PRESENTER

Michele Juratowitch is Director of Clearing Skies; provides counselling for gifted children and their parents; has worked in schools and introduced provisions to support gifted students. At the Gifted Education Research, Resource and Information Centre (GERRIC) at the University of New South Wales, Michele taught in parent courses; lectured teachers in a postgraduate course in Gifted Education; developed programs for students and conducted research.

Michele has provided a range of skill development programs for gifted students, parents and teachers. She presents at state, national and international conferences. Michele was awarded a Churchill Fellowship to study the needs of gifted children and families; conducts research; writes regularly for various publications; is co-author of a research report on acceleration and *Make a Twist: Curriculum differentiation for gifted students*.
