WHAT IS THE EMERGING TALENT PROGRAM?

Volleyball Australia Emerging Talent Program - This is a partnership between Volleyball Australia (VA) and the Queensland Academy of Sport (QAS). The Emerging Talent Volleyball Program has been established to provide a high-performance practice environment for athletes that have been identified as having the potential to play Volleyball (Beach and/or Indoor) at state, national and international level with a further goal to develop athletes to compete at the Olympic Games.

WHAT IS THE EMERGING TALENT SQUAD?

The Emerging Talent squad develops grassroots volleyball players and teaches **fundamental movement skills as well as volleyball-specific techniques and strategies.**

WHAT EXPERIENCE DO I NEED?

Athletes do not need to have any volleyball experience, but a **desire to learn, grow and improve** as a volleyball athlete is essential.

The Volleyball Australia Emerging Talent Program is complementary to school, club and state squad activities. We highly encourage all Emerging Talent athletes to participate in these other programs simultaneously with their ET training.
