming way, effectively managed significant parts of the college's accounts. She has varied her work life to switch between corporate work such as Pacific and work for more service orientated groups. Ms Kenny has commenced working for Cape York Partnerships which provides support for indigenous people of North Queensland. We thank her for considerable service and wish her all the best in her new role.

Next term Mr Mark and Mrs Michiko Hauser will be taking long service leave. Mr Darren Hooper will be taking on the role of Head of P-5 Sport and Mrs Tanya Graves will teach Mr Hauser's PE classes. Mrs Cynthia Dodd will be teaching Mrs Hauser's Japanese classes. Mrs Dodd is a very highly regarded teacher of Japanese having taught Japanese for an extensive time and been involved in the development of languages in schools through involvement in the QSA and language teacher associations. We wish Mr and Mrs Hauser all the best for their leave next term and look forward to working with staff new to their roles.

As mentioned above, we greatly appreciate the support, energy and goodwill of parents, staff and students who have continued to work together to provide rich opportunities for growth. Thank you for all you have given. We thank God for the people of this community and the blessings He so richly gives us. Enjoy a well-earned break.

Dr Bronwyn Dolling, Principal

Daily Bread

Pacific Up Front With Lutheran Schools

In the second week of the school holidays, quite a number of Pacific people will be taking part in the 2013 Australian Conference on Lutheran Education (ACLE). On the website for ACLE, we read: "Approximately every four years Lutheran Education Australia and the respective regions organise a

major conference to celebrate Lutheran Education in Australia."

At this conference, our Pacific people will be more than just attenders. Dr Bronwyn Dolling has been involved in the Programme Planning Committee and will be chairing the three major plenary sessions. Mr Shane Jurecky and Miss Karen Schultz are elective presenters. Miss Kim Stone and Miss Michelle McMillan are chairing a number of the elective sessions. Mr David Simpfendorfer has written the theme song for the conference and he will be leading the Pacific music group, *MTX* (empty cross) in the presentation of worship music for the conference. David is also chairing an elective session. I am involved in the Conference Organising Committee and have led the Marketing Subcommittee. At the conference, I will also be involved in some elective sessions and will have a role in the worship programme.

So Pacific is a big part of this ACLE conference, with a few dozen staff and College Council members attending as delegates.

The theme for the 2013 ACLE Conference is "WISE UP! - TRANSFORMING MIND, BODY AND HEART IN LUTHERAN EDUCATION." This theme takes up the work of the Lutheran Church and its schools in providing the wisdom of God for the development of the whole of life for young people. Education in a Lutheran school is a transformational activity that engages all aspects of the human experience. The getting of this wisdom requires forward thinking to address how the traditions passed onto us may be reformed into new ways of engaging learners.

We pray that this ACLE conference will foster the best educational practices for Lutheran schooling, especially for the students of our college, Pacific.

Pastor Paul Smith

From the Head of Senior School Students

Year 12, 2014 Students

This week, Year 12, 2014 students have been designing an option for their senior jersey. They have met over a few lunchtimes to put together a variety of designs for their jersey. During Personal Development class, students will decide via voting the preferred design. Forms for ordering these jerseys will be given out in the first week of next term.

Also in Personal Development class this week, the College and Vice-College Captains will be running a seminar about leadership in preparation for the Week 1, Term 4 leadership day.

Inter-School Dance

Friday, 25th October from 6.30pm to 9.00pm at Good Shepard Lutheran College.

They will be hosting an inter-school dance with Pacific Lutheran College, Immanuel Lutheran College and Good Shepherd Lutheran College. There will also be drinks and snacks to fundraise on the evening. More information about this event will be published early next term.

Miss Kim Stone, Head of Senior School Students

Students of the Week

Stars of the Week - This Week Monday, 16th September

Prep	Alexander Hughes	Noah Daniel
Year 1	Summer Wiltshire	Mia McEvoy

Resilience: Isobel Hughes

Mathletics Award

Congratulations to Matthew Campbell for receiving a Gold Certificate in Mathletics.

Food for Thought

The Power of Good Habits

Habits are powerful. They bring about change, one step at a time, and they help you ensure that these changes become part of your life. However, you are far more likely to reach your goal if you make your new habits part of your regular routine.

Follow these steps to make good habits stick:

- Identify what you want to achieve.
- Build good habits into your routine.
- Reflect on your habits.
- Develop self-discipline.
- Get support.

When you decide to establish new habits in your life, focus on one at a time. If you try to overhaul your entire schedule at once, you will likely get overwhelmed and quickly revert to old behaviours.

See more at: <http://www.mindtools.com/pages/article/power-good-habits.htm#np>

Mrs Annie Williams, School Counsellor

Data Collection

Pacific Lutheran College Participation in Nationally Consistent Collection of Data on School Students with Disability 2013 - 2015

The Australian Government and all state and territory governments have agreed to work towards the full implementation of a nationally consistent collection of data on school students with disability by 2015. Pacific is participating in the first data collection in 2013 with all schools to be involved in the data collection from 2015.

Starting with this phased implementation approach from 2013, the collection of data will help build the evidence base to inform improved schooling for students with disability, giving them every possible opportunity to reach their full potential.

Education ministers have agreed that 2013 and 2014 will be transition years so that all Australian schools and sectors have time to prepare for the data collection, including undertaking professional learning and refining processes, prior to full implementation in 2015.

To give clear information related to this data collection, a letter of consent and a Parent/Carer Factsheet will be mailed to each family. The consent form clearly indicates that any information related to a particular student will be de-identified. Further information can be found at the Department of Education, Employment and Work Relations (DEERWR) website.

On receipt of the letter of consent and associated factsheet, parents and carers are asked to complete and return the consent form attached to confirm that information can be collected and provided through the collection process to the Department of Education, Employment and Work Relations (DEERWR).

Japanese Calligraphy

Last Thursday, the Year 10 Japanese class had the opportunity to try ^{しよどう}書道 - traditional Japanese calligraphy. Students researched various kanji characters which represented their name in sound and meaning and wrote these characters using traditional brushes and ink. They were able to get professional help from our Japanese Teacher Assistants, particularly Kasumi Sensei, who is a qualified calligraphist. Great work to all our students who engaged in the Japanese art.

Mrs Michiko Hauser, Head of 6-12 Japanese

Friends of Pacific

This term has been an extremely busy and successful time for everyone, including Friends of Pacific and the OCEANFest committee.

At the meeting held this Tuesday evening, we were able to reflect, review and celebrate all aspects of the festival. Whilst feedback has been overwhelmingly positive, there is always room for growth and improvement. Part of our ongoing process for the festival is to ensure that as much information as possible is documented for future reference. To assist in the review process, we ask that if there is feedback on any area of the festival, it is put in writing and emailed to Friends of Pacific to be included in the final report.

The aim of OCEANFest was to create and host a profitable event that personifies the college's values while providing family entertainment to the Pacific community, the Kawana Forest community and the wider Sunshine Coast region.

This was achieved via all avenues of the festival but to name a few, we had delicious and varied food, the fireworks and of course the rides. Student involvement was accomplished through the FILMFest and SNAPFest and we also were able to provide complimentary entertainment such as the screening of *Endless Summer*, the Lego display, The Stickaquarium and the Westpac helicopter landing. Also a full program of entertainment was on stage, showcasing the many and varied talented students of the Sunshine Coast.

All of the individual stalls were extremely successful, due to great leadership, creative minds and high involvement of Pacific families.

The success of OCEANFest was shown with an approximate profit of \$31,000 but, more importantly, it was a successful family and community event which was enjoyed by many and offered something for everyone.

We sincerely thank everyone for assisting and supporting OCEANFest 13.

There are only two meetings now left for the year, Tuesday, 15th October and the Annual General Meeting which is held on Tuesday, 19th November. We warmly invite you to attend and be part of Friends of Pacific.

Mrs Tracey Hindmarsh, Chairperson Friends of Pacific

Student Art Exhibition

Maths Moment

Australian Maths Competition Results for Year 12 Students

This week at assembly, our Year 12 students who sat the AMC received their certificates. Usually these certificates arrive after the Year 12s have finished school, so schools were sent all Year 12 certificates for students who sat the AMC. Other grades will be sent to schools in the next few weeks.

Distinctions for seniors are awarded to students who achieved in the top 25% of Australia. Credits for seniors are awarded to students who achieved in the top 60%.

Congratulations to the following Year 12 students for their terrific achievements:

Credit: George Anderson
Matthew Barclay
Brianna Christie
Meg Hickey
Carl Jonsson
Joshua Williams

Distinction: Joshua McCully

Maths Tutoring

Tutoring has been very successful and provided many students with the opportunity to ask for extra assistance with their mathematical progress. Tutoring has ended for Term 3 and will recommence on Thursday afternoons again in Term 4.

If you have any queries about any of the above, please contact me at the college or email jsteven@pacifluth.qld.edu.au

Mrs Jasmin Steven, Head of Mathematics

Music News

Congratulations to the Concert Band who played four songs at Wednesdays assembly. Their songs included the National Anthem and a Beatles medley.

The Jazz Ensemble also entertained locals at a Kawana Forest Business Expo at the new Community Centre opposite the college. This was officially the final gig for our pianist Brianna Christie who leaves at the years end. Thank you Brianna for your excellent service to this group as the first piano player. Well done!

During the holidays, Joshua Grimley and Carl Jonsson will be playing to a crowd of 1,000 with a number of students from other Lutheran colleges in South East Qld at the ACLE #4 conference at the Brisbane Conference Centre. We wish them well.

Mr David Simpfendorder, Head of Music

Parents, grandparents and friends were treated to a vocal and instrument concert last Monday afternoon given by pupils of Mr King.

A programme of varied music was confidently and superbly performed by:

- McKenzie Turner who played a drum solo and sang *Chim Chim Cheree*, Holly Hurd then sang *Edelweiss*, Oscar Pollack played a trumpet solo and sang *Where is Love?* from the musical, *Oliver*.
- Stella Teys then performed *I Got Rhythm* and *Ev'rybody Wants to be a Cat*, the latter song was expertly accompanied on the kit by McKenzie.
- Olivia Watts sang the songs, *The Second Star to the Right* and *Edelweiss*, this was followed by Abby Pukallus with *When Somebody Loved Me* and *Movin' Right Along*. Victoria Burnes performed next, singing *Ben and The Girl I Mean to Be*. Ella Block then sang *At Evening* and *The Water Is Wide*.
- Abbey Doran concluded the short concert singing *Beauty and the Beast*.

I would like to thank the audience who encouraged the musicians with enthusiastic applause and I would also like to congratulate the performers for the disciplined way in which they behaved and attained a high performance standard.

Mr Adrian King, Head of Instrumental Music

Careers Department News

1. 2014 GAP YEAR PROGRAM

Current Year 12 students interested in a GAP year program in the USA, from mid-May 2014 to mid-September 2014, may collect a brochure from the Career Office.

2. TAX FILE NUMBERS (TFN)

Students leaving school early (before the completion of Year 12) or after completing Year 12, need a Tax File Number for their employment, deferring university fees or applying for Centrelink benefits.

The easiest way to apply for a Tax File Number is through the TFN Education program. This program is only open to secondary schools students.

To ensure that students get their TFN before Christmas, completed application forms must be received in the Australian Taxation Office by Friday, 22nd November.

Application forms are available from the Career Office.

3. STATE EMERGENCY SERVICES YOUTH PROGRAM

The Caloundra State Emergency Service is currently looking for Year 10, 11 and 12 students who would be interested in joining the SES, a voluntary organisation that helps the community in times of emergencies and disasters.

Being a member of the SES has a number of rewards including learning new skills, forming new friendships, gaining valuable qualifications and helping the community.

Year 10 and 11 students can gain a Certificate II in Public Safety. This will give the student four points towards their Queensland Certificate of Education at the end of Year 12. A Certificate III is available if the members wish to continue.

This is a great opportunity for anyone who is thinking of a career in the Emergency Services (Fire, Police, and Ambulance) or the armed services.

Students would have to be willing to attend night training once a week on a Tuesday for 2-3 hours and there may be some training courses on weekends.

Please contact the Career Counsellor at college or Brendan Casement on 0431 226 302 for further details.

4. AGRICULTURAL COLLEGES SCHOLARSHIPS 2014

The Minister for Agriculture has announced that the Minister's Agricultural Colleges Fund that 10 scholarships, each worth \$10,000, will be made available to students to attend either the Longreach Pastoral College or the Emerald Agricultural College in 2014.

The aim of the scholarship fund is to provide financial support to young people aspiring to a career in agriculture or rural industries to undertake a residential training program at Longreach or Emerald.

In addition, the Agricultural Industries Scholarship Fund, supported by industry benefactors, will provide a number of scholarships to fully or partially fund programs for students commencing their studies in 2014.

Students may apply for one or more scholarships and applicants should be able to demonstrate a solid commitment to a career in the agricultural industry.

All information and application forms are located at: www.aacc.edu.au

Applications close on Monday, 28th October. Successful applicants are notified in mid-November 2013.

5. RESOURCE SECTOR JOBS and CAREERS on the SUNSHINE COAST

A career seminar on jobs and careers in the Resource Sector on the Sunshine Coast will be held on Tuesday, 8th October from 9.30am - 11.30am in the Bicentennial Community Hall, Bicentennial Drive, Sunshine Beach.

The opportunities and pitfalls of accessing careers in the Resource Sector (Construction, Coal Seam Gas and Production) will be discussed at this seminar. All speakers work in businesses that work in, and supply to, the resource sector but are based here on the Sunshine Coast. Speakers include representatives from Definium Surveying and Land Management, Contour Consulting Engineers and Mining and Resources and IPA Personnel.

Further information is available from Chris.Guthrie@sunshinecoast.qld.gov.au

Register for this free event by contacting Conor Downs on 0421 02780559 or Conor.Downs@sunshinecoast.qld.gov.au

Mrs Ainslie Reid, Careers Counsellor

SECONDARY SPORT

Congratulations

Congratulations to Caitlin Gillman for finishing in 6th place at the world 17 Years 1000m Kayak Championships.

She is very happy with her first event: U17 K1 1000m, 3rd in Heat, which put her straight through to the Final.

An outstanding achievement . . . and a PB! - 4:23.364

Regional Athletics

Congratulations to the following students for regional athletics selection.

Harry Greenland	14-15	400m run AWD
	14	800m run
	13-15	1500m run AWD
	14	200m run AWD
Steven Jung	14	100m run AWD
	16	Triple Jump
Sophie Larson	16	800m run
Georgia Woods	13	800m run

All the best at the State Athletics Championships.

Mr Gary Graves, Head of Sport

Netball Victory

Congratulations to the PLC Thoroughbreds on their closely contended win on Saturday. Although creating a solid lead in the first half of the game, the opposition, Pacific Club, came back fighting in the third and fourth quarters, almost levelling the game. However, with each shot successfully contested and turned over by goal keeper, Elsa Jonsson and defence, Lana Rademeyer, with each successful transition through the mid-court, made by Brittany McAuliffe, Amy Fleming, Aimee Sheppard and Natisha Jacobs, and with every successful feed and converted goal made by Mystic MacLeod and Perri Bright, the girls were able to extend their lead to 27-24.

After seven months of early morning training sessions, the girls, who finished fourth on the minor premiership ladder,

showed on Saturday how commitment, dedication, passion and team work can inspire victory.

Thank you to Mrs Karen MacLeod for all her support and assistance this season, and to the mums, dads, grandparents, brothers, sisters and extended family and friends who came to each game and cheered the girls on, their victory is also yours. What a fantastic culture of support to be a part of. One very proud coach.

Mrs Leigh Drogemuller

Congratulations to the Arabians who competed in the Grand Final last Saturday. The girls should be very proud of their achievements this season.

Starting in the Netta competition (7 - 9 years), we soon realised that the girls needed to be challenged so we decided to play them up a division against the U10 girls. They have

shown great improvements this season and certainly demonstrated that they were very capable of playing in this division and to make the Grand Final was a fantastic accomplishment for them. Unfortunately they came runners up on the day, losing out to a much taller team from Maleny. We look forward to seeing what they can achieve next season. Well done girls.

Mrs Tanya Graves

Pacific Soccer Update

Adermann Awards - 14th September

Last Saturday night, the annual Adermann Awards were held at Nambour Civic Centre to recognise and celebrate outstanding performances throughout the 2013 season.

Our U12 Pacific Barracudas were presented with individual trophies and a team trophy, for finishing the season as the Grand Champions in their age group. Well done to the players and the team management for your performances throughout the year, and for such a wonderful result.

We do not have any photos of the U16/17 Pacific Jets, but congratulations must also go to the Jets' players and staff, who were presented with awards to recognise their outstanding achievement of finishing the season as premiers, and then winning the final, to be crowned Grand Champions.

Congratulations also to our many award nominees, who were recognised for an outstanding performance in the best-and-fairest competition throughout the season.

Being nominated for the Adermann Award or the Terry Reynolds Award is an extraordinary achievement, and thank you to all our nominees for displaying your skill and sportsmanship so well throughout the season, and for representing your team and Pacific Soccer at such a high level.

Wrap Up for the 2013 Season

We would especially like to thank our 140 other players and coaching staff who did not attend the Adermann Awards this year, but have equally shown commitment and dedication to their team mates and the club throughout this season. Our spectators have enjoyed the performances you have displayed on the field, and we look forward to seeing everyone back again in 2014.

It has been a busy year, so the committee has decided to postpone Pacific Soccer's AGM until early in 2014, and more information will be sent through in Term 4.

Just for Kicks 2014

Are you interested in playing in a Pacific Soccer team in 2014?

Just for Kicks is a free "come and try" day, which is targeted to new players, who would like to be part of Pacific Soccer for the 2014 season, and will be run early in 2014 on the Saturday prior to our main sign-on day. A flyer and registration form will be included in the newsletter in Term 4. Any new players who pre-register for *Just for Kicks* will also receive a free soccer gift pack.
