

**CENT AUCTION THEMES
PACIFIC FOUNDATION AND JUNIOR COLLEGE**

The OCEANfest Cent Auction is a series of prizes that are placed on display. Bidders buy tickets and place as many as they wish in the sealed containers next to the prizes they wish to win. The more tickets entered, the higher the chance of winning. Towards the end of the event a ticket is drawn from the box – like a raffle – determining the winner.

Foundation and Junior Classes have been assigned the Cent Auction theme. Cent Auction themes below.

We ask that items are donated prior to **Friday 14th July, (Week 1, Term 3)**.

There will be a prize for the class that best matches their allocated theme with a creative display. The winning class will be announced before the festival and the class will receive a Pizza Party!
