

Tween Talk: EveryBODY is Beautiful!

Educate | Inspire | Empower

SATURDAY 3rd June

8:30am - 11:30am

Goodlife Community Centre, Buderim

Girls aged 8-12 years

A workshop designed to help your pre-teen understand that she is MUCH MORE than just a body!

During our workshop your daughter will learn all the editing and tricks that go into making people in the media look flawless, plus we will break down any myths regarding 'perfect' looking people in the media. She will learn to embrace the way she looks and celebrate diversity. The most important thing she will learn... is that the way she looks is such a small part of who she is!
