

Have you ever wondered about your place in the cosmos? Well, now with the magic of virtual reality, you can see exactly where you are! Shrink and expand the universe to see where you fit into the big picture. Stroll through a sea of hundreds of thousands of stars and galaxies.

DownStream is a high-speed whitewater kayak racing game. Feel the thrill of paddling through beautiful landscapes, down awesome drops and through high-speed drifts. Gain XP for stunts and collect powerups to top the leaderboards or just enjoy the scenery and paddle DownStream.

A new mysterious enemy threatens to tear apart the universe and only you can stop them! Armed with the Sonic Screwdriver, players will solve mind-bending puzzles, grapple with iconic monsters and encounter new horizons in a quest to find the Doctor and defeat a powerful force that threatens to destroy the fabric of reality.

Run, dodge and decide quickly, but do not let the hammers and moving platforms stop you from reaching the end of the course.

In the role of a brave and clever soldier, your mission is to protect the wall from enemy attacks till your last breath with a bow as the main weapon. The enemies become increasingly dangerous through each wave, so the player must keep focusing on each shot to ensure no enemy will pass through the wall.

Based on the film, the Spider-Man: Far From Home VR Experience is a fast-swinging, thrill ride through the eyes of your favourite neighbourhood Spider-Man.

*Beat Saber* is a VR rhythm game where you slash the *beats* of adrenaline-pumping music as they fly towards you, surrounded by a futuristic world.
