

The lazy captian

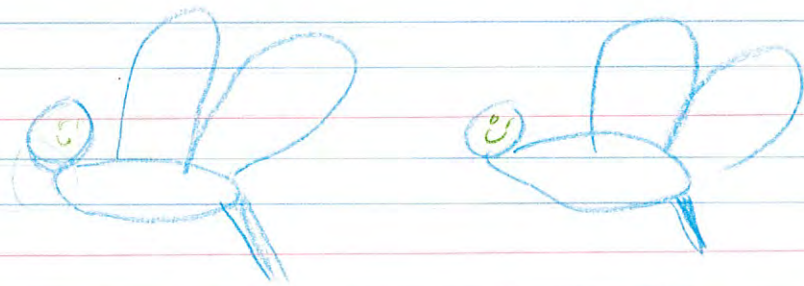

By Mar Alfaro.   

"wake up! wake up!"

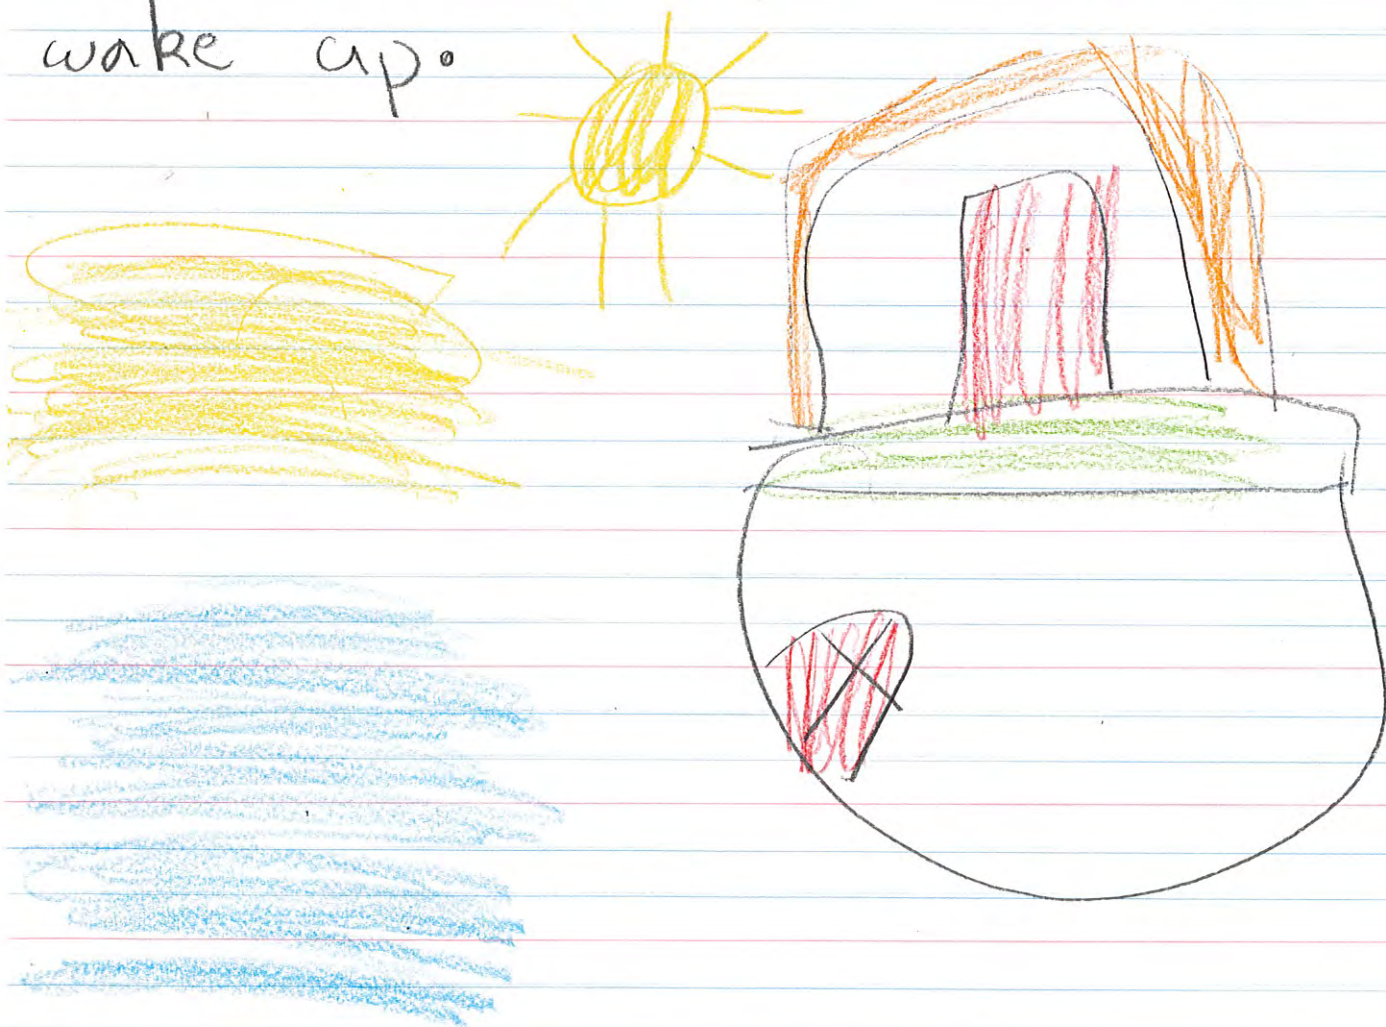

Shouted the people. The captain was asleep. The captain was wearing a blue t-shirt and purple pants. It was morning the birds were waking him up.

The captain was steering
south. All the people were on
board. They were on the SS Dicky.
The captain could see the
blue birds they were singing a
peaceful song. Suddenly the captain
fell asleep oh no!

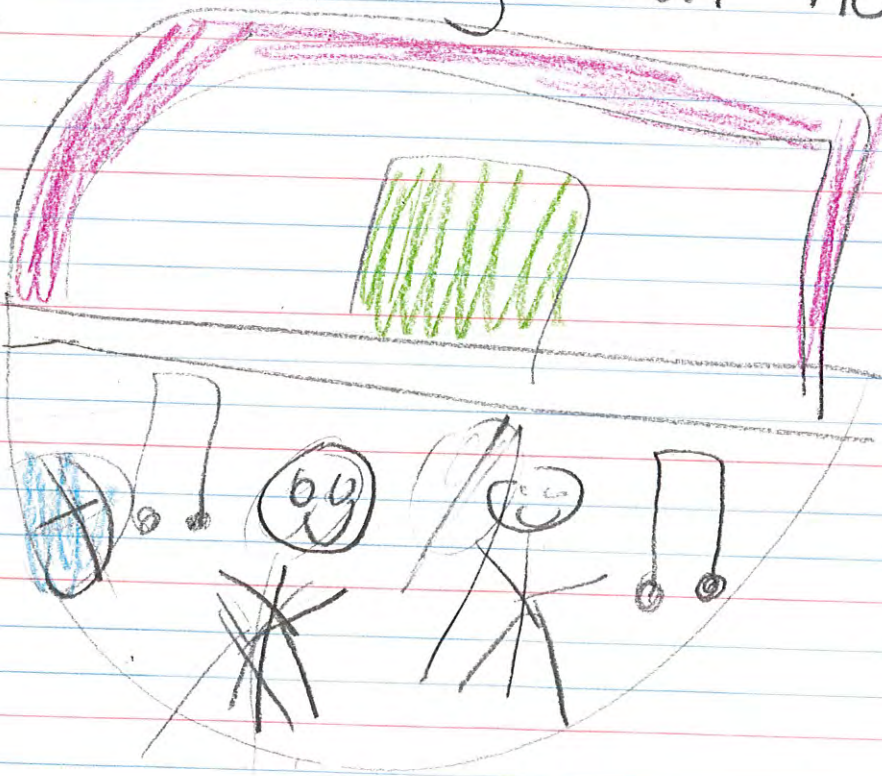

The colourful SS Dicky
was turning north to a beach!
The people scattered all around
the captain and said "wake
up! wake up!" but he did not
wake up.

They crashed on the beach. The other people helped the people on the boat get out. They also helped the captain get out. A few weeks later they made the SS Dicky into a dance place.

It went on for two whole weeks
and one day a man dropped
his lantern on the floor and the
SS Dicky was on fire! The
people got rid of the pieces
as quick as they could, off
the SS Dicky but not all of
It

That is why this beach
is called 'Dicky beach
these days. So that is why you
can only see a bit of the boat.

Hope you
enjoed It!
